TLC's Counting On breakout stars Jeremy and Jinger Vuolo share their love story, a behind-the-scenes glimpse into their lives together, and the hope that drives them every day. Jinger Vuolo did not have what you'd call a typical childhood. The sixth child of Jim Bob and Michelle Duggar's nineteen, she grew up with the bright lights of television crews in her home, filming the hit TLC show 19 Kids and Counting. Jinger has always been a fan favorite, and now she and her husband Jeremy are the breakout stars of the show's sequel, Counting On. In The Hope We Hold, Jeremy and Jinger Vuolo share the highs and lows of their love story. They open up about the early days of getting to know one another, their long-distance relationship, and the many sleepless nights of their time as new parents. But throughout all their stories, just below the surface, weaving together every triumph and trial of their lives, is the silver thread of hope. Though they don't pretend to have all the answers, they can promise that there is hope in Christ for every person in every walk of life. There is an inheritance of glory, a life richer than we can imagine, if we only walk with Him.

Only a Woman deals with the felt need among women for surrender, growth, and service to the Lord. National conference speaker Terri McFaddin brings a motivational message for women to seek a deeper relationship with God by taking "radical action" for Him. While other books are centered around comforting and healing women, McFaddin recounts examples of women who reached beyond the traditional practice of Christianity "into biblical extremes designed to bring power, healing, and deliverance" to their lives -- and the lives of all around them. "Sooner or later you will find yourself searching for answers that can't be found at choir rehearsals and garden parties," says McFaddin, who offers clear answers here.

A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. "Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope."—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it's needed most for Christ's glory and the common good. But there's another story unfolding too—if you know where to look. In *Gospelbound*, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven't heard the whole story. And that's good news.

The Complete Book of Hymns brings to life the stories behind more than 600 hymns and worship songs. Bailey Flanigan is growing closer to her dream to be an actress and dancer in New York while Cody coaches a small high school football team ... on and off the field. And when tragedy strikes? Who will be there to provide comfort in the face of loss? As Cody's past catches up with him, he must learn to reach out for help or risk withdrawing permanently inside himself. Both Bailey and Cody find themselves learning significant life lessons in this poignant love story, featuring members from Karen Kingsbury's popular Baxter family.

Now with a new afterword from the author. "An important and extremely timely book...Get it, read it, and talk to others about it." --Timothy Keller In this unvarnished account of faith inside the world's most powerful office, Michael Wear provides unprecedented insight into the highs and lows of working as a Christian in government. *Reclaiming Hope* is an insider's view of the most controversial episodes of the Obama administration, from the president's change of position on gay marriage and the transformation of religious freedom into a partisan idea, to the administration's failure to find common ground on abortion and the bitter controversy over who would give the benediction at the 2012 inauguration. The book is also a passionate call for faith in the public square, particularly for Christians to see politics as a means of loving one's neighbor and of pursuing justice for all. Engrossing, illuminating, and at times provocative, *Reclaiming Hope* changes the way we think about the relationship of politics and faith. "A pre-Trump book with serious questions for our politics in the age of Trump...More necessary than ever before." -- Sojourners "Should be read by Democrats and Republicans, liberals and conservatives, and all who are concerned by the state of our politics." --Kirsten Powers, USA Today columnist and CNN political analyst "Reclaiming Hope will certainly give you a fresh perspective on politics--but, more importantly, it may also give you a fresh perspective on faith."--Andy Stanley, senior pastor of North Point Ministries "An important and extremely timely book...Get it, read it, and talk to others about it." --Timothy Keller, author of *Reason for God* "An important contribution in this age of religious and political polarization." --J.D. Vance, author of *Hillbilly Elegy* "A lifeline for these times." --Ann Voskamp, author of *One Thousand Gifts* and *The Broken Way* "We can hope, and this book can help us." --Russell Moore, president of the Ethics & Religious Liberty Commission of the Southern Baptist Convention

Parading respectability: The cultural and moral aesthetics of the Christmas Bands Movement in the Western Cape, South Africa is an intimate and incisive portrait of the Christmas Bands Movement in the Western Cape of South Africa. Drawing on her own on background as well as her extended research study period during which she became a band member and was closely involved in its day-to-day affairs, the author, Dr Sylvia Bruinders, documents this centuries-old expressive practice of ushering in the joy of Christmas through music by way of a social history of the coloured communities. In doing so, she traces the slave origins of the Christmas Bands Movement, as well as how the oppressive and segregationist injustices of both colonialism and apartheid, together with the civil liberties afforded in the South African Constitution (1996) after the country became a democracy in 1994 have shaped the movement.

