Wake senseless. Breathing deep of toxic blooms and forgetting all that has gone before. But I remember. I remember when two brothers waged bloody war over the right to sit in their father's empty chair. I remember when orphaned twins faced each other across a field of crimson and steel, the fate of the Shima Shogunate hanging in the poisoned sky between them. I remember when a blind boy stood before a court of storms and talons, armed only with a thin sword and a muttered prophecy and a desperate dream of saving the world. Now, she’s hoping to transform her city into something new. Something better. Together with allies Orso, Gregor, and Berenice, she’s about to strike a deadly blow against Tevanne’s cruel robber-baron rulers and wrest power from their hands for the first time in decades. Thousands of years ago, Crasedes was an ordinary man who did the impossible: Using the magic of scrying—the art of imbuing objects with sentience—he convinced reality that he was something more than human. Wielding powers beyond comprehension, he strode the world like a god for centuries, meting out justice and razing empires single-handedly, cleansing the world through fire and destruction—and even defeating death itself. Like it or not, it’s up to Sancia to stop him. But to have a chance in the battle to come, she’ll have to call upon a god of her own—and unlock the door to a scrying technology that could change what it means to be human. The year is 2380, and the graduating cadets of Aurora Academy are being assigned their first missions. Star pupil Tyler Jones is ready to recruit the squad of his dreams, but his own boneheaded heroism sees him stuck with the dregs nobody else in the academy would touch . . . A cocky diplomat with a black belt in sarcasm A sociopath scientist with a fondness for shooting her bunkmates A smart-ass tech whiz with the galaxy's biggest chip on his shoulder An alien warrior with anger-management issues A tomboy pilot who's totally not into him, in case you were wondering And Ty's squad isn't even his biggest problem--that'd be Aurora Jie-Lin O'Malley, the girl he's just rescued from interdimensional space. Trapped in cryo-sleep for two centuries, Auri is a girl out of time and out of her depth. But she could be the catalyst that starts a war millions of years in the making, and Tyler's squad of losers, discipline cases, and misfits might just be the last hope for the entire galaxy. **NOBODY PANIC.**

Because he doesn’t exist. But when Alice walks into class on her first day at a new school, there he is. Real Max is nothing like Dream Max. He’s stubborn and complicated. And he has a whole life Alice isn’t a part of. Getting to know each other in reality isn’t as perfect as Alice always hoped.
