This is a bilingual (English/Korean) edition of Basic Grammar in Use (With Answers) Second Edition (0521626005) targeted at learners in Korea whose mother tongue is Korean and whose command of English is relatively weak. The classic In Use format remains, with explanation and examples on the left page followed by exercises on the right. As in the original, there are seven Appendices, Additional Exercises, a Study Guide and Answer Key. In the Korean Edition, grammatical explanation and terminology as well as selected example sentences (or parts of sentences) are

translated on the left page. On the right page, exercise instructions are translated. There is a modest amount of content adaptation, typically consisting of additional explanation or examples for grammar areas which are identified as a weak spot for Korean learners. The page dimensions and extent of the Korean Edition remain the same as the monolingual edition. The Korean Edition does not contain a CD. In keeping with many locally-produced Korean textbooks, the cover comes with a front and back fold-over flap. We envisage biographical information on the author and adapter on the front fold-over, and some marketing of related products to be placed on the back fold-over.

The world's best-selling grammar series for learners of English. It is also trusted by teachers and can be used as a supplementary text in classrooms.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you

truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times
