

## Gods Long Summer

This is a story told by a boy in his thirteenth year, recorded in his secret diary. His life is about to change; his world, about to open. He lives in Montedidio—God’s Mountain—a cluster of alleys in the heart of Naples. He brings a paycheck home every Saturday from Mast’Errico’s carpentry workshop where he sweeps the floor. He is on his way to becoming a man—his boy’s voice is abandoning him. His wooden boomerang is neither toy nor tool, but something in between. Then there is Maria, the thirteen-year-old girl who lives above him and, like so many girls, is wiser than he. She carries the burden of a secret life herself. She’ll speak to him for the first time this summer. There is also his friendship with a cobbler named Rafaniello, a Jewish refugee who has escaped the horrors of the Holocaust, who has no idea how long he’s been on this earth, and who is said to sprout wings for a blessed few. It is 1963, a young man’s summer of discovery. A time for a boy with innocent hands and a pure heart to look beyond the ordinary in everyday things to see the far-reaching landscape, and all of its possibilities, from a rooftop terrace on God’s Mountain.

Named a Most Anticipated Book of 2020 by Apple Books, Literary Hub, The Millions, and The Week An indelible novel of teenage alienation and adult complacency in an unraveling world. Pulitzer Prize finalist Lydia Millet’s sublime new novel—her first since the National Book Award long-listed *Sweet Lamb of Heaven*—follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, who pass their days in a stupor of liquor, drugs, and sex, the children feel neglected and suffocated at the same time. When a destructive storm descends on the summer estate,

the group's ringleaders—including Eve, who narrates the story—decide to run away, leading the younger ones on a dangerous foray into the apocalyptic chaos outside. As the scenes of devastation begin to mimic events in the dog-eared picture Bible carried around by her beloved little brother, Eve devotes herself to keeping him safe from harm. A Children's Bible is a prophetic, heartbreaking story of generational divide—and a haunting vision of what awaits us on the far side of Revelation.

More than two decades ago, John Galliano and Alexander McQueen arrived on the fashions scene when the business was in an artistic and economic rut. Both wanted to revolutionize fashion in a way no one had in decades. They shook the establishment out of its bourgeois, minimalist stupor with daring, sexy designs. They turned out landmark collections in mesmerizing, theatrical shows that retailers and critics still gush about and designers continue to reference. Their approach to fashion was wildly different—Galliano began as an illustrator, McQueen as a Savile Row tailor. Galliano led the way with his sensual bias-cut gowns and his voluptuous hourglass tailoring, which he presented in romantic storybook-like settings. McQueen, though nearly ten years younger than Galliano, was a brilliant technician and a visionary artist who brought a new reality to fashion, as well as an otherworldly beauty. For his first official collection at the tender age of twenty-three, McQueen did what few in fashion ever achieve: he invented a new silhouette, the Bumster. They had similar backgrounds: sensitive, shy gay men raised in tough London neighborhoods, their love of fashion nurtured by their doting mothers. Both struggled to get their businesses off the ground, despite early critical success. But by 1997, each had landed a job as creative director for couture houses owned by French tycoon Bernard Arnault, chairman of LVMH.

Galliano's and McQueen's work for Dior and Givenchy and

beyond not only influenced fashion; their distinct styles were also reflected across the media landscape. With their help, luxury fashion evolved from a clutch of small, family-owned businesses into a \$280 billion-a-year global corporate industry. Executives pushed the designers to meet increasingly rapid deadlines. For both Galliano and McQueen, the pace was unsustainable. In 2010, McQueen took his own life three weeks before his womens' wear show. The same week that Galliano was fired, Forbes named Arnault the fourth richest man in the world. Two months later, Kate Middleton wore a McQueen wedding gown, instantly making the house the world's most famous fashion brand, and the Metropolitan Museum of Art opened a wildly successful McQueen retrospective, cosponsored by the corporate owners of the McQueen brand. The corporations had won and the artists had lost. In her groundbreaking work *Gods and Kings*, acclaimed journalist Dana Thomas tells the true story of McQueen and Galliano. In so doing, she reveals the revolution in high fashion in the last two decades—and the price it demanded of the very ones who saved it.

