A saga of young men and women cruelly kidnapped from their native land to toil mercilessly on foreign soils. The humiliation and inhumane treatment they endure is like none ever recorded on this earth. But even as they struggle with their predicament they remain true to their belief that a higher power will liberate them from their torture. That power manifests in the natives of the land who fare no better than the captives, yet are strong enough to manage some semblance of their former life before the kidnappers came. This allows them to aid the captives until they acquire the wherewithal to help themselves.

As we seek for meaning and purpose in life, we may wonder, "What is it all about?" Along the road of seeking happiness we may have felt hindered, hurt, hopeless, empty or unsettled. We try filling the emptiness with more and more of what we think is good, or to dull the pain. We seek for solutions as we go about our lives, but are not truly content with what we find. That was me, in good measure, in one direction, and then another. Life was my playground, and all about me. I sought happiness in my pleasure; a life of hedonism. What could be more satisfying than a life of pleasure? But that life left me empty. Though I did not want to admit it, I was lost. All my hopes and dreams never delivered me, or brought lasting joy. Although an irreligious man, I started reading the Bible. What could this ancient book bring me? Yet through the reading of it, I found that all I have ever needed was in the universal gospel message of Jesus. He is seeking the lost and finding them, even this day, filling the emptiness, removing despair, and bringing great hope and abundant life. This book may speak to you, through the gospel in each chapter, uniquely. May you find, as I did, that the living Savior is daily seeking and saving the lost.

Have you ever wondered if there is more to life than we can see? Are there really other dimensions within our world? If so, who or what resides there? Do angels and demons truly exist? If so, where are they, and how do they function in our world? What does the Bible say about angels and demons? Is there a biblical mystery that has been overlooked? Lost and Found-My Journey to a Saved Soul will answer these questions and more through uncovering one of the mysteries that has been hidden since the fall of mankind. This mystery is broken down through God given biblical revelation regarding the unseen world. This mystery became a living reality when Michelle Damico and her husband, Chris Damico, entered into the unseen realm on a forty-day journey. They had experienced firsthand what it was like to function within another dimension, also known as the spirit world. It was through, unknowingly, opening a door into forms of witchcraft that entered them into the spirit realm, being led to a shaman and tricked into a ritual that they believed was a marital ceremony. This led to her mother being spiritually attacked, therefore, triggering a subarachnoid hemorrhage and her

mother's near-death experience; Michelle's husband's possession and cry to be institutionalized; and her children being attacked by spirits that desired to possess their soul. Their home was overpowered with evil and deep darkness, and there was nobody they could turn to but Jesus. All glory and honor to our Lord and Savior Jesus Christ for delivering us out of the darkness and into his marvelous light. Giving thanks to the Father, who has qualified us to share in the inheritance of the saints (God's people) in the Light. For He has rescued us and has drawn us to Himself from the dominion of darkness, and has transferred us to the kingdom of His beloved Son, in whom we have redemption [because of His sacrifice, resulting in] the forgiveness of our sins [and the cancellation of sins' penalty]. He is the exact living image [the essential manifestation] of the unseen God [the visible representation of the invisible], the firstborn [the preeminent one, the sovereign, and the originator] of all creation. -Colossians 1:12-15 (AMP)

We are glowing with poems because from the journey of a dream I awoke happy, enveloped in you under covers, my Valentine. Enraptured in the blankets of home with you, of you, our embrace is the brightness of us, with us. We are the morning together, together in love. An awakening is here to be for real at home, a peaceful passion, a satisfaction day, not dreaming but being in the lightness of us, with us. We are warm being the morning sun, like banners waving playfully above the river of Love, these extremely rippling, our streaming, child to the river. Ripples of the day, we stream like banners waving playfully above a gentle brook, child to the stream. The child's babble is joyful enough to be a gurgle in a float-along morning. We splash along, embraced by immersion, the kiss of the day, fantastic and better than a dream.

