

God S War On Terror Islam Prophecy And The Bible

Reza Aslan

God's War on Terror Walid Shoebat, Joel Richardson, 2008 Proposes that the Middle East and the Islamic faith--rather than Europe and Christianity--will initiate the End of Times, discussing the connections between the Bible, current world events, the Koran, and the Antichrist.

Why I Left Jihad Walid Shoebat, 2005 A former Palestine Liberation Organization terrorist details his rejection of militant Islam and acceptance of traditional Christian interpretation of biblical prophecies regarding Israel.

Why We Want to Kill You Walid Shoebat, 2007 A self-confessed former Islamic terrorist reveals why he and his former colleagues commit acts of violence and genocide, and are eager for the next opportunity, in a book that also discusses how to defeat terrorism.

Islam & Christianity Tim Roosenberg, Tim Lale, 2011 After a decade of careful study and scholarly legwork, international speaker Tim Roosenberg unveils a staggering new study of Bible prophecy that demonstrates that God's Word is not silent regarding Islam in these last days.

Mideast Beast Joel Richardson, 2012 Whereas most students of the Bible have long held that some form of humanism or universalist religion would catapult the Antichrist to world power, this book systematically proves the biblical case for an Islamic Antichrist.

The Islamic Antichrist Joel Richardson, 2009 In 'The Islamic Antichrist', Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away. His book will stun readers unaware of the similarities between the Antichrist and the Islamic Jesus. His research on the relationship between Christian end-time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come. This is the book to read to understand Islam's potential role in fulfilling the prophecies of the Bible--Page 2 of cover.

In Satan's Footsteps Theodore Shoebat, 2010-02-16 This book is about evil throughout history and how it interconnects. Exposes connections between cults and Islam. Amazingly, written by a 16 year-old son of a former Muslim terrorist, In Satan's Footsteps will make you re-think a lot of your existing paradigms about the history you've been taught.

Antichrist Joel Richardson, 2006 A highly acclaimed and fascinating examination of Islamic and biblical end-time prophecies. Discover the startling similarities between the biblical Antichrist and Islam's Messiah figure known as Imam al-

Mahdi. A must read for anyone interested in Islam, Bible prophecy or the underlying spiritual factors behind many of today's current events.

The Case for Islamophobia Walid Shoebat, Ben Barrack, 2013 Jihad by the word uses the sword of lies to destroy its enemy while America continues to leave sheathed, the sword of truth. Truth always defeats lies but until it actually becomes the weapon of choice for the righteous, the righteous will always fail because they can neither compete with nor relate to the cunning and deceit inherent in the lies of various forms of Jihad.--Page 4 of cover.

Unholy War Randall Price, 2001 A concise examination of the Middle East conflict surrounding Jerusalem provides historical information while considering Jewish and Arab claims to the city, the political significance of the conflict, and the prospects for both war and peace. Original.

Jesus, Jihad and Peace Michael Youssef, 2015-02-17 Judaism, Christianity, and Islam all feature parallel accounts of the end times, and all three accounts feature a messianic Savior, an apocalyptic final war between good and evil, and a central role for the city of Jerusalem. Do these three end times scenarios intersect in some way? In a world that cries out for peace, which will prevail -- Jesus or jihad?

Armageddon, Oil, and Terror John F. Walvoord, Mark Hitchcock, 2007-09-28 Updating the work of renowned biblical scholar John F. Walvoord, who famously predicted current world events, Armageddon, Oil, and Terror offers shocking predictions on the future of terrorism, oil-based economics, and nuclear war in the Middle East. In all, Armageddon, Oil, and Terror sheds light on 12 events related to end-time prophecies that seem eerily close to coming true. Includes materials from lectures and discussions after 9/11 and incorporates vital, updated material from other Walvoord classics. It is as current as today's news . . . and every prediction rings true.

From Abraham to Armageddon T. W. Tramm, 2014-12-08 Most Christians are either misinformed or blissfully unaware of how current events in the Middle East portend the fulfillment of major Bible prophecies. 'From Abraham to Armageddon: The Convergence of Current Events, Bible Prophecy, and Islam, ' explains how past, present, and future events in the Middle East relate to the rise of the Bible's Islamic Antichrist. From the beginning of the Arab-Israeli conflict, to the birth of Islam, to the rise, demise, and ultimate regeneration of an Islamic empire, or Caliphate, that will lead to a climactic showdown at Armageddon, T.W. Tramm makes sense of Bible passages that have baffled scholars for centuries: Learn about the mystery of 666; the seven-headed, ten-horned beast of Revelation and its mysterious 'head wound'; the 'image of the beast'; and much more. (NOTE: This book has an updated cover; the content remains the same.)

