

Growing Up Boy Talk A Survival Guide To Growing Up

An expanded and revised edition of the popular flip book for preteens. One half of the book is filled with questions commonly asked by girls entering puberty, and the other half with questions asked by boys. "If you can only afford one book on puberty for this age group, this is the one to have." --School Library Journal This book contains informative, honest, and reassuring answers to questions that preadolescents have about puberty--from friendships and feelings, to pimples, babies, body hair, menstruation, bras, and much more. Straightforward, age-appropriate answers are provided by an experienced nurse-and-physician team who have been giving seminars to preteens and their parents throughout the Pacific Northwest and Bay Area for more than 25 years. Each question in the book has been asked by kids during their classes (many of them frequently). This new edition also contains updated language throughout and additional questions and answers regarding sex, sexuality, consent, and gender identity and norms. The book is also filled with lighthearted and often humorous full-color illustrations throughout.

A real pediatrician and the author of the bestselling Care & Keeping of You series provides tips, how-tos, and facts about boys' changing bodies that will help them take care of themselves. Full color.

Discover an extraordinary tale of innocence, friendship and the horrors of war. 'Some things are just sitting there, minding their own business, waiting to be discovered. Like America. And other things are probably better off left alone' Nine-year-old Bruno has a lot of things on his mind. Who is the 'Fury'? Why did he make them leave their nice home in Berlin to go to 'Out-With' ? And who are all the sad people in striped pyjamas on the other side of the fence? The grown-ups won't explain so Bruno decides there is only one thing for it - he will have to explore this place alone. What he discovers is a new friend. A boy with the very same birthday. A boy in striped pyjamas. But why can't they ever play together? 'A small wonder of a book'

Guardian BACKSTORY: Read an interview with the author JOHN BOYNE and learn all about the Second World War in Germany.

At a time when many boys are in crisis, a much-needed roadmap for helping boys grow into strong and compassionate men Over the past two decades there has been an explosion of new studies that have expanded our knowledge of how boys think and feel. In How to Raise a

Bookmark File PDF Growing Up Boy Talk A Survival Guide To Growing Up

Boy, psychologist Michael Reichert draws on his decades of research to challenge age-old conventions about how boys become men. Reichert explains how the paradigms about boys needing to be stoic and "man like" can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially and emotionally. Reichert offers readers step-by-step guidance in doing just this by:

- Listening and observing, without judgment, so that boys know they're being heard.
- Helping them develop strong connections with teachers, coaches, and other role models
- Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women
- Letting them know that they don't have to "be a man" or "suck it up," when they are experiencing physical or emotional pain.

Featuring the latest insights from psychology and neuroscience, *How to Raise a Boy* will help those who care for young boys and teenagers build a boyhood that will enable them to grow into confident, accomplished and kind men.

Introduces human sexuality, describes the changes brought about by puberty, and discusses sexual abuse, sexually transmitted diseases, AIDS, and pregnancy.

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, *Time*), “poignant” (*Entertainment Weekly*), “soul-nourishing” (*USA Today*) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Time*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*,

and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. "Discusses body changes that happen to boys during puberty, such as acne, body hair, body odor, mood swings, crushes, and more, and gives suggestions to

teen boys for taking care of their hygiene and keeping good relationships"--Provided by publisher.

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss these other Shel Silverstein ebooks, *Where the Sidewalk Ends*, and *A Light in the Attic*!

"If you're raising a boy, you need this brilliant book. It is clear, wise, and eye-

opening." --Lisa Damour, Ph.D., author of *Untangled* When boys enter puberty, they tend to get quiet--or at least quieter than before--and parents often misread their signals. Here's how to navigate their retreat and steer them through this confusing passage, by the bestselling author of *The Care and Keeping of You* series and *Guy Stuff: The Body Book for Boys*. What is my son doing behind his constantly closed door? What's with his curt responses, impulsiveness, newfound obsession with gaming, and . . . that funky smell? As pediatrician and mother of two teenagers Cara Natterson explains, puberty starts in boys long before any visible signs appear, and that causes confusion about their changing temperaments for boys and parents alike. Often, they also grow quieter as they grow taller, which leads to less parent-child communication. But, as Natterson warns in *Decoding Boys*, we respect their increasing "need" for privacy, monosyllabic conversations, and alone time at their peril. Explaining how modern culture mixes badly with male adolescent biology, Natterson offers science, strategies, scripts, and tips for getting it right: * recognizing the first signs of puberty and talking to our sons about the wide range of "normal" through the whole developmental process * why teenagers make irrational decisions even though they look mature--and how to steer them toward better choices * managing video game and screen time, including discussing the unrealistic and

dangerous nature of pornography * why boys need emotional and physical contact with parents--and how to give it in ways they'll accept * how to prepare boys to resist both old and new social pressures--drugs, alcohol, vaping, and sexting * teaching consent and sensitivity in the #MeToo culture