Above all else, guard your heart, for it is the wellspring of life. -- Proverbs 4:23
They Smell like Sheep, Volume 2: Leading with the Heart of a Shepherd is about more than gimmicks and techniques of leadership. It speaks to the character and heart of the leader. After all, heart makes the difference in an effective Sunday-school teacher, youth minister, elder, small-group leader, parent, grandparent, or Christian school teacher. Spiritual sheep, stray sheep, and searching sheep aren't nearly as concerned about the knowledge and skill of the shepherd as they are about his heart. When finding their way -- at weddings, at funerals, during family crises, and in the hospital -- sheep go to a shepherd in whom they discern God's own heart, like King David of old. Jesus said sheep would know their shepherd's voice and be drawn to it. It is the heart behind the voice that soothes and comforts God's people. How do you measure the influence of a godly shepherd? Without doubt, it's the heart of the shepherd that most powerfully shapes lives and souls in our flocks. If you want your own heart shaped and molded into the likeness of Christ, this book is an excellent place to begin. Be shepherds of God's flock under your care... as God wants you to be. Heeding the call to be a leader is an awesome responsibility. Whether you have been called to serve as a minister or you're teaching an adult Bible study group or you're a teen leading the youth group in song, most assuredly from time to time you

question your abilities and look for support and example. Author Lynn Anderson addresses the starting and ending place of true leadership among God's people: the heart of a shepherd. He presents Jesus, the Head Shepherd, as our only reliable model of godly leadership; he guides us through the Scriptures and gives us practical exercises to strengthen our hearts as we do the difficult yet rewarding work of shepherding people of God with love and grace. Enter the book's pages with the confidence that you are being led by someone who has the heart of a shepherd and who sees himself first as a smelly sheep, dearly loved and led by the Good Shepherd. And when the Chief Shepherd appears, you will receive the crown of glory. -- 1 Peter 5:4

Fabulous piece of writing. It is really quite astounding that Machen is largely forgotten as a writer. In *The Secret Glory*, I particularly loved Machen's satirical social comments about the class system, Christian hypocrisy and the sadistic puritanism of English Public Schools. This isn't always an easy book to read but it is very rewarding, and after reading, like the best literary works, carves out a place for itself in one's psyche. (M.J. Johnson)

The Hudson Review has always had an international focus. Travel and reports from abroad have figured prominently in the journal, including essays on exotic and picturesque locales, as well as accounts from war-torn areas and the experiences of exiles. Many of these are pilgrimages; others are harrowing memoirs. What unites even the most devastating of these accounts are intellectual curiosity and a spirit of adventure. *Places Lost and Found* is a treasury of distinctive and compelling essays selected from six decades of the Hudson Review. From a description of the gardens of Kyoto and a portrait of Syria just before its civil war to reflections on Veblen and the Mall of America, these essays explore an array of places that are deeply layered with history and meaning. The stunning cover photo of the Semper Opera House in Dresden encapsulates many of the themes of the book: war and its aftermath, the importance of the built environment in any discussion of "place," the endurance of civilization and resilience, and of course the romance of travel.

Conceived at the 'city of lakes', raised in a small town, grown as a cosmopolitan, the author values her roots immensely. Gopica had a knack for expressing her opinions through words since her late childhood. Before the realisation of becoming a poet dawned upon her, she was a voracious orator. Always sensitive enough and sensitising other people enough - about social issues & breaking the shallow stereotypes; her fondness for psychology multiplied itself over the years. With an English Hons. Degree and a Masters in Psychology, she always loved to find solace in her studies and used it more like a weapon against what she would call 'her follies'. Being an over achiever as a kid, she tried to expand her intellect as an adult by interacting with people from different cultural walks of life. A self-proclaimed jack of some traits, she has tried her hands on singing, teaching, counselling, playing instruments, bottle painting and the list could go on.

"When the history book is written on the restructuring of this industry, Delta will be the greatest turnaround story in it." --Delta CEO Gerald Grinstein, December 19, 2006 Its reputation was now as tattered as the interiors of its airplanes. Delta Air Lines, on September 14, 2005, was nothing like the world-beating company it had been just five years earlier, let alone decades before that. On this day, Delta found itself surrounded by lawyers, dejectedly filing for bankruptcy. Few believed it could ever reclaim its perch atop the US airline industry. But it did.

