

Grandpas Garden

A tribute to the special contributions of grandfathers shares characteristics of and trivia about grandfathers while suggesting a variety of activities and games to enjoy while spending time with grandchildren.

Presents the different ways grandfathers show their grandchildren love, from putting extra marshmallows in hot chocolate to sending cards and telling stories.

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Grandma and Grandpa loved being together in their beautiful garden. They loved it too when their granddaughter Lucy visited and they taught her many skills. Sadly, these long, happy days were not to last, but memories of them would live on.

The Chicken Chick's Guide to Backyard Chickens covers all aspects of keeping pet chickens in a beautifully illustrated, no-nonsense format. Kathy addresses everything needed to keep chickens simply, including coops, chick care, breed selection, chicken health, and beyond! Internationally known as The Chicken Chick, Kathy Shea Mormino brings an informative style and fresh perspective on raising backyard chickens to millions of fans around the world. An attorney by profession, Kathy is the founder and one-woman creative force behind her wildly popular and award-winning Facebook page and blog, The-Chicken-Chick.com. Now her practical, down-to-earth approach to chicken-keeping is available in book form. Sharing her years of hard-earned experience and collaborations with poultry veterinarians, nutritionists, and professors, she provides simple steps to care for these uncommon pets with confidence. Kathy's personality permeates the book as she guides newbie, veteran, and would-be backyard chickeneers alike through all aspects of small-flock care—from getting into the hobby to housing, feeding, egg production, health, and much more. The result is accurate information presented in the fun and abundantly illustrated format that Mormino has delivered on her blog for years.

Acclaimed author Monica Kulling brings sensitivity to this bittersweet portrayal of a loving family affected by homelessness, beautifully illustrated in Irene Luxbacher's rich collage style. Aunt Pearl arrives one day pushing a shopping cart full of her worldly goods. Her sister Rose has invited her to come live with her family. Six-year-old Marta is happy to meet her aunt, who takes her out to look for treasure on garbage day, and who shows her camp group how to decorate a coffee table with bottle caps. But

almost immediately, Pearl and Rose start to clash — over Pearl's belongings crammed into the house, and over Rose's household rules. As the weeks pass, Pearl grows quieter and more withdrawn, until, one morning, she is gone. Acclaimed author Monica Kulling brings sensitivity to this story about homelessness, family and love, beautifully illustrated in Irene Luxbacher's rich collage style. This beautifully told story follows Billy from early spring to late summer as he helps his grandpa on his vegetable patch. They dig the hard ground in early spring, sow rows of seeds, and keep them watered and safe from slugs. When harvest time arrives they can pick all the vegetables and fruit they have grown.

My Grandpa's Secret is an autobiography about my childhood I wrote this book to shed light on child grooming and to bring awareness to child abuse, rape, and molestation. So many stories go unheard or get pushed aside and forgotten, like mine. I will no longer keep my mouth shut or forget about my past I am going to do something that should have been done a long time ago and expose all the family's dirty little secrets.

When Lily learns about a lottery for land plots to grow Victory Gardens, she tries to apply. But when the garden club president tells her she's too young to participate, Lily refuses to give up. She knows where there's a house with a big yard. The Bishops live in the largest house in town. It also has the largest yard. But the Bishops' son was the first soldier from the town to die in the war. Now Mrs. Bishop has hidden herself away in their house. When Lily asks Mr. Bishop for the use of a small plot within his yard, his grudging approval comes with the stern warning, "No bothering Mrs. Bishop." As Lily nurtures her garden, she discovers that the human heart is its own garden, with the same needs for attention and love. A former librarian, Helen L. Wilbur now works on the electronic side of the publishing world. Lily's Victory Garden was inspired by family stories of life on the home front during WWII. Helen also authored M is for Meow: A Cat Alphabet.

She lives in New York City. Robert Gantt Steele has illustrated many projects and books about the American experience. He is particularly interested in military and WWII history. Robert lives in northern California.

Lift-the-flap illustrations showing children having fun with their grandfathers reveal the terrific things grandfathers can do. St. Michaels, Maryland, is a town of shipbuilders whose reputation for crafting powerful schooners carries far beyond the shores of young America. And once the War of 1812 starts, that's not necessarily a good thing. For the British have targeted the town as part of their campaign to defeat America in its fight to maintain its independence. And now, in August of 1813 the British fleet is sailing up the Chesapeake River to St. Michaels. The town's militia is assembled but no one expects they can win the fight against the powerful British cannons. Citizens are being evacuated and the town is in turmoil. All young Henry Middle wants to do is find his father amid the chaos of the coming attack. The lanterns he carries will be of use to the militia. As Henry works to conquer his rising fear, he realizes he may hold the answer to outsmarting the British in his very hands. Lisa Papp studied at Iowa State University College of Design and at Du Cret School for the Arts. The Town that Fooled the British marks her authorial debut. Lisa illustrated the Pennsylvania number book, One for All, and collaborated with husband Rob on P is for Princess: A Royal Alphabet. Robert Papp's award-winning artwork includes hundreds of illustrations for major publishers. His first children's book, The Scarlet Stockings Spy, was named an IRA Teachers' Choice. His other books include The Last Brother and M is for Meow: A Cat Alphabet. Rob and Lisa live in Bucks County, Pennsylvania.

Billy learns about gardening from his grandfather. Includes gardening tips.