NATIONAL BESTSELLER - SOON TO BE A MAJOR MOTION PICTURE starring Abigail Cowen, Tom Lewis, Nina Dobrev, with Logan Marshall Green and Eric Dane, special appearance by Famke Janssen. Distributed by Universal Pictures with a screenplay by Francine Rivers and D.J.

Caruso. California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies

Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, *Redeeming Love* is a life-changing story of God's unconditional, redemptive, all-consuming love. Includes a six-part reading group guide!

**NEW YORK TIMES BESTSELLER** The “paradigm-influencing” book (*Christianity Today*) that is fundamentally transforming our understanding of white evangelicalism in America. *Jesus and John Wayne* is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with “a spiritual badass.” As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today’s evangelicals might not be theologically astute, but they know their *VeggieTales*, they’ve read John Eldredge’s *Wild at Heart*, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “Christian America.” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were

uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

Christopher Hitchens, described in the London Observer as “one of the most prolific, as well as brilliant, journalists of our time” takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell’s *Why I Am Not a Christian* and Sam Harris’s recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope’s awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

Rick Riordan's Norse hero faces his greatest challenge yet in the final instalment of the series. Loki the trickster god is free from his chains. Now he's readying Naglfar, the Ship of the Dead, armed with a host of giants and zombies, to sail

against the Norse gods and begin the final battle of Ragnarok. It's up to Magnus Chase and his friends to stop Loki's plans, but to do so they will have to sail across the oceans of Midgard, Jotunheim and Niflheim in a desperate race to reach Naglfar before it's ready to sail on Midsummer's Day. Along the way, they will face angry sea gods, hostile giants, and an evil fire-breathing dragon who happens to be a former acquaintance. But Magnus's biggest challenge will be facing his own inner demons. To defeat Loki, Magnus will need to use words, not force. This will require finding a magical elixir so deadly that it will either make Magnus Chase powerful enough to out-talk the silver-tongued Loki, or destroy Magnus utterly.

**NATIONAL BESTSELLER • A New York Times Notable Book**

• This fiery and provocative novel from the acclaimed Nobel Prize winner weaves a tale about the way the sufferings of childhood can shape, and misshape, the life of the adult. At the center: a young woman who calls herself Bride, whose stunning blue-black skin is only one element of her beauty, her boldness and confidence, her success in life, but which caused her light-skinned mother to deny her even the simplest forms of love. There is Booker, the man Bride loves, and loses to anger. Rain, the mysterious white child with whom she crosses paths. And finally, Bride's mother herself, Sweetness, who takes a lifetime to come to understand that "what you do to children matters. And they might never forget."

Lived Theology contains the work of an emerging generation of theologians and scholars who pursue research, teaching, and writing as a form of public responsibility motivated by the conviction that theological ideas aspire in their inner logic toward social expression. Written as a two-year

collaboration of the Project on Lived Theology at the University of Virginia, this volume offers a series of illustrations and styles that distinguish Lived Theology in the broader conversation with other major approaches to the religious interpretation of embodied life. The book begins with a modest query: How might theological writing, research, and teaching be expanded to engage lived experience with the same care and precision given by scholars to books and articles? Behind this question lies the claim that theological engagements and interpretations of lived experience offer rich and often surprising insights into God's presence and activity in the world. Answers to, and explorations of, this question form the narrative framework of this groundbreaking volume. Lived theology is shown to be an exceedingly curious enterprise, transgressing disciplinary boundaries as a matter of course, examining circumstance, context, and motivation, and marshalling every available resource for the sake of discerning the theological shape of enacted and embodied faith. Understanding the social consequences of theological ideas is a task with wide ranging significance, inside the academy and in the broader forums of civic discussion. Contributors consider Lived Theology from a diverse array of experiences and locations, including towns in Mississippi struggling with histories of racist violence and murder; a homeless shelter in Atlanta; churches

