Basic Grammar in Use Student's Book with Answers Self-study Reference and Practice for Students of American English Cambridge University Press

A fully updated version of the classic grammar title. This book is for sale in Korea only.

German Grammar: Reviewed and Retold is a user-friendly grammar/workbook designed to give German learners a great basis to build an in-depth knowledge of spoken and written German. Bridging the gap between grammar, storytelling, and culture, learners of the German language discover Germany's cultural history as well as life in Germany today, while absorbing grammatical structures through reading and practice. This grammar is based on recent Second Language Acquisition (SLA) research and word frequency, to embed vocabulary and grammar into a language-specific cultural context. A key component of this approach is consistency and relevance, enabling students to apply grammatical structures to their language learning, as well as talking about the past, present, and future. Aimed at ACTFL levels Novice (all) to Intermediate (middle)/CEFR A1 to B1, this is the perfect grammar for post-beginners, combining storytelling with grammar acquisition. English Grammar in Use is a unique combination of reference grammar and practice book for intermediate students (including both lower and upper-intermediate). Designed as a self-study book, it will enable learners to select and study at their own speed those grammar points which they find confusing and want to clarify. All the traditional grammar problems which intermediate students encounter e.g. tenses, modals, prepositions etc., are thoroughly covered. The page layout of each unit makes for ease of use, with the grammar point explained on the left-hand page and exercises to practise it on the right-hand page. There are 130 units in all, and a contents list and detailed index ensure that students can easily find the units they need.

Basic Grammar in Use (Japanese Edition) is a bilingual (English / Japanese) edition of Basic Grammar in Use (With Answers) Second Edition (0521626005) targeted at learners in Japan whose mother tongue is Japanese and whose command of English is relatively weak. The classic In Use format remains, with explanation and examples on the left page followed by exercises on the right. As in the monolingual edition, there are seven Appendices, Additional Exercises, a Study Guide and Answer Key. In the Japanese Edition, grammatical explanation and terminology as well as selected example sentences (or parts of sentences) are translated on the left page. On the right page, exercise instructions are translated. There is a modest amount of content adaptation, typically consisting of additional explanation or examples for grammar which is identified as a weak spot for Japanese learners. As the book is for sale in the locally-produced EFL materials section of Japanese bookstores, the dimensions of the book have been reduced. The extent remains the same as in the original. The Japanese Edition does not contain a CD.

This is an adaptation of Essential Grammar in Use for Thai elementary learners.

Essential grammar reference and practice for anyone using English in a business context. Grammar for Business is a must-have for intermediate business students and anyone using English in the workplace. It provides clear explanations and authentic practice of the most essential language used in business English. Designed to help you improve your communication skills in real business situations, it includes a unique focus on spoken as well as written grammar, and practical tips on areas such as organising presentations, negotiating and giving your opinion. Ideal for classroom use and self study.

This American English edition of English Grammar in Use can be used both as a classroom text and as a grammar reference for students. Each unit deals with a particular grammar point (or points), providing clear explanations and examples on the left-hand page, with exercises to check understanding on the facing right-hand page. The book covers many of the problems intermediate students of American English encounter, including tense usage, modals, conditionals, the subjunctive and prepositions. A separate answer key is available for self-study, individual work in the language laboratory and as an easy reference for teachers.

Raymond Murphy's English Grammar in Use is the first choice for intermediate (B1-B2) learners and covers all the grammar you will need at this level. This book without answers has clear explanations and practice exercises that have helped millions of people around the world improve their English. It is perfect for teachers to use in the classroom as a supplementary book, for extension work, or for homework activities.

????????????????????????????

Each unit of the Student's Book is a two-page spread that teaches a specific grammar point on the left-hand page, and provides practice exercises on the right. The new edition includes an Audio CD and nine units of new material. Two entirely new sections have also been added: Additional Exercises, which give students the opportunity to consolidate what they have learned; and the Study Guide, which helps students figure out which units they need to study. An answer key is included in the back of the book. An edition without answers is also available.

Raymond Murphy's English Grammar in Use is the first choice for intermediate (B1-B2) learners and covers all the grammar you will need at this level. This book with answers has clear explanations and practice exercises that have helped millions of people around the world improve their English.
