Book One: Tyrannosaur Droid Boy A powerful race watches Earth from the planet Prehistoria. The Menosaurs can shape-shift between human and dinosaur form. Over eons, they've mastered their plan to take control of Earth. Why? Our planet is the greatest known source of Grandidierite rock. The Menosaurs use it for fuelling rock-ships and communication devices. Now the year is 3017. A teenage boy, Rex, has survived a near-fatal plane crash and been rebuilt; he is wired like a computer. Rex's guardian and best buddy is a furry, yeti-droid named Rion. One day, a blazing rock, like a fiery bomb, crashes across the roof of Rex's home and explodes in the forest. Rex and Rion trek into the trees to discover what's happening. What they find hiding in a cave blows their minds! A young Menosaur, called Tarock, was crossing deep space. Something went terribly wrong and Tarock's asteroid-ship encountered a strange gravitational pull. Sucked far off course, it crashed on Earth. NASA and the US Marines are searching the area for this alien invader. Tarock is in desperate circumstances. But Rex and Rion are not about to have their new friend annihilated by trigger-happy, nuke-blasting soldiers. Rex begins the adventure of a life-time; pitting his wits and technology against alien invaders, armed forces, and NASA. He and Rion team up with the Menosaurs, and come face to face with their mortal enemy: the black Mantoids. Events of great importance for Earth unfold across the universe as powerful forces are unleashed. Not all Menosaurs can be trusted, and the evil Mantoid also plan to claim Earth and destroy the human race. In this first book in the series, Grandpa's hair is growing longer and longer. He desperately needs a haircut. However, a trip to Basil's Barber Shop leads to a terrible but hilarious mix up!

Little Prudy's Dotty Dimple By Sophie May

UK / Europe / Australia / New Zealand Edition Inspired by the author's experience of this issue with her own son, this easy-to-understand guide gives detailed advice on every aspect of stool withholding including soiling (encopresis), laxative medication, toilet training and constipation. Stool withholding is most common in two to four year olds but it can also affect school-age children. It is often triggered by an episode of painful constipation. The child then becomes so terrified of experiencing this pain again that they hold on to their poo for days, even weeks, at a time. Just to add to the misery, stool withholding often causes children to soil their underwear. This bewildering problem can sometimes feel like a form of daily torture, not just for the child but for the whole family. Unless you've experienced this with your own child, it's difficult to imagine just how distressing it can be. After reading this, parents will have a straightforward plan of action, with lots of tips and strategies to try at home. The book also contains useful information about the laxative Movicol, with guidance on appropriate doses. The advice given is backed up by research, as well as the experiences of the author and other parents who have had to deal with this issue. Aimed primarily at parents, this guide should also be essential reading for health professionals, teachers and anyone else who works with, or cares for children. Stool

withholding is still a widely misunderstood issue. If awareness and understanding of this subject is increased, many families could be spared this distressing problem. Recommended by ERIC - The Children's Bowel & Bladder Charity: www.eric.org.uk USA / Canada Edition Also Available: "Stool Withholding: What To Do When Your Child Won't Poop!" Appreciative Intelligence provides a new answer to what enables successful people to dream up their extraordinary and innovative ideas; why employees, partners, colleagues, investors, and other stakeholders join them on the path to their goals, and how they achieve these goals despite obstacles and challenges. It is not simple optimism. People with appreciative intelligence are realistic and action oriented--they have the ability not just to identify positive potential, but to devise a course of action to take advantage of it. Drawing on their own original research and recent discoveries in psychology and cognitive neuroscience, Thatchenkery and Metzker outline the evidence for appreciative intelligence, detail its specific characteristics, and show how you can develop this skill and use it in your own life and work. They show how the most successful leaders are able to spread appreciative intelligence throughout an organization, and they offer tools and exercises you can use to increase your own level of appreciative intelligence and so become more creative, resilient, successful, and personally fulfilled.

Follow the (mis)adventures of William and Thomas as their plans seem to go wrong every time. Yet, William is never discouraged and comes up with an even better plan for next time, or at least he thinks so. The book has been written to entertain students in grades 3 through 6. Perhaps even adults as well, as many love reading the books together. Be prepared to have an excellent time following William and Thomas.

Do you like to do things all by yourself? What can you do all by yourself? Do you like someone to help you sometimes? When do you like to have some help?

THE BLOCKBUSTER HIT—Over two million copies sold! A New York Times, USA Today, Wall Street Journal, and Publishers Weekly Bestseller Look for Lisa Wingate's powerful new historical novel, *The Book of Lost Friends*, available now! "Poignant, engrossing."—People • "Lisa Wingate takes an almost unthinkable chapter in our nation's history and weaves a tale of enduring power."—Paula McLain Memphis, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life.