This hilarious middle-grade novel with illustrations throughout sees Tomas discover that he can grow dragons in his own garden! When Tomas discovers a strange old tree at the bottom of his grandfather's garden, he doesn't think much of it. But he takes the funny fruit from the tree back into the house and gets the shock of his life when a tiny dragon hatches! The tree is a dragon fruit tree, and Tomas now has his very own dragon, Flicker! While Tomas finds out that life with Flicker is fun, he also finds that it is very...unpredictable. Yes, dragons are wonderful, but they also set fire to your toothbrush and leave your underwear hanging from the TV antenna. Tomas has to learn how to look after Flicker---and quickly! And then something extraordinary happens: More dragon fruits appear on the tree! Now it's official, Tomas is growing dragons.

The definitive account of one of the most brazen jewel heists in history. Over Easter weekend 2015, a motley crew of six English thieves, several in their sixties and seventies, couldn't resist coming out of retirement for one last career-topping

heist. Their target: the Hatton Garden Safe Deposit, in the heart of London's medieval diamond district. "The Firm" included Brian Reader, ringleader and legend in his own mind; Terry Perkins, a tough-as-nails career criminal but also a frail diabetic; Danny Jones, a fitness freak, crime enthusiast, and fabulist; Carl Wood, an extra pair of hands, and definitely more brawn than brains; John "Kenny" Collins, getaway driver, prone to falling asleep on the job; and the mysterious Basil, a red-wigged associate who has only now been identified. Perhaps not the smoothest of criminals—one took a public bus to the scene of the crime; another read *Forensics for Dummies* in hopes he would learn how to avoid getting caught—they planned the job over fish and chips at their favorite pubs. They were cantankerous and coarse, dubbed the "Bad Grandpas" by British tabloids, and were often as likely to complain about one another as the current state of the country. Still, these analog thieves in a digital age managed to disable a high-security alarm system and drill through twenty inches of reinforced concrete, walking away with a stunning haul of at least \$19 million in jewels, gold, diamonds, family heirlooms, and cash. Veteran reporter and former London correspondent for the *New York Times* Dan Bilefsky draws on unrivaled access to the leading officers on the case at the Flying Squad, the legendary Scotland Yard unit that hunted the gang, as well as notorious criminals from London's shadowy underworld, to offer a gripping account of how these unassuming criminal masterminds nearly pulled off one of the great heists of the century.

On Saturdays Grandpa and grandchild work side by side in Grandpa's garden, sharing their deepest feelings and wishes and learning of life and death, growth and change.

After the phenomenal success of *The Storm Whale* and *On Sudden Hill*, this new book by Benji Davies deals with the emotional topic of losing a grandparent. Subtly told, this beautifully illustrated book tackles a difficult subject with great sensitivity and depth. At the bottom of Syd's garden, through the gate and past the tree, is Grandad's house. Syd can let himself in any time he likes. But one day when Syd comes to call, Grandad isn't in any of the usual places. He's in the attic, where he ushers Syd through a door, and the two of them journey to a wild, beautiful island awash in color where Grandad decides he will remain. So Syd hugs Grandad one last time and sets sail for home. Visiting Grandad's house at the bottom of the garden again, he finds it just the same as it's always been — except that Grandad isn't there anymore. Sure to provide comfort to young children struggling to understand loss, Benji Davies's tale is a sensitive and beautiful reminder that our loved ones live on in our memories long after they're gone. Praise for *Grandad's Island*: 'Davies's elegantly rough illustrations, evoking a child's paintings, tap into the imagination of death with little fuss, and his story declines to offer kids instruction on how to feel. Indeed, *Grandad's Island* doesn't mention death at all, but is deeply in touch with the ways in which loss and abundance commingle in the mind, correcting and assuaging each other.' *The New York Times Book Review* 'The creator of *The Storm Whale* (2014) offers another thoughtful picture book

guaranteed to spark discussion...Recommend to young families dealing with loss, especially those who prefer to gloss over the scientific realities.' Booklist Online 'As with *The Storm Whale*, Davies offers a story of loneliness and togetherness distinguished by understated, deeply felt emotions and a nautical milieu.' Publishers Weekly 'This book is innovative and useful as a way to talk about the idea of loss—without ever referring to actual death. Parents and educators can use this to talk with a child about how it's normal to be sad and miss loved ones...Cheerful, brightly colored illustrations make this a fine choice to use with the youngest of audiences. Since death isn't directly specified, this title also works for when a child's loved one is moving far away. An excellent vehicle to gently approach the topic of loss. Recommended for collections needing these types of materials.' School Library Journal 'Grandad's Island by British author-illustrator Benji Davies (*The Storm Whale*; *Bizzy Bear* series) celebrates a close grandfather-grandson relationship with warmth and style. Whether it's read as a picture book about love, loss or just missing someone who isn't around anymore, it's a charmer. Cheerful cinematic spreads invite young readers into all sorts of intriguing places, from a cozy attic full of curiosities like a turtle teapot, to a vast ship's deck, to the deep jungle of an island paradise.' Shelf Awareness for Readers 'A resonant, layered tale that will only gain in texture as its readers get older.' USA Today

Ian packs his little suitcase because he is going to Grandma and Grandpa's house! Grandpa and Grandma have a wonderful time with Ian. They make Ian laugh with their funny ways: Why does Grandpa go shopping with a shovel? Why is Grandma's guest bed so nice and warm? And Curly the dog does the silliest things....