Glory Lost and Found: How Delta Climbed from Despair to Dominance in the Post-9/11 Era tells the story of Delta's dramatic tumble into bankruptcy and how it climbed its way back to pre-eminence despite hurricane-force headwinds: high fuel prices, a hostile takeover bid, relentless competition, economic meltdowns and geopolitical shocks. This book stems from a decade of research and countless interviews by Airline Weekly's Seth Kaplan and Jay Shabat. It's a profile in leadership: Delta became not only the greatest turnaround story in its own industry but also one of the greatest in the history of corporate America. Delta did the unimaginable by simultaneously resurrecting its finances and the spirits of its employees and customers. And while redefining itself, Delta also redefined an industry.

Applying fundamentals of marketing to commercial passenger air transportation, this textbook puts the emphasis on marketing principles and illustrative ways in which airlines can distinguish themselves within the highly competitive global marketplace. Fundamentals of Airline Marketing begins with a survey of current airline business strategies and the macro forces that have shaped the airline industry in the past and will continue to do so in the future. The growing importance of technology is discussed both from the perspective of better understanding customer needs and engaging more effectively with them. The central role of the "customer" is explored through the lens of modern segmentation and branding approaches. Coverage then shifts to the tactical decision areas consisting of the 4Ps—product, place, promotion, and price—in which marketers shape and execute their strategies. The book concludes with a focus on executing marketing initiatives internally through customer-facing employee groups and externally through the measurement and management of the customer experience. Fundamentals of Airline Marketing: • is an accessible textbook on the fundamentals of marketing for commercial passenger air transportation; • chronicles the marketing innovations and controversies that have been central to the historic shift in airline fortunes; • demonstrates how airline decisions fit within the fundamentals of marketing and how the marketplace is continuing to evolve; • provides a bridge between key marketing principles and their specific application to the airline industry in each chapter. This textbook is written primarily for undergraduate college students enrolled in aviation business administration programs and related courses. It will also serve as an accessible primer on airline marketing for industry professionals not presently working in marketing and for frontline airline employees seeking to learn more about marketing.

Appalachian folklore, echoes of a Biblical apocalypse, life in a circus town and more come together in the debut short story collection by David E. Peeler. Murderous backwoods preachers pursue the innocent through the mountains of North Carolina and rabbit eared nudists serve as spiritual guides in Lost and Found in Jesus. In the footsteps of writers like Flannery O'Connor and Walker Percy, Peeler explores our common humanity as it is revealed in characters and settings that are strange and eccentric, mystical and scared, often humorous and at times tragic. An Army brat educated in pacifism, a teenage atheist who grew up to be a pastor, David believes in second chances, second acts and the delightful mystery that is grace. David has a Bachelors of Arts in Literature from the College of Charleston, a Masters of Divinity from Duke University Divinity School and a Masters of Fine Arts in Creative Writing from Seattle Pacific University. He lives in North Carolina with his wife and two children where he serves as a United Methodist Minister.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and

Home is where the heart is... Seven years after leaving town and the only girl he loved, Cooper still couldn't forget about Sophia. He had two loves. Music and the woman of his dreams. Coming back home proved that would always be true. But things have changed. Now he has to gain her trust again if he wants to make her all his. The question is, did he lose his chance the first time? Some things are hard to forget... Sophia tried to stop loving Cooper and failed miserably. Despite the way he'd abandoned her seven years earlier, she can't seem to stay away, even though trusting him doesn't prove easy. One careless night could change it all and the secret she carries may ruin any chance of them being together. They say life is all about taking chances. But when opportunities are lost and love comes knocking the second time around, lives are changed forever.