in the Democratic Republic of Congo; faith based volunteer organizations in Columbus, Ohio; and a college classroom in the Midwest. This innovative work offers a fresh and exciting model for scholars, teachers, practitioners, and students seeking to reconnect the lived experience of faith communities with academic study and reflection.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work. A noted theologian explains how the radical idea of Christian love animated the African American civil rights movement and how it can power today's social justice struggles Speaking to his supporters at the end of the Montgomery bus boycott in 1956, Martin Luther King, Jr., declared that their common goal was not simply the end of segregation as an institution. Rather, "the end is reconciliation, the end is redemption, the end is the creation of the beloved community." King's words reflect the strong religious convictions that motivated the African American civil rights movement. As King and his allies saw it, "Jesus had founded the most revolutionary movement in human history: a movement built on the unconditional love of God for the world and the mandate to live in that love." Through a commitment to this idea of love and to the practice of nonviolence, civil rights leaders sought to transform

the social and political realities of twentieth-century America. In *The Beloved Community*, theologian and award-winning author Charles Marsh traces the history of the spiritual vision that animated the civil rights movement and shows how it remains a vital source of moral energy today. *The Beloved Community* lays out an exuberant new vision for progressive Christianity and reclaims the centrality of faith in the quest for social justice and authentic community.

An account of the Elaine Massacre in Hoop Spur, Arkansas, traces the events that led to the killings of more than 100 black citizens by white mobs and federal troops, describing the related condemnations of twelve African-American men, the contributions of former slave and attorney Scipio Africanus Jones, and the landmark *Moore v. Dempsey* case. Reprint. A portrait of the German pastor-theologian draws on new research to cover the 1930 visit to America that shaped his perspectives on faith and moral responsibility, his achievements as an anti-Nazi activist and the plot against Hitler that would result in his execution. 35,000 first printing.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on

our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.

From the two-time Pulitzer Prize–winning author, *God's Crucible* brings to life “a furiously complex age” (New York Times Book Review). Resonating as profoundly today as when it was first published to widespread critical acclaim a decade ago, *God's Crucible* is a bold portrait of Islamic Spain and the birth of modern Europe from one of our greatest historians. David Levering Lewis's narrative, filled with accounts of some of the most epic battles in world history, reveals how cosmopolitan, Muslim al-Andalus flourished—a beacon of cooperation and tolerance—while proto-Europe floundered in opposition to Islam, making virtues out of hereditary aristocracy, religious intolerance, perpetual war, and slavery. This masterful history begins with the fall of the Persian and Roman empires, followed by the rise of the prophet Muhammad and five centuries of engagement between the Muslim imperium and an emerging Europe. Essential and urgent, *God's Crucible* underscores the importance of these early, world-altering events whose influence remains as current as today's headlines.

For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their

own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In *Paths to God*, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, *Paths to God* is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.

In the summer of 1964, the turmoil of the civil rights movement reached its peak in Mississippi, with activists across the political spectrum claiming that God was on their side in the struggle over racial justice. This was the summer when violence against blacks increased at an alarming rate and when the murder of three civil rights workers in Mississippi resulted in national media attention. Charles Marsh

takes us back to this place and time, when the lives of activists on all sides of the civil rights issue converged and their images of God clashed. He weaves their voices into a gripping narrative: a Ku Klux Klansman, for example, borrows fiery language from the Bible to link attacks on blacks to his "priestly calling"; a middle-aged woman describes how the Gospel inspired her to rally other African Americans to fight peacefully for their dignity; a SNCC worker tells of harrowing encounters with angry white mobs and his pilgrimage toward a new racial spirituality called Black Power. Through these emotionally charged stories, Marsh invites us to consider the civil rights movement anew, in terms of religion as a powerful yet protean force driving social action. The book's central figures are Fannie Lou Hamer, who "worked for Jesus" in civil rights activism; Sam Bowers, the Imperial Wizard of the White Knights of the Ku Klux Klan of Mississippi; William Douglas Hudgins, an influential white Baptist pastor and unofficial theologian of the "closed society"; Ed King, a white Methodist minister and Mississippi native who campaigned to integrate Protestant congregations; and Cleveland Sellers, a SNCC staff member turned black militant. Marsh focuses on the events and religious convictions that led each person into the political upheaval of 1964. He presents an unforgettable American social landscape, one that is by turns shameful and inspiring. In conclusion,

Marsh suggests that it may be possible to sift among these narratives and lay the groundwork for a new thinking about racial reconciliation and the beloved community. He maintains that the person who embraces faith's life-affirming energies will leave behind a most powerful legacy of social activism and compassion.