Bugs are for the birds! Lisbon is hungry and it's hard to wait for dinner. When her animal friends try to help her find something tasty to eat, the real the problems begin! Join Lisbon on her funny misadventures. Each beautiful illustration is designed to inspire the imaginations of children. An activity page at the end of the book allows for more fun as they search for special items in the illustrations. This version of *I Don't Want to Eat Bugs* has been designed specifically for ebook with a fixed layout and larger text for easy reading. While this is a great read-aloud book for parents, teachers, and other adults to share with children, we have chosen fonts that are similar to the way children form letters for easy recognition as they begin to read on their own. The print book is also available in 8.5" x 11" format. Author's Note: *I Don't Want to Eat Bugs* was written for my daughter, who was two when I wrote this story and didn't like salad, but now she's four and a half and loves it—if I give her plenty of salad dressing! (But don't worry—this isn't a book about eating salad.) Of course birds, cats, and dogs have a very different idea of what's good to eat, but through this fun adventure, Lisbon learns there is also food meant just for her—and it's good, especially compared with all the offerings from her animal friends. My daughter and I privately call this book the "Ice Cream Story" (she LOVES ice cream so there had to be ice cream involved), and now whenever something funny happens, she says, "We should write a new ice cream story

about that." And we have! I Don't Want to Eat Bugs is the first book in a planned series called Lisbon's Misadventures. I've written the next three books in the series, and Tim Petersen is hard at work creating the illustrations. Tim is obviously a fabulous artist, and I'm excited to be working with him. You can sign up on my website to learn when the next book comes out (<http://teylarachelbranton.com/>). Thank you and enjoy!

Help your child stay safe, know when to talk to an adult, and avoid bad secrets! This engaging children's book will guide you on the journey! Jill learns that "Gloomy secrets cause stormy problems. So don't keep quiet. Run through your storm and find your rainbow." Your child will love learning about Jill's story as he or she discovers the importance of not keeping bad secrets too! The Stormy Secret encourages children not to keep bad secrets to themselves but to talk to a safe, caring, and trustworthy adult instead. The Story Jill used to be happy, but now she has a problem. A gloomy cloud follows Jill everywhere. The cloud distracts her at school by sending icy raindrops on her head. Booming thunder keeps her awake at night. Sometimes the cloud even zaps her with lightning. Jill was once cheerful, friendly, and an excellent student. However, after the cloud enters her life, Jill becomes dreary. One day, Jill wonders, Is this gloomy cloud connected to my bad secret? A Children's Book with a Purpose Help your child transform from sad, secretive, and frustrated to open, honest, and engaged. This children's book dives into the topics of talking to safe adults and not keeping bad secrets. It helps kids understand that no matter what adverse events happened in the past, they can always have a bright future! Childhood Abuse, trauma, and Healing Warning: This children's book is not for everyone. It tactfully dives into the topics of childhood trauma. This includes childhood abuse and sexual abuse. This children's book acknowledges that sometimes, bad things happen to kids. Childhood abuse is a difficult topic to broach, and the goal of this book is to provide a practical resource that parents, grandparents, therapists, coaches, foster parents, and teachers can use to begin the conversation. So what are you waiting for? Help your child stay safe by learning to talk to safe adults and avoid keeping bad secrets. This children's book with a purpose will guide you on the journey!

Welcome to Frog and his world. He enjoys nothing better than spending time floating in his pond or visiting with his friends. He appreciates the simpler things in life and would prefer that things stay just the way they are - nice and peaceful. From acclaimed children's writer Eve Bunting comes a new beginning reader series featuring the delightful Frog and his friends Rabbit, Possum, Raccoon, and Squirrel. In the first book Frog is alarmed when he finds a strange object in his pond, he tries to re-gift a scarf, and he makes friends with a runaway hippo. In Party at the Pond Frog is busy with his autumn party, he is overseen dancing around the pond, and he narrowly escapes being turned into a prince. Retro-style artwork by illustrator Josée Masse gives a fresh, distinctive look to this new series.

Jack, the cat, thinks of many excuses why he can't go to sleep just yet.

Read Along or Enhanced eBook: A boy and his pet dragon learn their ABC using an alphabet book. This pre-primer book contains high-frequency and sight words. Teacher resources include reading activities to strengthen phonemic awareness, phonics, vocabulary, fluency and comprehension. Beginning Reader with word list.

Welcome to Frog and his world. He enjoys nothing better than spending time floating on his pond or visiting with his friends. He appreciates the simpler things in life and would prefer that things stay just the way they are—nice and peaceful. From acclaimed children's writer Eve Bunting comes a beginning reader series featuring the delightful Frog and his friends Rabbit, Possum, Raccoon, and Squirrel. In Frog Saves the Day Frog and his friends mistakenly think a nearby train is a ferocious dragon and later Frog rescues a friend's child from danger.

A little dog is afraid to get a haircut, but finds that he looks "cool" with short hair.

A trip to the shop and a very loud POP! Reginald Stinkbottom lived in a house With his Grandma, three squirrels, two cats and a

mouse He loved to eat beans Eight helpings a day "They're my favourite" he shouted "I don't care what you say!" Now the trouble with eating huge platefuls of beans Is the wind they produce and you know what that means It means that there's gas inside Reginald's tummy And when it comes out, the smell isn't funny In Reginald's case it's much worse than you think For it really does make the most terrible stink Reginald Stinkbottom's love of baked beans leads to a wind problem which threatens to ruin his life. Abandoned by his loved ones, poor Reggie faces a lonely future until, one day, a trip to the shop - and a very loud POP! - opens the door to a wonderful new world. This heartwarming tale of love and flatulence, teaches us that beauty really is in the eye of the beholder. With its quirky illustrations, this humorous rhyming picture book will amuse children and parents alike. WARNING: May not be suitable for elderly grandparents!
