A Texas map marked with three red dots like drops of blood. A serial killer who claims to have dementia. A mysterious young woman who wants answers. What could go wrong? "Fast and furious . . . You'll never see what's coming."--The Washington Post Years ago, her sister Rachel vanished. Now she is almost certain the man who took Rachel sits in the passenger seat beside her. He claims to have dementia and no memory of murdering girls across Texas in a string of places where he shot eerie pictures. To find the truth, she proposes a dangerous idea: a ten-day road trip with a possible serial killer to examine cold cases linked to his haunting photographs. Is he a liar or a broken old man? Is he

home for a cozy winter afternoon with a babysitter. But Carl and Madeleine have plans of their own— they want to play in the snow! After getting all bundled up, they sneak off to go sledding, build a snowman, and even make an appearance at the party and try sliding on the ice at the pond. Of course, resourceful Carl gets the baby home before her parents return—and the babysitter is never the wiser. Everyone's favorite Rottweiler appears here in a wintertime romp.

Too late for cold feet Baron Edward Christie prided himself on his reputation for even temperament and reserve. That was before he met Caroline Parker. Wedding a scandalous beauty by special license days after they met did not inspire respect for his sangfroid. Moving her to a notorious lovebirds' nest as punishment for her flighty nature was perhaps also a blow. And of course talk has gotten out of his irresistible clandestine visits. Christie must put his wife aside—if only he can get her out of his blood first. Too hot to refuse. . . Caroline Parker was prepared to hear the worst: that her husband had determined to divorce her, spare them both the torture of passion they can neither tame nor escape. But his plan is wickeder than any she's ever heard. Life as his wife is suffocating. But she cannot resist becoming her own husband's mistress. . . Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers*

Barely fifty years ago a computer was a gargantuan, vastly expensive thing that only a handful of scientists had ever seen. The world's brightest engineers were stymied in their quest to make these machines small and affordable until the solution finally came from two ingenious young Americans. Jack Kilby and Robert Noyce hit upon the stunning discovery that would make possible the silicon microchip, a work that would ultimately earn Kilby the Nobel Prize for physics in 2000. In this completely revised and updated edition of *The Chip*, T.R. Reid tells the gripping adventure story of their invention and of its growth into a global information industry. This is the story of how the digital age began.

Rashcka can tell it. Any child who has ever had a beloved toy break will relate to Daisy's anguish when her favorite ball is destroyed by a bigger dog. In the tradition of his nearly wordless picture book *Yo! Yes?*, Caldecott Medalist Chris Raschka explores in pictures the joy and sadness that having a special toy can bring. Raschka's signature swirling, impressionistic illustrations and his affectionate story will particularly appeal to young dog lovers and teachers and parents who have children dealing with the loss of something special.

Canoeing, picking berries, and playing at the playground are some ways that Madeleine and Carl, a large dog, spend a summer day while they are supposed to be napping. In the Colorado mountain town of Steamboat Springs there must be three hundred dogs. Jack's malamute, McKinley, is the leader of them all. But Jack, being human, has no way of knowing that. For him, his family's dog is just a great pal. And protector. Jack cannot know that Redburn, a "leash-licking" Irish setter, is McKinley's rival for the job of head dog. The boy cannot know, with the sudden hillside appearance of a she-wolf, Lupin, that not only McKinley's job -- but his life -- is in danger. Lupin's message: Dogs free yourselves from mankind. Come join us, we who need you to replenish our diminishing wolf pack in the wild. But imagine how a good dog, loyal to his human pup, would hear Lupin's call! McKinley's thrilling story tells itself, as first he and the boy together encounter Lupin in a canyon perfect for an old-time ambush, and later as they try to save her from both Redburn and a neighbor, a vicious man armed with a gun and
