KS1 paper 1 is spelling - a test transcript is to be read by the test administrator, so the questions (fill-in-the-gaps using words read by the test administrator) are very straight forward. Paper 2 is totally different - it has nothing to be read out since all questions are on paper. This product focuses on Paper 1 - Spelling. In order to use this book your computer must be able to play MP3 files. You should listen to the files and then fill in the gaps accordingly. You are expected to spell the missing words correctly. In the real exam, the test administrator is going to read a bunch of sentences. Each sentence has one word missing, and the candidate should listen carefully to the missing word, then fill it in. The test administrator will read the word, then the word within the sentence, then repeat the word a third time. This self practice module is slightly different. For simplicity sake each sentence (including the missing word - there are well over 100 missing words that you need to fill in!) will be read out for 3 times. You are free to replay the files as needed. To increase the level of difficulty, you will find multiple missing words on most questions. We develop practice exercises on our own without referring to any past exam questions. Our material is NOT for simulating the actual exam. The goal of this product is to reinforce learning.

They all share the same goal - to get you adequately prepared for the exam. The primary focus of this product is on Paper 2. However, a small bonus module on Paper 1 is also included to give you a feel of what Paper 1 looks like. The various Paper 2 Question formats include: - Fill-in-the-gap question - Pick the word that completes the sentence OR Write one word on the line to complete the sentence. - Tenses - Tick to show whether each sentence is in the past tense or the present tense (in the real exam the variants include "Write one word on the line to complete the sentence in the past tense", "Write verbs in the past tense"...etc) - Punctuation - Write the missing punctuation mark to complete the sentence (in the real exam questions may be asked in these formats: Tick one box to show where a comma should go in the sentence OR Which punctuation mark is missing?). - Adjective VS Adverb VS Noun VS Verb - What type of word is underlined in the sentence below? (in the real exam the variants include "Circle the verbs in the sentence provided.", "Circle the three nouns in the sentence provided"...etc) - Tick the word that best describes the sentences provided (statement VS question VS command VS exclamation). - Singular VS Plural - Tick to show whether each word is singular or plural (in the real exam questions may be asked in this format: "Write s or es to make each word a plural").