Molly Ijames delivers a compelling setting of this timeless hymn with a creative accompaniment that helps us visualize the sunrise. This anthem is one constant crescendo and closes with the amazing cry, "May Jesus Christ be praised!"

Lamentations is a book that has never had a place of honor at the table of Christian spirituality. This is an unfortunate state of affairs because its challenging poetry has much to offer. This volume explores the how the biblical book of Lamentations may be engaged afresh so that it can function as Holy Scripture for the ekklesia. Four main chapters consider issues in hermeneutics, exegesis, the use of Lamentations in worship, and pastoral reflections. These chapters have been supplemented by seventeen reception history

studies written by an international team of Jewish and Christian scholars. These studies introduce a wide range of interpretations and uses of the book of Lamentations from throughout the history of Judaism and Christianity. They include examinations of the use of Lamentations in Isaiah 40-55, the Targum, Rashi, and contemporary Jewish thought, the Patristic period, Calvin, Jewish and Christian worship, music, Rembrandt, and psychological and feminist interpretation. Appendices include new English translations of LXX Lamentations and Targum Lamentations.

For anyone who has ever longed to go home again, *Long Way Gone* is a radical retelling of the prodigal son story that takes us from tent revivals to the Ryman Auditorium to the tender relationship between a broken man and the father who never stopped calling him home. At the age of eighteen, musician and songwriter Cooper O'Connor took everything his father held dear and drove 1,200 miles from home to Nashville, his life riding on a six-string guitar and the bold wager that he had talent. But his wager soon proved foolish. Five years after losing everything, he falls in love with Daley Cross, an angelic voice in need of a song. But just as he realizes his love for Daley, Cooper faces a tragedy that threatens his life as well as his career. With nowhere else to go, he returns home to the remote Colorado mountains, searching for answers about his father and his faith. When Daley shows up on his street corner twenty years later, he wonders if it's too late to tell her the truth about his past—and if he is ready to face it himself. Praise for *Long Way Gone*: “Cooper and Daley's story will make you believe that even broken instruments have songs to offer when they're in the right hands. Charles Martin never fails to ask and answer the questions that linger deep within all of us. In this beautifully told story of a prodigal coming home, readers will find the broken and mended pieces of their own hearts.” —Lisa Wingate, *New York Times* bestselling author of *Before We Were Yours* “A beautiful story of redemption and love once lost but found again, *Long Way Gone* proves two things: music washes us from the inside out, and Charles Martin's words do the same.” —Billy Coffey, bestselling author of *When Mockingbirds Sing and Steal Away Home* “With his emotional plot arcs and deeply-developed characters, Charles Martin is a long-time fan-favorite . . . Martin weaves all the pieces of this story together with a beautiful musical thread, and as the final pieces fall into place, we close this story feeling as if we have witnessed something surreal, a multi-sensory narrative for anyone who enjoys a redemptive story.” —Julie Cantrell, *New York Times* and *USA TODAY* bestselling author of *Into the Free* *USA TODAY* bestseller and Christy Award Book of the Year 2017 Stand-alone novel (approx. 85,000 words) Includes discussion questions for book clubs Also by Charles Martin: *The Water Keeper*, *The Mountain Between Us*, *Send Down the Rain*, and *When Crickets Cry*

Elizabeth Sheridan turns Rosehaven into a retreat center, and through family crisis and complications, she must find the faith to believe that love comes full circle in the end. These pastoral power points are vitamins, minerals and places of refreshing for ministry leaders to ensure that they don't allow the places where they lead in to become insufferable places of obligated servitude.

It is possible to find hymns in which the most profound emotions are expressed. They are also essential to the literary history of the English speaking people. References to hymns are constant and quotations from hymns in modern English usage are frequent. The ever popular presenter of Songs of Praise has now made her own selection of hymns in this charming and beautifully illustrated anthology. The selection is very personal as the author explains how each hymn has had a particular message or significance for her at key moments in her own life- sometimes these are moments of joy and happiness and sometimes at times of tragedy and sadness. Sally Magnusson also explains why she dislikes many hymns and why they are not included. Who is these days of political correctness for example can sing lustily words like `The rich man in his castle, the poor man at his gate`. More pertinent to our day and age are hymns with phrases such as `Change and decay in all around I see` and the celebrated hymn by Martin Luther which runs `A Firm Stronghold is our God`. In a reference to a number of hymns which do not appeal to her Sally Magnusson writes: `I can only take so much blood-stained imagery before lunch`. At all times, Sally Magnusson writes with great charm - a charm which those who watch Songs of Praise will recognise as being entirely her own. This is a perfect gift book.