Decoding Boys is a powerful and validating lifeline, a book that will help today's parents keep their sons safe, healthy, and resilient, as well as ensure they will become emotionally secure young men. Praise for Decoding Boys "Comforting . . . a common-sensical and gently humorous exploration of male puberty's many trials."--Kirkus Reviews

Boy TalkQEB Publishing

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. An instant New York Times bestsellerAn instant IndieBound bestsellerThe #1 Kids' Indie Next PickA Walter Award winner Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar

circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

Boys can have many questions about going through puberty. This classic, appealingly illustrated guidebook--now updated with brand new content relevant to today's kids--is the perfect companion for boys and parents preparing for this important milestone. This guide offers a supportive, practical approach, providing clear and sensitive answers to common issues--from what physical changes you might experience, to what puberty is like for girls, to how to handle the sexual feelings you may be starting to experience. This revised edition is made up of 25% updated content, featuring new sections on: - body image - sexual harassment and consent - using social media safely Complete with funny black-and-white illustrations, this book will give boys the facts they need to feel confident about this new phase of their lives.

'Wise and kind' - Sali Hughes 'Every young teen needs this book' - Nadia Sawalha 'Brilliant, accessible, sensitive and funny' - Emily Maitlis 'Funny, kind and wise' - Daisy Buchanan

Going through puberty? Thinking about puberty? Worried about growing up? This book is for you! Puberty isn't just about what's going on in your body, but also your brain, your emotions and the world around you. Knowledge is power! All the information you need is here, plus advice, wisdom and lots of questions from girls like you: - Body-basics (like breasts, spots and periods) - Life's big mysteries. Is how you look important? A friendly, reassuring positive guide for boys as they approach puberty, explaining the changes that will happen to their bodies as they grow up and how these changes might make them feel. Covering everything from body hair and vocal changes to mood swings and self-esteem, puberty and parenting expert Phil Wilkinson addresses any worries that boys might have relating to what is 'normal'. He reassures readers and boosts their confidence, encouraging them to feel positive about the changes they will experience as they go through puberty. The book also includes lifestyle advice on topics like healthy eating and exercise,

as well as information on how puberty affects girls. Topics covered: What is puberty? Your puberty timeline How do hormones work? The height and weight race A deeper voice Spotty skin Hair, hair, everywhere The art of shaving Sweat, smells and personal hygiene Changes down below More changes down below New feelings Sex explained Making babies Keeping your confidence up Mood swings Managing your feelings Healthy eating The power of exercise Privacy and your body Puberty for girls Girls have worries, too

From one of the most beloved and bestselling authors in the English language, a vivid, nostalgic and utterly hilarious memoir of growing up in the middle of the United States in the middle of the last century. A book that delivers on the promise that it is “laugh-out-loud funny.” Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery, at the age of six, of a woollen jersey of rare fineness. Across the moth-holed chest was a golden thunderbolt. It may have looked like an old college football sweater, but young Bryson knew better. It was obviously the Sacred Jersey of Zap, and proved that he had been placed with this innocuous family in the middle of America to fly, become invisible, shoot guns out of people’s hands from a distance, and wear his underpants over his jeans in the manner of Superman. Bill Bryson’s first travel book opened with the immortal line, “I come from Des Moines. Somebody had to.” In this hilarious new memoir, he travels back to explore the kid he once was and the weird and wonderful world of 1950s America. He modestly claims that this is a book about not very much: about being small and getting much larger slowly. But for the rest of us, it is a laugh-out-loud book that will speak volumes – especially to anyone who has ever

been young.

ONE OF BOOK RIOT'S BEST BOOKS OF THE YEAR Dustin Lance Black wrote the Oscar-winning screenplay for Milk and helped overturn California's anti-gay marriage Proposition 8, but as an LGBTQ activist he has unlikely origins--a conservative Mormon household outside San Antonio, Texas. There he was raised by a single mother who, as a survivor of childhood polio, endured brutal surgeries as well as braces and crutches for life. Despite the abuse and violence of two questionably devised Mormon marriages, she imbued Lance with her inner strength and irrepressible optimism. When Lance came out to his mother at age twenty-one, she initially derided his sexuality as a sinful choice. It may seem like theirs was a house destined to be divided--and at times it was. But in the end, they did not let their differences define them or the relationship that had inspired two remarkable lives. This heartfelt, deeply personal memoir explores how a mother and son built bridges across great cultural divides--and how our stories hold the power to heal.