After playing in his final game of the season, Mason Johnson, six-time All Pro wide receiver with the Chicago Bears, learns that his wife, daughter, and parents have been killed in a tragic car accident. For sixteen months, Mason takes time to grieve the loss of his family, and liquidate everything he owns, including his parents' immense estate. His father had been the owner of a large brokerage company in downtown Chicago, which featured several other branch offices in the Midwest. While growing up, Mason hardly knew his parents, instead being raised by his nanny, Sylvia, who took on the role of mother, father, teacher, coach, and friend. Mason's parents had been more interested in the business and social aspects of their lives, ignoring the son who was, to them, a bother. During his final week in Chicago, after all business matters had been settled, Mason becomes privy to a letter that his father had written to him right before he died that explained the reason for his parental inadequacies: Mason had been adopted at birth, and instead of being a relished member of the family, he had only been a constant reminder of his dad's inability to father children. The letter is also a complete revelation of all the details of the adoption, giving the names of his biological parents, and relating how they had given their firstborn up when they were in their teens. Five years later, however, the couple reunited, married, and had three more children. So Mason learns not only the whereabouts of his biological parents, but that they had reunited and produced two brothers and a sister. The eldest son, Eric, died tragically in an accident while on duty with the National Guard when he was only twenty-five years old. This is a story about Mason Johnson's search for his family, and how the revelation of his identity would ensue. But there was one twist . . . His deceased brother's wife, Erica.

The Camino?or The Way?to Santiago is a five-hundred-mile, thirty-three-day walk across Spain's extreme conditions to reach the beloved Cathedral of Santiago. Ron "Willie" Williams walked The Way two and a half times, a total of twelve hundred miles. Why? It is less about what he gains, and more about what he loses along The Way?old behaviors, unforgiveness, and a tendency to play God. Journey with Willie through the chapters of Lost and Found Along The Way, as he sheds these tendencies, and in doing so finds a renewed, richer, and deeper faith. The first few chapters are narrative historical fiction portraying James in Acts 12:2 facing his execution along with supposed reactions from his loved ones. At the end of this narrative, we transition back to nonfiction with the discovery of James' gravesite some eight hundred

years after his martyrdom. Willie then explains how the Camino pilgrimages began along the Camino, also known as, The Way. No other nonfiction book offers such a unique back story of Saint James and the Camino. The following chapters, and the bulk of the book, follow Willie's own Camino journeys, present vivid descriptions of the geography on the trail and historical background provide readers with a nearly firsthand experience of The Camino de Santiago. True and dramatic faith walk stories demonstrate God's hand in people's lives and guide readers to dig deeper into their own spiritual life and get outside their comfort zone. The final chapter of Lost and Found Along The Way instructs fellow sojourners in how to follow Willie's example to strengthen their own faith and share it with those who have lost their own faith?no hiking boots required.

I guess it was around two years ago that I found some poetry that was lost, a gold mine of words, original unseen poetry inside a yellow-stained old diary that dates between 1860 and 1880. I started reading the diary and found myself getting excited with each and every word. I was walking with them, seeing what they saw and feeling what they felt. I decided that since I am an avid lover of poetry and because of the way I felt after reading the diary, I had to share the lost past with everyone. So here we are, two and a half years later: Lost and Found Poetry. This book has eighty lost poems that you have now found. I want you to feel how they felt, see what they saw, hear what they said, live where they lived. So as soon as you open the book to the first page, be ready. You might cry, you might laugh, you will be sad, and you will be happy very religiousbut together, well share what we have found. Lost and Found Poetry. The words are kept in their original format from the diary, and misspellings are the same as in the original. I did not want to take anything away from the words or feeling they wanted us to hear by making corrections. What you will be reading is the original diarys format.

Liz Culkin and Hugh Staynback experience love at first sight while students at Rutgers College in New Jersey, in 1948. Glorifying in their first experience in romantic love, they are convinced that no power on earth could ever come between them. Of course, they are mistaken, as Hugh's commitment to his invalid mother coupled with his other family members' refusal to commit themselves to such an intrusion into their lives, leads to a truly heartbreaking separation of the lovers. This tale traces their lives, alternately, over a span of twenty years during which time they experience the good and the bad, with the latter, especially in Liz's case, being the dominant condition. As a high school principal she becomes entangled with a succession of men of power who resent her success in a male-dominated society and her fierce determination to stand by her principles regardless of the cost to herself. While she is surviving these twenty years, she often longs for the love and devotion she thought she had found in Hugh, who also experiences many difficult years, especially when he is exposed to the ravages of war in Korea. It is during those most difficult years when he frequently immerses himself in his memories of Liz and of the ecstatic love they once shared. Then, one day in 1972 Hugh decides that he must find Liz, and he launches his search in a most unorthodox manner, by reserving a banquet room in a facility in Hackensack, N.J., where he fully intends to be a groom at a wedding reception in the near future.

