This is a new edition of Greg Louganis's 1995 #1 New York Times bestselling autobiography and Literary Guild Selection. It is the unflinchingly honest first-person account of a man breaking free of a lifetime of silence and isolation. Born to a young Samoan father and Northern European mother, and adopted at nine months, Greg began diving at age nine, and at sixteen won a silver medal at the 1976 Montreal Olympics. But despite his astonishing athletic skill, Greg struggled with late-detected dyslexia, prejudice toward his dark skin coloring and anguish over his homosexuality, which he felt compelled to hide. Being in the spotlight intensified his difficulties with relationships and substance abuse. However, Louganis went on to win double gold medals at the 1984 and 1988 Olympics. His triumph at the 1988 Olympics came several months after he tested positive for HIV. This is the haunting, searingly candid story of the world's greatest diver. This new edition includes a new foreword.

Katrina's Grace: Wind, Water and Wisdom takes us on Sandra's journey of recovery from Hurricane Katrina. Join her from a pre-hurricane fall that left her helpless and found her at her daughter's home waiting and wondering what was happening in Gulfport, to first sight of her destroyed home, car, and treasures. The journey continues through a lifetime of memories as lost treasures were unearthed, to the streams of volunteers who came to help her wade through the upheaval, build a temporary living space, and care for her neighbors and others in the community. As we read Sandra's story, we remember our own grief and loss after Katrina or similar disaster experiences. This story speaks not only to the survivors, but to disaster responders who come to pick up the pieces yet don't hear the rest of the story of those with whom they shared an hour or a week, and finally they and all readers are able to feel the pain around the disasters where they served. Additionally, it provides insight for volunteers going into disaster work. A powerful yet sensitive story of dwelling in Grace and the incredible gifts of Grace from nature; from those who prayed, sent gifts, and came; and from living memories. Weaving reflections on lost treasures with journal excerpts, poetry, stories of those who came to help, sent needed materials and supplies, and also prayed, Sandra Price presents stories from a heart-breaking disaster. Katrina's Grace invites us into the depth of Sandra's soul and on into the depth of our own souls. As we read her story, we remember our own disasters and weep, laugh and ponder. And we can understand why Sandra said of Katrina, "I wouldn't have missed it for the world."

Discover Aly Raisman's inspiring story of dedication, perseverance, and learning to think positive even in the toughest times on her path to gold medal success in two Olympic Games--and beyond. Aly Raisman first stepped onto a gymnastics mat as a toddler in a "mommy & me" gymnastics class. No one could have predicted then that sixteen years later, she'd be standing on an Olympic podium, having achieved her dreams. Aly's road to success was full of hard work, perseverance, and victories, but not without its hardships. Aly faced many obstacles, from naysayers who said she'd never make it in gymnastics to classmates who shamed her

for her athletic body to a devastating betrayal of trust. Through it all, Aly surrounded herself with supportive family, friends, and teammates and found the inner strength to remain positive and believe in herself. Now, in her own words, Aly shows what it takes to be a champion on and off the floor, and takes readers on a behind-the-scenes journey before, during, and after her remarkable achievements in two Olympic Games--through her highest highs, lowest lows, and all the moments in between. Honest and heartfelt, frank and funny, Aly's story is enhanced with never-before-published photos, excerpts from the personal journals she's kept since childhood that chronicle memorable moments with her teammates, and hard-won advice for readers striving to rise above challenges, learn to love themselves, and make their own dreams come true.

"Knowledge held within is dead knowledge. Share it with others, and then it is resurrected." These are words that Apostle Dr. Muriel Avant Fuqua lives by. Though, throughout her life, there have been plenty of things she'd rather have kept silent about, she has learned, firsthand, that it is these very traumas that must be brought into the light so their power can be broken and healing can begin. A shining example of the necessity to speak out—and a cautionary tale about the harm and dysfunction that results from silence—this empowering memoir is about overcoming the debilitating pain of abuse and infidelity through the healing power of a loving God. At the same time, Dr. Fuqua's debut book serves as an excellent educational source on the challenging issues of women in ministry and church hurt. Over the years, Dr. Fuqua has experienced more than her fair share of pain, but she has also discovered the amazing truth that God can truly renew brokenness. And her life, her marriage, and her church all declare the good news. Discover for yourself the peace of Christ, as you learn from her story how you, too, can step into the light and wrap your pain in the glory of God.

Nastia Liukin is an Olympic gymnastics all-around gold medalist, but the road to her success was not an easy one. In *Finding My Shine*, she shares not only her personal journey of success, but also her biggest challenges, including her career ending fall during the 2012 Olympic Trials that she now says was the defining moment of her life. Throughout this book, she delivers her motivational tips toward reaching any goal, overcoming obstacles, and learning how to pick yourself up after the inevitable falls you will have in life. Nastia's story is a true American dream. Born in Moscow, Russia, her parents were both champion gymnasts in their native country. The Liukins moved to the United States when Nastia was two and a half, because they wanted to give their daughter every opportunity possible. Even then, Nastia was certain she wanted to be a gymnast, and spent every hour she could in training. That dedication paid off. Nastia became a key member of the US team, winning five Olympic medals. She also won nine world championship medals (four gold and five silver) making her one of the most celebrated gymnasts in US history. Nastia was in the spotlight again in 2015 when she became a competitor on *Dancing with the Stars*, partnered with Derek Hough. She now speaks to girls and young women across the country in the hopes of motivating them to turn their own dreams into reality. *Finding My Shine* is a moving story of a remarkable young woman who won Olympic gold, but whose passion truly lies in inspiring others.