Unflinchingly honest, unfliningly complete, immensely readable (and often funny), "Spare Me 'The Talk!'" is the first book of its kind by a guy, for guys ages 12-24, and for parents of boys as young as 8.

This is your guide how to cope with physical changes and maintain personal hygiene during puberty. How to look after your social and emotional health. How to navigate friendships and relationships, including the lowdown on what's happening to girls while changes occur in your life. How to play it safe on social media and in the real world. This book is full of good, reasonable advice which is bound to boost any teenage boy's confidence – it even includes a 'positive puberty' checklist.

The first memoir for young readers by sports legend Kareem Abdul-Jabbar. At one time, Lew Alcindor was just another kid from New York City with all the usual problems: He struggled with fitting in, with pleasing a strict father, and with overcoming shyness that made him feel socially awkward. But with a talent for basketball, and an unmatched team of supporters, Lew Alcindor was able to transform and to become Kareem Abdul-Jabbar. From a childhood made difficult by racism and prejudice to a record-smashing career on the basketball court as an adult, Kareem Abdul-Jabbar's life was packed with ""coaches"" who taught him right from wrong and led him on the path to greatness. His parents, coaches Jack Donahue and John Wooden, Muhammad Ali, Bruce Lee, and many others played important roles in Abdul-Jabbar's life and sparked him to become an activist for social change and advancement. The inspiration from those around him, and his drive to find his own path in life, are highlighted in this personal and awe-inspiring journey. Written especially for young readers, *Becoming Kareem* chronicles how Kareem Abdul-Jabbar became the icon and legend he is today, both on and off the court. "Destined to become one of the classics of the genre" (Newsweek), the riveting, unforgettable story of a girl whose indomitable spirit is tested by homelessness, poverty, and racism in an unequal America—from Pulitzer Prize-winning journalist Andrea Elliott of *The New York Times* ONE OF THE TEN BEST BOOKS OF THE YEAR: *The New York Times* • ONE OF THE BEST BOOKS OF THE YEAR: *The New York Times Book Review*, *Time*, and *NPR Invisible Child* follows eight dramatic years in the life of a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. Dasani was named after the bottled water that signaled Brooklyn's gentrification and the shared aspirations of a divided city. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her family, tracing

Bookmark File PDF Growing Up Boy Talk A Survival Guide To Growing Up

the passage of their ancestors from slavery to the Great Migration north. As Dasani comes of age, the homeless crisis in New York City has exploded amid the deepening chasm between rich and poor. Dasani must guide her siblings through a city riddled by hunger, violence, drug addiction, homelessness, and the monitoring of child protection services. Out on the street, Dasani becomes a fierce fighter to protect the ones she loves. When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? By turns heartbreaking and inspiring, *Invisible Child* tells an astonishing story about the power of resilience, the importance of family, and the cost of inequality. Based on nearly a decade of reporting, *Invisible Child* illuminates some of the most critical issues in contemporary America through the life of one remarkable girl.

The *Growing Up Book for Boys* explains the facts behind the growth spurts, body changes and mood swings of adolescence for boys aged 9-14 on the autism spectrum. The pre-teen and teenage years are a confusing time when bodies start acting with a will of their own, friendships change and crushes start to develop. Using direct literal language and cool colour illustrations, this book tells boys all they need to know about growing hair in new places, shaving, wet dreams and unexpected erections. It's full of great advice on what makes a real friend, how to keep spots away, and how to stay safe online. Most importantly, it explains that every body is amazing and unique and encourages young boys with autism to celebrate difference!

Growing up God's way for Girls is a colourful, fully illustrated book available as separate versions for boys and girls. It is intended for children approaching or experiencing puberty, typically represented by the 10-14 years old age range. The artwork has been specially

produced for the book and includes accurate biological drawings as well as 'cartoon' illustrations to keep the young reader interested. Most importantly of all, the Bible is the constant reference point, so that what the Bible has to say about the matters dealt with is always front and centre. The result is that this book conveys essential biblical ethical teaching as well as the facts about puberty. For example, here's an extract from the teaching on the chapter on 'Physical Intimacy' (in this case in the girls version): So special that God has given us rules It might seem attractive to live in a world where there are no laws. (Of course it would mean that your parents would never be able to tell you that you were doing something wrong!) But have you ever thought what would happen if there were no laws about how we should drive a car? The laws of the road make it safe for us to drive. If there were none, many more people on the road would get injured and driving would be a very frightening experience. God has given us a law regarding how we relate to the opposite sex in sexual intimacy. This law is the seventh of the Ten Commandments: 'You shall not commit adultery' (Exodus 20:14). From this verse and other passages in the Bible, we learn that all sexual activity outside marriage is wrong. The word adultery means either being married and experiencing sexual intimacy with someone who is not your husband, or experiencing sexual intimacy with someone else's husband. In the New Testament, God warns us to 'flee from sexual immorality' (1 Corinthians 6:18). The term 'sexual immorality' includes any sexual activity that is not between a husband and his wife. The fact that God has given us a specific command to keep sexual intimacy for marriage shows how important God considers sexual intimacy to be. The husband and wife are important to Him, their marriage is important to Him, and the new life that may result from sexual intimacy is important to Him. God's law about sexual intimacy is for our safety and well-

