

## Global Pre Intermediate Coursebook

Dealing with Difficulties looks at the typical classroom and teaching management problems facing teachers and students of English in five main areas: large classes, discipline, mixed-level classes, homework, teaching exam classes. In each category, the authors provide a wide variety of techniques, activities and tips to turn classroom problems into actual learning opportunities.

An authorised reissue of the long out of print classic textbook, *Advanced Calculus* by the late Dr Lynn Loomis and Dr Shlomo Sternberg both of Harvard University has been a revered but hard to find textbook for the advanced calculus course for decades. This book is based on an honors course in advanced calculus that the authors gave in the 1960's. The foundational material, presented in the unstarred sections of Chapters 1 through 11, was normally covered, but different applications of this basic material were stressed from year to year, and the book therefore contains more material than was covered in any one year. It can accordingly be used (with omissions) as a text for a year's course in advanced calculus, or as a text for a three-semester introduction to analysis. The prerequisites are a good grounding in the calculus of one variable from a mathematically rigorous point of view, together with some acquaintance with linear algebra. The reader should be familiar with limit and continuity type arguments and have a certain amount of mathematical sophistication. As possible introductory texts, we mention *Differential and Integral Calculus* by R Courant, *Calculus* by T Apostol, *Calculus* by M Spivak, and *Pure Mathematics* by G Hardy. The reader should also have some experience with partial derivatives. In overall plan the book divides roughly into a first half which develops the calculus (principally the differential calculus) in the setting of normed vector spaces, and a second half which deals with the calculus of differentiable manifolds.

Teacher's Book includes step-by-step teaching notes as well as explanations of cultural and linguistic items presented in the coursebook.

Best Practice is a four-level business English course designed for use by both pre-work students and in-work students. Its topic-based modules train students in the English needed for both the professional and personal sides of modern business life.

This book takes the view that ELT global coursebooks, in addition to being curriculum artefacts, are also highly wrought cultural artefacts which seek to make English mean in highly selective ways and it argues that the textual construction (and imaging) of English parallels the processes of commodity promotion more generally.

With its combination of stimulating, informational content and systematic skills work, *Language Leader* is the ideal course to develop students' analytical and communicative skills.

The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. *The Khao San Road*, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

*English for Business Life* is written by experts in international business communication who understand how fast-moving changes are affecting the language and skills that people need to be effective in the workplace. The course presents the English essential for doing business in today's global marketplace. It takes account of international contexts, countries and cultures and a business environment where English is often used as the language of communication between speakers of many nationalities.

*English Unlimited for Spanish Speakers* is a six-level goals-based course for Spanish-speaking adult learners. Centred on real-life objectives, it prepares learners to use English independently and confidently for global communication. Through universally inspiring topics and with a special focus on intercultural competence as a 'fifth skill', this international Coursebook helps learners become sensitive and effective communicators. With natural, dependable language and practical CEF goals, the Coursebook brings real life into the classroom and gives learners the skills, strategies and confidence to communicate confidently outside it. In addition, tips for Spanish speakers raise awareness of common errors based on research from the Cambridge Learner Corpus. The e-Portfolio DVD-ROM enables learners to build a portfolio of their work, creating a record of their progress, and provides reference tools and a vocabulary trainer.

*Straightforward* is a multi-level course for adults and young adults. Based on observation of what good teachers do in the classroom, it is transparent in its structure, pragmatic in its methodology and varied in its content. This book contains 90 hours of teaching material on this course.

The 3rd edition of this ever popular course combines some fantastic new materials with all the features that have made this course a bestseller. *Market Leader Active Teach* contains everything a teacher will need for the course in the classroom. It can be used with a computer and a projector or with an interactive whiteboard. It includes: All the audio and video from the book. All the pages with a 'zoom in' and 'zoom out' feature. Fully functional IWB tools. The ability to save all your notes alongside the relevant page of the Student's Book. Extra resources including review games and activities

Information-rich topics and texts immerse adult learners in themes and issues from around the world so that English is more relevant.

*Powerbase* is an ideal introduction to general English for working adults. It provides excellent preparation for other Business English courses. The Teacher's Book provides a step-by-step guide to exploiting each lesson

*Lifestyle Active Teach* provides software for interactive whiteboards or computer with projector. It is also ideal for use on a laptop and in one-to-one classes.

100% new. New Practical English video, featuring authentic interviews with real people. Shorter syllabus for Beginner-level students.

This new component offers a business related alternative to the existing eWorkbook to the award-winning adult course Global. This takes the innovative eWorkbook and provides business-related content to either act as a supplement to the Global Coursebook or as a stand-alone self-study business English course.

Very much like the eWorkbook, the Global Business eWorkbook represents an evolution in self-study materials and rich extra learning opportunities through listening and video materials. More business-related material is covered in the Business eWorkbook, allowing students to expand on their knowledge of English in more of a business context.

The "Serious Leisure Perspective" (SLP) is a theoretical framework that can help us understand the complexities of modern leisure as both an activity and an experience. Bringing together the study of serious leisure, casual leisure and project-based leisure, it is an essential component of the Leisure Studies curriculum and an invaluable tool for exploring the significance of leisure in contemporary society. This book is the first to offer a comprehensive introduction to the Serious Leisure Perspective, from fundamental principles and key concepts to in-depth and wide-ranging case studies of serious leisure pursuits. The book introduces the history of the SLP and its position alongside other social theories that attempt to explain the nature and function of leisure. It explores important themes such as consumption, gender relations, social capital and quality of life, and delves deeply into the leisure of amateurs, hobbyists, career volunteers and occupational devotees. Every chapter includes a range of useful pedagogical features, such as review questions and group exercises, to help the student to grasp the importance of understanding leisure as a way of understanding contemporary social life and society. Combining cutting-edge theory and method with an engaging and practical interface, this is an essential text for all Leisure Studies courses and illuminating reading for any student working in Tourism, Events, Sport, Recreation, Sociology or Cultural Studies.

'Global' é um curso em seis níveis voltado para adultos. Este material traz uma abordagem que procura levar em consideração as necessidades dos estudantes com ênfase na comunicação tanto em falantes nativos quanto não nativos, apresentando temas de consciência multi-cultural.

New Language Leader takes an intelligent approach to building the confidence and skills students need to succeed in academic study and use English in a globalised world.

The Intelligent Business Workbook consolidates the language of the Intelligent Business Coursebook by providing further practice of key vocabulary, grammar and skills. Throughout the workbook there are Cambridge BEC style tasks to familiarise students with the exam.

The topics throughout the Coursebook have been chosen to appeal to an adult learner's curiosity, and to reflect material that they would naturally read for pleasure in their native language. Critical thinking skills are promoted through the choice of topics and the way the material is exploited.