Who among us hasn't treasured memories of yesteryear told to us by our 'elders'? Aleta Miller has gathered vignettes and woven them into a tapestry of life in a Sierra Gold Rush mining town exotically named Port Wine (near Whiskey Diggins and Poker Flat). She has captured the essence of California's pioneer spirit, mining nuggets of real life stories that lay buried under yesteryear's journalism: Two story deep snowdrifts compete with a mountain visitor in a Locomobile. Civil War politics blend in with birth pains of the new California statehood. Downhill ski races lift spirits of beleaguered residents of Port Wine and La Porte, also known as Rabbit Creek. Uncontrollable fires gut reconstructed towns with diabolical regularity. In addition, we meet colorful characters who have touched the hills including Black Bart, Dutch Kate, Bret Harte, the Blue Lake Monster and Sasquatch. There is something for everyone in this delightful read. Aleta Farren Miller, as a young girl, became enamored of California gold country history during occasional visits to the Davis Motor Mine. The mine tunneled into a mountainside within a mile of Port Wine, CA. It was operated by Aleta's cousins Fred and Durward Davis and produced a modest quantity of gold. Aleta was enchanted by the remoteness of the location as well as by the surroundings which have changed very little over the last 100 years. Passing encounters with "old timers" and whimsical poetry adorning grave sites in the Pioneer Cemetery stimulated a growing interest. Many of her relatives and even a pet parrot are buried there. With the help of her mother, Rilla Farren Cross, other family members, the archives of

Bancroft Library at U.C. Berkeley, and The Mountain Messenger Newspaper at Downieville, CA, the interest culminated in Aleta investing almost a decade undertaking this collection of what now may be classified as journalistic memorabilia. We are indebted to her instinctive ability to sort out and preserve this remarkable collection of memories. Her own background and personal experiences make her uniquely capable of understanding and synthesizing the insight that she gained from that time in California history.

A time to reflect on my seventy years of life. Maybe some folks will be interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes not chronological ones. I have made a foray into fiction with an asterisk: in those cases where I have marked the vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant the memory the clearer the details.

Drew Maddox is a rough Private Investigator who believes what his eyes can see and his senses feel. He has very little use for imagination and flights of fantasy annoy him, yet when a naked woman suddenly appears on the road in front of his truck it sends his brain tumbling and his life into a spiral of myth he can barely comprehend. Pandimora wears her name well, causing her own flurries of Pandemonium just by existing. Born to a mother rumored to have the madness in her, Pandimora is different than most fairies in the Realm of Aisywel. She has little regard for the incredible histories of her people, nor of the supposed rules. While not an outright rebel, she skirts the laws of Faerie propriety, but no more so than when she overhears a conversation her ears should never have found. A high elder, one of the strongest and most magical of her people has committed a crime - and now he knows that she has heard, and seen him. Pandimora has fled, but not before the elder, Lukais wraps his dark tentacles of power around her, poisoning her and barring the doors to her realm - forever. Hurt and grieving, Pandimora awakens on a snowy road - moments from being hit by Drew Maddox's fast moving truck. Her senses muddled, her powers muffled and her entire sense of self shaken, Pandimora reaches out to Drew in desperation, finding in him the young boy she once danced with in a field. With cord of attachment fully realized between them, Faerie magic is at play, pulling them both deep into a mire of intrigue and deceit - one that sets this unlikely pair against an entire realm of mystical beings with their own rules, trials and meanings. "Find Me" is Book One in the new Faeries Lost Trilogy - an epic journey into the center of the unknown and the hearts of two souls that can never be.

Nor could she have known that she had just signed herself up for serious injury, emotional distress, and continuous sexual assault by world-renowned trainer turned serial molester, Larry Nassar. I want to talk with you about these drives that all men have; gold, glory and girls. I want to keep you from the emptiness that you will certainly experience if these three G's are the focus of your life. Then I want to talk about God, but not in a stuffy, churchy way. You don't need the typical religious approach to life. This often leads to boredom, guilt, business and frankly substitutes the emptiness of gold, glory and girls with another kind of emptiness peddled as the answer to life. I am not going to take you there. I want you to fill the emptiness in your heart and help you find a joy and fulfillment that you have never had before. I want you to experience manly challenge, incredible achievement and find out why you were really made - your true life's purpose. So buckle your seat belt. Get ready for the ride of your life!

What if we were created for more than just "fitting in" to the culture around us? What if we were meant to change our world?

Fabulous piece of writing. It is really quite astounding that Machen is largely forgotten as a writer. In The Secret Glory, I particularly loved Machen's satirical social comments about the class system, Christian hypocrisy and the sadistic puritanism of English Public Schools. This isn't always an easy book to read but it is very rewarding, and after reading, like the best literary works, carves out a place for itself in one's psyche. (M.J. Johnson)
