Dr Mike Moreno's 17 Day Diet is a revolutionary new weight-loss programme that activates your skinny gene so that you burn fat day in and day out. The diet is structured around four 17-day cycles: Accelerate- the rapid weight loss portion that helps flush sugar and fat storage from your system; Activate-the metabolic restart portion with alternating low and high calorie days to help shed body fat; Achieve - this phase is about learning to control portions and introducing new fitness routines; Arrive - A combination of the first three cycles to keep good habits up for good. Each cycle changes your calorie count and the food that you're eating. The variation that Dr. Mike calls 'body confusion' is designed to keep your metabolism guessing. This is not a diet that relies on a tiny list of approved foods, gruelling exercise routines, or unrealistic calorie counts that leave you hungry and unfulfilled. Each phase comes with extensive lists of what dieters can and can't eat while on the phase, but also offers acceptable cheats. He advises readers not to drink while on the diet, but concedes that if they absolutely have to then they should at least drink red wine. Dr Mike knows that a diet can only work if it's compatible with the real world, and so he's designed the programme with usability as a top priority.

Imagine losing 8 to 16 pounds the first week and 15 to 25 pounds a month eating skinny pizzas with only 125 calories per slice or 150-calorie cheesecake! Enjoy these delights and more: • “Jelly Doughnut” French Toast • California Club Pizza • Veggie-Packed Lasagna • Cheddar-Stuffed Turkey Burgers • Steak Fajitas • Skinny Watermelon Margaritas • Chocolate Peanut Butter Dip with Fruit • Skinny Cheesecake with Raspberry Drizzle Nutritious food doesn't have to be boring, expensive, and difficult to make. Everyone knows they need to eat more fruits and vegetables, but consuming even the minimum FDA-recommended five servings a day can be challenging. In Green for Life, raw foods pioneer Victoria Boutenko presents an overlooked powerhouse of nutrition in this equation: greens. For their bounty of minerals and nutrients, greens exceed other vegetables in value. Green for Life details the immense health benefits of greens and suggests an easy way to consume them in sufficient quantities: the green smoothie. This quick, simple drink benefits everyone, regardless of lifestyle, diet, or environment. Green smoothies eliminate toxins, correct nutritional deficiencies, and are delicious as well. Green for Life includes the latest information on the abundance of protein in greens, the benefits of fiber, the role of greens in homeostasis, the significance of stomach acid, how greens make the body more alkaline, the healing power of chlorophyll, and more. Also included are the results of a pilot study demonstrating the effectiveness of adding just one quart of green smoothies a day to one's diet, without changing anything else in dietary intake. Green smoothie testimonials and recipes give readers confidence and motivation in exploring green smoothies for themselves. This updated edition offers important new research on the role that omega-3 and omega-6 fatty acids play in metabolic health and includes nutritional data on select green smoothies and updated findings on organic versus conventional produce. A Smoothie recipe book for everybody!! Smoothies have become very popular in the last 10 years or so for one basic reason: People are drinking smoothies for health. As a result people are always looking for new recipes to make new smoothies so that whether they're on a smoothie diet or using smoothies for weight loss, they have some variety in their life. It's not fun to be on a smoothie detox plan and be drinking the same smoothies over and over again. You need variety. Variety is the spice of life. It was with these thoughts in mind that I created this smoothie recipe book. "50 Green Smoothie Recipes For Weight Loss, Detox Or The 10 Day Smoothie Cleanse Plan" allows you to have varieties of smoothies to choose from that will give you all the nutrients and vitamins and you need in your diet and at the same time have something you look forward to drinking. Practical Smoothie Recipes Also, this smoothie book focuses on the practical. I have not included ingredients that are either exotic or that you have to buy online. All the ingredients are vegetables and fruits that you can buy at your local grocery store. There's nothing worse than getting a smoothie book that the recipes call for bok choy or camu powder or spirulina, or other ingredients that generally are not found in every supermarket or grocery store. Or that are not natural. Smoothies for Kids Another great thing about smoothies is that you can make smoothies for kids. If your kids have a hard time eating their veggies or their fruits, smoothies are a great way to get them to eat their nutrients naturally without actually having to look at vegetables. Many a mom out there is getting their kids to "eat" their vegetables by giving them smoothies. No matter what you're using your smoothie diet for, whether it's for losing weight, to improve the beauty of your skin or just better health, having smoothies in your life is better than not having any smoothies at all. Some of the benefits of smoothies are -Lose Weight in a healthy fashion -Detox the Body with natural ingredients -Increase Energy for the whole day -Fight Heart Disease by eating right -Healthy Skin and Hair with the right nutrients Smoothies are the easiest way to eat less calories and at the same time get more nutrients into your body. So, It makes sense if your goal is to lose weight to incorporate smoothies into your life. It's been proven that this is a guaranteed way to lose weight, or to rid your body of toxins, provided you follow a dedicated plan. So here's what you get in this book -Practical ingredient smoothies -Smoothies that are easy to make -Smoothies that will last you the whole day long -Nutritional information so you can plan out your diet -Fun interesting facts and trivia In addition, I give you a free gift that you can use in conjunction with these recipes to really get the most out of the book. A New York Times bestseller from certified weight-loss expert JJ Smith, *Green Smoothies for Life* offers a brand-new meal plan to incorporate green smoothies into your everyday routine while developing healthier long-term eating habits and improving your overall health. More than a weight loss plan, the 10-Day Green Smoothie Cleanse, designed by nutritionist and certified weight-loss expert JJ Smith, became a way of life. Readers reported that they not only shed pounds but they also slept better, thought more clearly, and were in better over-all health, with some adherents, in consultation with their doctor, even moving off medication. As delicious as her green smoothies are, however, the cleanse was designed only to jumpstart a detox and a new approach to eating—it's not a permanent solution. In her new book, *Green Smoothies for Life*, the highly anticipated follow up to the #1 New York Times bestseller *10-Day Green Smoothie Cleanse*, Smith presents a way that green smoothies can be incorporated into your daily regimen. With over thirty recipes for everything from hot dinners to desserts and snacks, sixty thoughtfully composed green smoothie recipes, a thirty-day meal plan and the corresponding shopping lists, the book provides you with a step-by-step prescriptive daily regimen that shows you how to eat mindfully and healthily. In addition to green smoothies and color photographs of select recipes, the book includes more than twenty effective methods to detox (which helps fuel weight loss), information on Smith's DHEMM (Detox, Hormonal Balance, Eat, Move and Mental Mastery) weight loss system, and testimonials from dieters who've change their approach to not just food but also life since while following her advice. Whether you are just starting out on your weight loss journey or already a smoothie convert, *Green Smoothies for Life* is the essential next step in continuing your pursuit of a healthier lifestyle.
