When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

Alaska Thunderfuck spills the tea on her meteoric rise from timid Pennsylvania kid to drag superstar in this intimate photographic memoir that will appeal to diehard Alaska admirers and broader drag fans alike. Before RuPaul's Drag Race became a worldwide phenomenon, Drag was mostly an underground art form, performed by the daring and the quick-witted, with maximum energy and a minimal budget. This is the story of one of the galaxy's greatest queens, Alaska Thunderfuck 5000, as she transforms from wearing dresses made of trash bags because she has to, to wearing dresses made of trash bags because she wants to. Finally coming clean on her home planet (earth), this dishy, visual memoir tells the stories that shaped Alaska into an All Star: from prom king to the House of Haunt, to the very public breakup that almost destroyed her. Intimate and alluring with exclusive photography throughout, and illustrations by the author, My Name's Yours, What's Alaska? is the ultimate backstage pass. **UNIQUE & PERSONAL:** Chronicling Alaska's journey from small-town kid to drag superstar, this memoir stands out for its emotional resonance, distinct humor, and unapologetic realness. Filled with compelling personal stories told in Alaska's unique voice, it gives fans an exclusive look at Justin Honard the person, not just Alaska Thunderfuck the drag queen. **LGBTQIA+ REPRESENTATION:** LGBTQIA+ consumers will see their experiences and passions reflected in Alaska's authenticity and openness about her childhood struggles, and will be excited by a drag memoir that celebrates the whole story of queerness, not just the sassy, shady highlights. **GREAT GIFT FOR FANS OF RUPAUL'S DRAG RACE:** Behind the scenes stories of Alaska's journey to RuPaul's Drag Race fame, alongside full-color photography of Alaska's iconic trash-glam looks throughout her career, will deliver the exclusive content fans crave. Perfect for: • Diehard drag fans • Fans of Alaska Thunderfuck, RuPaul, Michelle Visage, Trixie Mattel, Bianca del Rio, Sharon Needles, Magnus Hastings, Cherri Baum, Veruca, and more • RuPaul's Drag Race enthusiasts who want to deep dive into a famous queen's rise to stardom

REVISED EDITION! I have heard your feedback and made some changes to the format of this book that I hope will make it more enjoyable to color. Thank you for all of your help! Tabz @} Featuring the fantasy art of Tabz Jones, this gray scale adult coloring book includes thirty high resolution coloring pages. You'll find Vampires, Ghosts, Zombies and more, all originally rendered in full digital 3D color, now available to color at home. \*\*Just a quick note to buyers; You may find that some of the pages in my coloring books are darker than other artist's books, I have found through coloring these pages myself that darker pages lend themselves very well to heavier mediums such as markers, gel pens, and even watercolors. Also, there are new techniques for blending colored pencils such as using baby oil and petroleum jelly that can completely washout lighter pages. I have tried to include a variety of shades to accommodate every skill level, from beginners to advanced in every book that I create. I encourage you to step outside your comfort zone and try something new, I hope that you will be pleasantly surprised by what you can create =)

From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.

This book includes two copies each of 32 unique single-sided coloring designs! These coloring pages are appropriate for all experience levels. Though this is considered an adult coloring book, there is no nudity. But the vampire images do contain some blood...

so use your best judgement for younger colorists. It is great for all lovers of fantasy and the dark and mysterious.