Do you wonder if miracles from God truly occur in today's world? Are you afraid walking in Christian faith requires too much sacrifice? Then perhaps you've never received a phone call from heaven. Ken Gaub did, and for this world evangelist it was a wake-up call that the God who talked with Adam in the cool of the Garden has never abandoned mankind, and stays in close contact with us still today. Gaub's unique blend of humor and straightforward teaching make this book a delightful read for anyone wishing to renew the strength of faith. This humble servant relates how his young faith in God prevented him from "chickening-out" when preaching to his first "congregation," and continues with the state of things today as he travels worldwide on missions for Christ.

From master author R. F. Delderfield, the first in the beloved classic *God Is an Englishman* series. The first novel in the epic *God Is an Englishman* series, this book is a stirring saga of England in the 19th century, as the Industrial Revolution takes hold, forever changing the landscape of England and her

people. Adam Swann, scion of an army family, returns home in 1858 after service with Her Majesty's army in the Crimea and India, determined to build his fortune in the dog-eat-dog world of Victorian commerce. Swann is soon captivated by Henrietta, the high-spirited daughter of a local mill owner. As Swann works to build his name, he and Henrietta share adventures, reversal, and fortune. A beloved novel by a beloved author, *God Is an Englishman* is a treasure both for Delderfield fans and the growing legion of fans of historical fiction. "R. F. Delderfield is a born storyteller." *Sunday Mirror* "A book to get lost in... An epic historical novel artfully constructed." *New York Times Book Review* "A novel in the grand tradition of Thackeray and Dickens." *Milwaukee Journal* "A delightful bounty of characters fairly jumps from the pages of *God Is an Englishman*." *Columbus Dispatch*

Through five intensely personal and emotional stories, Marsh asks us to consider the civil rights movement anew and to view religion as a powerful yet protean force driving social action.

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

*God's Long Summer* Stories of Faith and Civil Rights  
Princeton University Press

Cast size: medium.

An Imperfect God is a major new biography of Washington, and the first to explore his engagement with American slavery. When George Washington wrote his will, he made the startling decision to set his slaves free; earlier he had said that holding slaves was his "only unavoidable subject of regret." In this groundbreaking work, Henry Wiencek explores the founding father's engagement with slavery at every stage of his life--as a Virginia planter, soldier, politician, president and statesman. Washington was born and raised among blacks and mixed-race people; he and his wife had blood ties to the slave community. Yet as a young man he bought and sold slaves without scruple, even raffled off children to collect debts (an incident ignored by earlier biographers). Then, on the Revolutionary battlefields where he commanded both black and white troops, Washington's attitudes began to change. He and the other framers enshrined slavery in the Constitution, but, Wiencek shows, even before he became president Washington had begun to see the system's evil. Wiencek's revelatory narrative, based on a meticulous examination of private papers, court records, and the voluminous Washington archives, documents for the first time the moral transformation culminating in Washington's determination to emancipate his slaves. He acted too late to keep the new republic from perpetuating

slavery, but his repentance was genuine. And it was perhaps related to the possibility--as the oral history of Mount Vernon's slave descendants has long asserted--that a slave named West Ford was the son of George and a woman named Venus; Wiencek has new evidence that this could indeed have been true. George Washington's heroic stature as Father of Our Country is not diminished in this superb, nuanced portrait: now we see Washington in full as a man of his time and ahead of his time.

