Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Gold-in-Quartz, a Jewelry Hunter Thriller It has been a year since an Islamic cleric declared a fatwa against Bill and Jenn for averting a terrorist plot to blow up two fully loaded passenger ferries off the southern coast of California. Now, the Watsons must contend with another group of murderous thugs. While on a jewelry buying trip in Northern California's Gold Country, the Watsons inadvertently stumble into a gruesome shooting at the Speckled Gold Mine. Suddenly propelled into a set of circumstances that grows more mysterious—and perilous—by the day, Bill and Jenn soon find themselves in witness protection. But their new enemies are never very far behind. From the Gold Country to Catalina Island, to New York City to Paris, they are forced to rely on the FBI, the French police, and hefty measures of their own quick wits, intuition, and marksmanship to survive. When events lead them to Johannesburg, the Watsons and their allies—including the tough-talking, trigger-happy friend Tiffany and a drop-dead gorgeous FBI agent who refuses to carry a

loaded weapon—must devise a plan to neutralize their adversary... before their luck runs out. In *Praise Of Gold-in-Quartz*, a Jewelry Hunter Thriller Reminiscent of police insider Joseph Wambaugh's novels set in California, jewelry trade insider Ron von Freymann's Jewelry Hunter saga has its roots in the Golden State. His second installment of the Jewelry Hunter series, *Gold in Quartz*, a Jewelry Hunter Thriller, grabs attention from the start with fast-paced action and crisp dialogue. Already in the fatwa cross hairs of devout fundamentalist Islamic believers seeking that coveted ticket to paradise, Bill and Jenn Watson fall into false accusations that propel them on a worldwide race to avoid assassination by a new group of vicious, dedicated murderers. Von Freymann is the master of a unique genre. Tom Anthony Amazon-Best Selling Author of *Rebels of Mindanao*

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all.* **ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN** Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

by-step instructions explain how to color stamped images with markers, chalk, and watercolor. Some designs feature unique uses of buttons, bows, and all kinds of bling to really make the stamping shine. There are cards with heat embossing, spotlight stamping, masking, and more. There is even a section where three designers use the same stamp set to make completely different cards, demonstrating the versatility of the tools and supplies. Themes range from holidays and birthdays to thanks and friendship, and there are designs for all ages. Surprisingly, many cards require less than 5 steps to complete, so even the busiest persons can find time to create pleasing, personal cards. Novice card makers will find everything they need to get started in this rewarding field, and experienced paper crafters will enjoy spreading their creative wings.

Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather

than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE. In this stirring novel of the Old West from New York Times bestselling author Catherine Anderson, a desperate woman's impulsive ruse brings a rough-looking stranger into her life... To support her orphaned niece, impoverished Brianna O'Keefe accepts work with a Colorado rancher. To guard herself from unwanted attention, she resorts to a harmless little lie: that she's married to a Denver gold miner named David Paxton. When her boss forces her to write her "husband," hoping he'll take Brianna off his hands, she can only pray that no real David Paxton exists who can expose her. When

Colorado marshal David Paxton gets a letter from a stranger claiming to be his wife, and pleading with him to come for her and his “daughter,” he dutifully sets out to find this woman and the child he may have sired. What stuns Brianna is that David is convinced the young girl could, in fact, be his. As David and Brianna’s wary attraction blossoms into a deeper desire, David warms to the idea of a ready-made family. But can his dream survive Brianna’s lingering distrust...and his own heart-held secrets? Linen finish, glitter accents, scalloped edge, embossed.

One recent December, at age 53, John Kralik found his life at a terrible, frightening low: his small law firm was failing; he was struggling through a painful second divorce; he had grown distant from his two older children and was afraid he might lose contact with his young daughter; he was living in a tiny apartment where he froze in the winter and baked in the summer; he was 40 pounds overweight; his girlfriend had just broken up with him; and overall, his dearest life dreams--including hopes of upholding idealistic legal principles and of becoming a judge--seemed to have slipped beyond his reach. Then, during a desperate walk in the hills on New Year's Day, John was struck by the belief that his life might become at least tolerable if, instead of focusing on what he didn't have, he could find some way to be grateful for what he had. Inspired by a

beautiful, simple note his ex-girlfriend had sent to thank him for his Christmas gift, John imagined that he might find a way to feel grateful by writing thank-you notes. To keep himself going, he set himself a goal--come what may--of writing 365 thank-you notes in the coming year. One by one, day after day, he began to handwrite thank yous--for gifts or kindnesses he'd received from loved ones and coworkers, from past business associates and current foes, from college friends and doctors and store clerks and handymen and neighbors, and anyone, really, absolutely anyone, who'd done him a good turn, however large or small. Immediately after he'd sent his very first notes, significant and surprising benefits began to come John's way--from financial gain to true friendship, from weight loss to inner peace. While John wrote his notes, the economy collapsed, the bank across the street from his office failed, but thank-you note by thank-you note, John's whole life turned around. 365 Thank You is a rare memoir: its touching, immediately accessible message--and benefits--come to readers from the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a miraculously good life. To read 365 Thank You is to be changed.

Letters of Note, the book based on the beloved website of the same name, became an instant classic on publication in 2013, selling hundreds of thousands of copies. This new edition sees the collection of the world's most entertaining, inspiring and unusual letters updated with fourteen riveting new missives and a new introduction from curator Shaun Usher. From Virginia Woolf's heart-breaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter, Letters of Note is a celebration of the power of written correspondence which captures the humour, seriousness, sadness and brilliance that make up all of our lives.

Artist Bernard Maisner is one of the finest illuminators of manuscripts at work today. His remarkable ability to work in miniature, as well as in

grand scale paintings, combines with his love and mastery of historical and modern painting techniques to create an unusual and visually stunning body of work, thoroughly documented here. Maisner's search for meaning takes him in the direction of the infinite, of opposites, in reverence of nature, and of things mystical and unanswerable. This book brings together 25 years of work by Maisner and reveals in depth the correlation and interrelation between his long-standing use of abstract symbols, written language, the art of illumination, and the language of painting. Art historian Dore Ashton provides an essay in which she reflects on Maisner's quest to "grasp the passage of time in living metaphors" through the craft of the illuminator.
