Why Some Prayers Work, Why Some Don't, and How You and God Can Change Things for Good

How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when

we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you.

“When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him.” Are you longing to hear God's voice, but feeling disconnected? From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life

Where To Download God Is Able Priscilla Shirer

was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. . Originally published: Sisters, Or.: Multnomah Publishers, c2003.

The Armor of God is a seven-session Bible study for teens (7th-12 grade) that focuses on Ephesians 6.

Even in churches and movements founded on the truths of the Bible, man-centered approaches have often quickly eclipsed the simple power of the Gospel. The result is spiritual infertility and weariness in religion. The burnout and ineffectiveness of most evangelical churches is proof enough of the problem. J.D. Greear's new book, simply titled Gospel, cuts through the superficiality of religion and reacquaints readers with the revolutionary truth of the Gospel. If we can ever just grasp what the Gospel shows us about God, that will

lead us from a life of self-involvement to one of joy, freedom, love, and radical generosity. We are freed from meaninglessness and selfishness by the beautiful truth about Jesus. Most effectively, Greear anchors the mission and theology within the writing here with a disciplined daily "gospel prayer" he wrote celebrating God's faithfulness, presence, love, and promise. It begins to give readers an applicable, exciting vision of how God might use them to bring His healing to this world.

In this second book in The Prince Warriors trilogy, the Prince Warriors face new challenges on earth and in the unseen realm of Ahoratos. The enemy, angry about his last defeat, is targeting them with weapons and tactics they had never imagined, including the flaming Olethron. The kids must turn to Ruwach and the Source, who can give them more pieces of armor to help them stand strong against this deadly threat. The choice of a devotional book is more personal than most. This kind of reading is not merely for the purpose of leisure and enjoyment. No, with this kind of resource you're expecting and praying for something more. You want to hear from God, receive His direction, and be refreshed in the depths of your soul. Only God's Word can do that. So you need to choose wisely. With her first devotional book, Priscilla Shirer makes your choice easy. For even though she's written multiple best-selling books and Bible studies, including the 2016 ECPA "Christian Book of the Year" (Fervent), even though she regularly speaks to thousands at conference venues and churches around the world, even though she was the lead actress in a #1 box-office feature film (War Room) . . . It all starts for Priscilla where it all starts for you. Alone with God. Alone with His Word. Eager to hear His voice. Prepared to humbly and obediently respond. She hopes, more than anything else, that the daily insights you receive in these pages will challenge, encourage, and strengthen you in every