"We lose and find all the time. We can forget, apprehend or comprehend our surroundings several times each day. Both losing and finding, forgetting and rediscovering the natural and human traces on the prairies might seem like an impossibility. Have we not recorded our impressions and images of prairie life faithfully? Are we not standing on the shoulders of (prairie) giants? One kind of prairie, grain elevators, have been disappearing from the North American prairies for about a generation, and yet they have become (I would argue even more vividly than in the days before they started to disappear) an iconic symbol of a place which is less and less like its imagined past. Our memories (both individual and collective) adjust to such absences by canonizing vanishing saints before it really is too late. We lose the thing and find – we like to think – its essence. We remember artistic renderings of prairie people, landscapes and stories, reading Margaret Laurence's novels or W. L. Morton's history, but we cannot reproduce the pictures and words at will. We know the contours of their labours just the same. We forget, or at least under-advertise, the fact that the Prairie (however it might be divided by provincial or international borders) is also an urban place. We think less often of the fact that we have a transnational prairies, in which an awareness of divergent national pasts and presents is necessary. To acknowledge these complexities is to know, to reclaim and indeed to find the prairies."--BOOK JACKET.

Gillam Hale was born to free parents, and his life was untouched by slavery until his preacher father took him on a trip to minister to the Virginia slaves. Gillam wants beautiful Queen Esther from the moment he sees her, but the only way to purchase her is by distilling illicit whiskey—against his family's advice. Though Gillam achieves his aim, his talent for making fine whiskey earns the wrath of jealous white neighbors, who kidnap Gillam's family and scatter them to plantations throughout the South. Gillam escapes from his new owners, yet he can never be truly free until he finds his lost loved ones, and faces the legacy of his own rash decisions. *The Knees of Gullah Island* follows Gillam, Queen Esther and their son, Joseph, in the years surrounding the Civil War and Reconstruction, when the destiny of a nation hung in the balance. Filled with richly drawn characters and details that bring the past to vibrant life, this is a timeless story of love, loss, hope and rebirth.

proportion of the Hindu population departing Dhaka for India. The borders of the new countries were to follow religious lines; India would be for Hindus, Pakistan for Muslims. What is now known as Bangladesh, previously East Pakistan, saw many of its rajbaris or mansions abandoned, a situation further compounded by the independence war of 1971. In Kolkata, and regional Bengal the family owners of lavish colonial houses also experienced dramatic upheaval and a loss in fortunes following Independence. Both the nation of Bangladesh and the Indian state of Bengal are a treasure store of little visited architectural wonders that seem lost in an earlier time. Photographer Kip Scott, noted for his architectural images, here captures the lavish mansions of Bangladesh and Bengal in all their glory. Ruined, restored, lost and found, the magnificent mansions are an often eclectic blend of Mogul and Classical styles. And here those images are so often accompanied by the street life, work or nature that surrounds and sometimes threatens to encompass them. A foreword on the architecture of the amazing mansions is also included.

Looks at the moments in the biblical narrative when ordinary people, individuals who have sinned or fallen short of the ideal, face God, featuring stories about Jacob, the woman caught in adultery, Job, Peter, and other biblical characters. As the nineteenth century was drawing to a close, several significant social shifts were occurring concurrently in Canada. One of the most significant changes that affected the entire country, was the opening of the Western territories to settlement, and the subsequent development of the provinces Manitoba, Alberta and Saskatchewan. At the same time the expansion of the railway system enabled people to move to previously unheard-of locations with an ease that was inconceivable a generation earlier. Thousands of families were drawn from various places in Canada, each seeking a future in the new land. The story I tell is the account of one such family. All of the characters are real people, who by one means or another found their way into a new community and life. The events are all real, but they are not singular. The kinds of things which happen in this story happened again and again, to various people, in various places, at various times. Henry and Velma's story is the story of countless from countless rural places in Canada, who, for a variety of reasons moved to one city or another looking for an opportunity to build a life. In the process, and in the alienation caused by their dislocation, they came in contact with other people of like mind, who shared a common need: to be loved and accepted as they found their way in the complex society of the twentieth century city.