Magnus Chase has seen his share of trouble. Ever since that terrible night two years ago when his mother told him to run, he has lived alone on the streets of Boston, surviving by his wits, staying one step ahead of the police and truant officers. On

Avatar: The Last Airbender meets Gladiator in the first book in this epic fantasy duology in which two warriors must decide where their loyalties lie as an ancient war between immortals threatens humanity—from Sara Raasch, the New York Times bestselling author of the Snow Like Ashes series, and Kristen Simmons, acclaimed author of Pacifica and The Deceivers. Perfect for fans of An Ember in the Ashes, And I Darken, and The Winner's Curse. Ash is descended from a long line of gladiators, and she knows the brutal nature of war firsthand. But after her mother dies in an arena, she vows to avenge her by overthrowing her fire god, whose temper has stripped her country of its resources. Madoc grew up fighting on the streets to pay his family's taxes. But he hides a dangerous secret: he doesn't have the

earth god's powers like his opponents. His elemental gift is something else—something that hasn't been seen in centuries. When an attempted revenge plot goes dangerously wrong, Ash inadvertently throws the fire and earth gods into a conflict that can only be settled by deadly, lavish gladiator games, throwing Madoc in Ash's path. She realizes that his powers are the weapon her rebellion needs—but Madoc won't jeopardize his family, regardless of how intrigued he is by the beautiful warrior. But when the gods force Madoc's hand, he and Ash uncover an ancient war that will threaten more than one immortal—it will unravel the world.

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr.

Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

Examines the influence of religion on the civil rights struggle at its peak in Mississippi during the summer of 1964, highlighting the events and religious convictions that drove whites and blacks of every allegiance into the civil rights upheaval. UP.

The beloved, bestselling classic that became the movie, *A CHRISTMAS STORY* -- humorous and nostalgic Americana, reissued in a strikingly designed paperback edition. Before Garrison Keillor and Spalding Gray there

was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant--and utterly hilarious--works of comic art. In *God We Trust: All Others Pay Cash* represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In *God We Trust*, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri. The Pulitzer Prize-winning history of the Scopes Trial and the battle over evolution and creation in America's schools. In the summer of 1925, the sleepy hamlet of Dayton, Tennessee, became the setting for one of the twentieth century's most contentious courtroom dramas, pitting William Jennings Bryan and the anti-Darwinists against a teacher named John Scopes, represented by Clarence Darrow and the ACLU, in a famous debate

over science, religion, and their place in public education. That trial marked the start of a battle that continues to this day in cities and states throughout the country. Edward Larson's classic *Summer for the Gods* -- winner of the Pulitzer Prize in History -- is the single most authoritative account of this pivotal event. An afterword assesses the state of the battle between creationism and evolution, and points the way to how it might potentially be resolved.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* **NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER** Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

The war for Deius begins, but first, the battle for Sirin must be fought. In this third and action-packed installment of *Shiva XIV*, Ayn yearns for freedom while Srah and Axis find their true home. All the while, Yol Notama brings *The Tah* to the edge of madness! Fates

will be decided and old Gods will awaken as the most ancient of riddles is finally answered.

The Practice of the Presence of God is a wonderful text, compiled by Father Joseph de Beaufort, of the teachings of Brother Lawrence (born Nicholas Herman), a Carmelite Monk. The beautiful compilation includes letters, as well as records of his conversations kept by Brother Lawrence's interlocutors.

A NEW YORK TIMES EDITORS' PICK • A TODAY SUMMER READING LIST PICK • AN ENTERTAINMENT WEEKLY BEST DEBUT OF SUMMER PICK • A PEOPLE BEST BOOK OF SUMMER PICK A poetic and raw coming-of-age memoir about Blackness, masculinity, and addiction “Punch Me Up to the Gods obliterates what we thought were the limitations of not just the American memoir, but the possibilities of the American paragraph. I’m not sure a book has ever had me sobbing, punching the air, dying of laughter, and needing to write as much as Brian Broome’s staggering debut. This sh\*t is special.” —Kiese Laymon, New York Times bestselling author of Heavy “Punch Me Up to the Gods is some of the finest writing I have ever encountered and one of the most electrifying, powerful, simply spectacular memoirs I—or you—have ever read. And you will read it; you must read it. It contains everything we all crave so deeply: truth, soul, brilliance, grace. It is a masterpiece of a memoir and Brian Broome should win the Pulitzer Prize for writing it. I am in absolute awe and you will be, too.” —Augusten Burroughs, New York Times bestselling author of Running with Scissors Punch Me Up to the Gods

introduces a powerful new talent in Brian Broome, whose early years growing up in Ohio as a dark-skinned Black boy harboring crushes on other boys propel forward this gorgeous, aching, and unforgettable debut. Brian's recounting of his experiences—in all their cringe-worthy, hilarious, and heartbreaking glory—reveal a perpetual outsider awkwardly squirming to find his way in.