The Way of the Strangers Graeme Wood (Journalist), 2017 The Way of the Strangers is an intimate journey into the minds of the Islamic State's true believers. From the streets of Cairo to the mosques of London, Wood interviews supporters, recruiters, and sympathizers of the group...Wood speaks with non-Islamic State Muslim scholars and jihadists, and explores

the group's idiosyncratic, coherent approach to Islam...Through character study and analysis, Wood provides a clear-eyed look at a movement that has inspired so many people to abandon or uproot their families.

Unholy War John L. Esposito,2003 Of the intellectual underpinnings of the more radical elements of contemporary Islam.

Muhammad: A Very Short Introduction Jonathan A.C. Brown,2011-03-24 Drawing on traditional Muslim sources, Michael Cook describes Muhammad's life and teaching. He also attempts to stand back from this traditional picture to show how far it is historically justified.

Mystery Babylon Joel Richardson,2017 Mystery Babylon is an in-depth look at the prophecy of Revelation 17 and 18. Richardson dissects the longest prophecy in the New Testament - the final chapters of the Bible - in order to make sense of these deeply elusive and profoundly controversial passages.

Jesus Wars John Philip Jenkins,2010-02-20 The Fifth-Century Political Battles That Forever Changed the Church In this fascinating account of the surprisingly violent fifth-century church, PhilipJenkins describes how political maneuvers by a handful of powerful charactersshaped Christian doctrine. Were it not for these battles, today's church could beteaching something very different about the nature of Jesus, and the papacy as weknow it would never have come into existence. Jesus Wars reveals the profoundimplications of what amounts to an accident of history: that one faction ofRoman emperors and militia-wielding bishops defeated another.

No god but God: The Origins and Evolution of Islam Reza Aslan,2012-08-14 Engaging, accessible, and thought-provoking, No god but God is a persuasive, elegantly written, and accessible introduction for young readers to a faith that for much of the West remains shrouded in ignorance and fear. Adapted for young readers from No god but God: The Origins, Evolution, and Future of Islam, this exploration of Islam by Reza Aslan, internationally acclaimed scholar of comparative religion, delves into the rituals and traditions of a religion that is largely misunderstood by the West. It covers the religion's origins—the revelation of Muhammad as Prophet and the subsequent uprising against him, and the emergence of his successors—as well as Islam's complex history. No god but God is sure to stimulate discussion and encourage understanding of the Islamic faith and the people who follow it. Praise for No god But God: The Origins, Evolution, and Future of Islam of Islam “This welcome addition to Islamic studies provides a valuable context for reflection about the origins of issues facing Muslims and their neighbors today.”—Publishers Weekly “An introduction to Islam as evocative as it is provocative.”—Kirkus Reviews “Wise and passionate book.”—New York Times Financial Times Best Book of the Year

[The Middle East in Bible Prophecy](#) United Church of God,2010-08-20 The Arab Spring, the continuing Israel - Palestine conflict... why does the Middle East dominate the news headlines so often? One obvious answer is oil, the lifeblood of our modern world. The crucial importance of oil alone ensures that the Middle East will remain in the headlines for years. The Middle East is also the birthplace of the world's three great monotheistic religions—Judaism, Christianity and Islam. It has

also been the battlefield for each religion—trying to control the territory they consider holy. Nowhere are these conflicts more obvious than in Israel, and specifically in Jerusalem. Whether you understand it or not, events in the Middle East are destined to affect the lives of every person on earth! Bible prophecy gives us the clues to understand what will happen. This ebook, *The Middle East in Bible Prophecy*, will help you better understand the troubled history of the Middle East—and its tumultuous future. Chapters in this ebook: -- Introduction: Worlds in Turmoil -- The Middle East: Worlds in Collision -- The Sons of Abraham -- The Rise and Fall of Ancient Israel -- The Four Empires of Daniel's Prophecies -- The Coming of Islam -- The Jews: From the Dispersion to the Modern Israeli State -- The Creation of the Modern Middle East -- A Rising Tide of Arab Nationalism -- Fundamentalist Islam Resurges -- Anger Mounts Following Gulf War -- Not Enemies Forever -- Why Do People Hate Us So Much? -- War and Peace in the Middle East -- What Is the Abomination of Desolation? -- Prophecy of an Arab Confederation -- What Should You Do? Inside this Bible Study Aid ebook: It's impossible to understand the present Middle East without a knowledge of the three great religions that emanate from the area—Judaism, Christianity and Islam. These three faiths all trace their spiritual roots back to the same individual, Abraham. However, conflict between Christians and Muslims has been a constant theme of history for 14 centuries. Many other factors have contributed to the rise of Islamic fundamentalism and subsequent terrorism, including the Israeli-Palestinian problem and the domination of American culture. After so much death and destruction, and centuries of war and unrest in the Middle East, imagine what a difference the second coming of Jesus Christ will make.

God S War On Terror Islam Prophecy And The Bible Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has be evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **God S War On Terror Islam Prophecy And The Bible** , a literary masterpiece that delves deep into the significance of words and their affect our lives.