a secret distrust of parental provision since the age of 14. Money became his biggest hang-up and slave driver, and the childhood financial trauma triggered a quest for worldly success academically and then in the field of finance fueled by fear and anger for the better part of two decades until he got a divine wake-up call. In *Lost and Found: Money vs. Riches*, Roger Lam shares his counterintuitive, God-orchestrated journey of setting free from the slavery to money by following the countercultural Biblical teachings on wealth and possessions. Along the way, he had to repeatedly confront and overcome his underdog mindset, which was a byproduct of his sense of insecurity. Some of the stories are nothing short of supernatural. Without a doubt, Roger Lam has suffered monetary losses in his lifetime, but what he found instead over the course of his journey is of infinite and eternal value. By telling his story with great transparency and vulnerability, the life lessons that can be extracted from each chapter are potentially transformative and redemptive to our world, which has been blinded to awareness of the real truth of provision.

Glory Lost and Found How Delta Climbed from Despair to Dominance in the Post-9/11 Era

Through the twists and turns of life, author Joana Okudzeto Biekro has been overwhelmed by the amazing grace of God. In *Lost and Found*, she offers her love story with God, a documentation of God's goodness in the simple life of an African child from Ghana. Narrating a story of adversity and triumph, Joana shares the challenges she and her family faced including losing her father when she was just three years old. From near-death situations to dealing with a learning disability, she tells how the grace of God guided her and sent the right people into her life at the right times. She shares the story of how she became lost in her journey from Africa to the United States but found her way through her relationship with God. A wake-up call for the salvation of souls, *Lost and Found* unravels the amazing saving grace of God from a place of death to one of life, from a place of being lost to a place of being found.

30 days of reflections from the stillness of the time-out chair in the midst of the hustle and bustle of one busy woman's topsy turvy life.

Common people. Maybe you heard their names in a childhood Sunday school class. They're not often the champions or the go-to sermon illustrations. They probably didn't stand at the foot of the cross or even hang next to Jesus on one of their own. But they pepper the pages of the Bible, reminding us that we're not alone. Just like you and me, these ordinary people stumbled and struggled. They faced their own sin and came face to face with a God who not only wipes it away, but also makes the common extraordinary. They discovered that an encounter with the living God changes everything. Dive into the lives of more than twenty of the Bible's most compelling characters through inspirational selections from the writings of bestselling author Max Lucado. An ideal companion volume to *Cast of Characters*, this book features a whole new cast and the encouragement from their stories.

"The most remarkable feature of man's future is its flexibility. It is determined by his attitudes rather than by his acts. The cornerstone on which all things are based is man's concept of himself." - Neville Goddard, *Out of This World* This title shows the same intensity of thought and conviction that had made Neville famous amongst progressive thinkers. Here he explains the power of imagination and offers detailed visualization/mediation techniques that are out of this world! Learn what thinking fourth dimensionally is all about and discover how to change your future and make your desires in the invisible manifest in this physical realm. In *Out of This World* we see not only a profound religious feeling, but also a sense of the dignity and responsibility of human life. Our own feeling about the results of his experiments as a whole is that they are not just an addition to our existing knowledge, but require a revolution in our whole way of thinking about the world.

"Jenna Bouvier is losing everything: beauty, family, and wealth. When her emotionally destructive mother-in-law accuses Jenna of an affair with her spiritual director and threatens to expose them, Jenna also risks losing her reputation as a woman of faith. She must choose between bowing to her mother-in-law's controlling wishes or fighting for what she holds dear. As Jenna loses her life, will she find it? Andee Bell has found exactly what she wanted: fame, fortune, respect, and a special man--Jenna's brother. Despite the success, a secret quells her contentment. As memories torment, Andee can pursue peace in a relationship with God or sabotage herself while taking down the only person she cares about. As Andee finds her life, will she lose it? Moving between San Francisco and the Napa Valley, Jenna and Andee form an unlikely relationship that leads them to a crossroad. They can follow familiar inclinations, or risk it all and walk in faith."--P. [4] of cover.