Indiscriminate sex and escalating drug use help to soothe his hurt, young psyche, usually to uproarious and devastating effect. A no-nonsense mother and broken father play crucial roles in our misfit's origin story. But it is Brian's voice in the retelling that shows the true depth of vulnerability for young Black boys that is often quietly near to bursting at the seams. Cleverly framed around Gwendolyn Brooks's poem "We Real Cool," the iconic and loving ode to Black boyhood, *Punch Me Up to the Gods* is at once playful, poignant, and wholly original. Broome's writing brims with swagger and sensitivity, bringing an exquisite and fresh voice to ongoing cultural conversations about Blackness in America.

The hero of the novel, Mr. Barnstaple, is a depressive journalist working for the newspaper "The Liberal." At the beginning of the story, Barnstaple, as well as a few other Englishmen, are accidentally transported to the parallel world of Utopia. Utopia is like an advanced Earth, although it had been quite similar to Earth in the past in a period known to Utopians as the "Days of Confusion." Utopia is a utopian world: it has a utopian world government, advanced science, and even pathogens have been eliminated and predators are almost tamed.

--wikipedia.com.

Historian and theologian Charles Marsh partners with veteran activist John Perkins to chronicle God's vision for a more equitable and just world. Now updated to reflect on current social realities, this book shows how abandoned places are being restored, divisions are being reconciled, and what individuals and communities are now doing to welcome peace and justice.

At the very beginning of the Gospels, Jesus calls us to a radical new way of life, saying: "This is the time of fulfillment. The kingdom of God is at hand. Repent, and believe in the gospel" (Mk 1:15). The word "repent" in Greek is *metanoia* — but the original Greek word means much more than just repentance. It means to change, to turn, to think differently. *Metanoia* is not a one-time event but a process, and as Christians we are called to live a life of *metanoia*. *Living Metanoia* explores what this looks like in our daily lives, encouraging believers in all walks of life to go deeper in their relationship with Jesus. In his down-to-earth, approachable style, Fr. Dave Pivonka, TOR, addresses basic topics such as who Jesus actually is (rather than who we think he is or who we want him to be); what we need to do in order to inherit eternal life; the reality of evil; and our daily call to a deeper commitment to Christ. Each chapter contains Sacred Scripture to give context and direction, along with reflection questions and a practical "metanoia moment" to help us live a life of change. We all need *metanoia* — over and over again. Realizing this should be a source of hope and encouragement, for only by living *metanoia* can we find true and lasting freedom and fulfillment in Jesus Christ.

ABOUT THE AUTHOR Fr. Dave Pivonka, TOR, is the

president of Franciscan University of Steubenville. He has served for more than thirty years as a spiritual director, retreat leader, and formation director, and also served as the director of Franciscan Pathways. He is a well-known author, conference speaker, and pilgrimage leader. Fr. Pivonka is active in the charismatic renewal and serves on the board of Renewal Ministries.

Magnus Chase has seen his share of trouble. Ever since that terrible night two years ago when his mother told him to run, he has lived alone on the streets of Boston, surviving by his wits, staying one step ahead of the police and truant officers. One day, he's tracked down by an uncle he barely knows—a man his mother claimed was dangerous. Uncle Randolph tells him an impossible secret: Magnus is the son of a Norse god. The Viking myths are true. The gods of Asgard are preparing for war. Trolls, giants, and worse monsters are stirring for doomsday. To prevent Ragnarok, Magnus must search the Nine Worlds for a weapon that has been lost for thousands of years. When an attack by fire giants forces him to choose between his own safety and the lives of hundreds of innocents, Magnus makes a fatal decision. Sometimes, the only way to start a new life is to die . . .