An Amazon Best Book of the Year optioned for television by Gabrielle Union! In a series of personal essays, prominent journalist and LGBTQIA+ activist George

M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys. Both a primer for teens eager to be allies as well as a reassuring testimony for young queer men of color, *All Boys Aren't Blue* covers topics such as gender identity, toxic masculinity, brotherhood, family, structural marginalization, consent, and Black joy. Johnson's emotionally frank style of writing will appeal directly to young adults.

A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the *New York Times* wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South

against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he may his way north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to “hurl words into this darkness and wait for an echo.” Seventy-five year later, his words continue to reverberate. “To read *Black Boy* is to stare into the heart of darkness,” John Edgar Wideman writes in his foreword. “Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear.” One of the great American memoirs, Wright’s account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time. Full of fun artwork and enlivened with a modern, quirky design, these books offer essential information on the ups and downs of growing up. Written in a direct, yet informal way, these handy guides will be a useful aid for pre-teen readers. This essential guide to growing up for girls covers everything children have always wanted to know but were afraid to ask. Friendly and funny text features case studies and questions from 'real-life' anonymous readers to encourage the

idea that different experiences are still normal. Subjects that might seem daunting to readers are covered with sensitivity and quirky humour. Puberty and personal hygiene are covered in detail, as are relationships in and out of school, including different types of bullying and how to stay safe online. The guides describe what happens when – and most importantly, why – making growing up a little less scary.

The Boy's Body Book is here to help with expert advice, common sense tips, fast facts, and answers to all questions a boy might have about growing up.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his

son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Uses a question-and-answer format to present sex information for preteens.

A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. When I first encountered Ford Donovan, I had no idea who he was...well, other than the obvious. Young, gorgeous, successful, smart. Did I mention young? If I did, it bears repeating. Ford Donovan was too young for me. Let's back up to how it all started. My best friend decided I needed to start dating again. So, without my knowledge, she set up a profile for me on a popular dating site—one that invited men ages twenty-one to twenty-seven to apply for a date. Those nicknamed Cunnilingus King were told they'd go straight to the top for consideration. The profile wasn't supposed to go live. Another point that bears repeating—it wasn't supposed to. Nevertheless, that's how I met Ford, and we started messaging. He made me laugh; yet I was adamant that because of his age, we could only be friends. But after weeks of wearing me down, I finally agreed to one date only—my first after twenty years of being with my high school sweetheart. I knew it couldn't last, but I was curious about him. Though, you know what they say...curiosity kills the cat. My legs wobbled walking into the restaurant. Ford was seated at the bar. When he turned around, he took my breath away. His sexy smile nearly melted my

panties. But...he looked so familiar. As I got closer I realized why. He was the son of the neighbor at our family's summer home. The boy next door. Only now...he was all man. I hadn't seen him in years. I left the restaurant and planned to put the entire crazy thing behind me. Which I did. Until summer came. And guess who decided to use his family's summer home this year?

When Martin McKenna was growing up in Garryowen, Ireland, in the 1970s, he felt the whole world knew him as just “that stupid boy.” Badly misunderstood by his family and teachers, Martin escaped from endless bullying by running away from home and eventually adopting—or being adopted by—six street dogs. Camping out in barns, escaping from farmers, and learning to fend for himself by caring for his new friends, Martin discovered a different kind of language, strict laws of behavior, and strange customs that defined the world of dogs. More importantly, his canine companions helped him understand the vital importance of family, courage, and self-respect—and that he wasn't stupid after all. Their lessons helped Martin make a name for himself as the “Dog Man” in Australia, where he now lives and dispenses his hard-earned wisdom to dog owners who are sometimes baffled by what their four-legged friends are trying to tell them. An emotional and poignant story seasoned with plenty of Frank McCourt-style humor, *The Boy Who Talked to Dogs* is an inspiration to anyone who's ever been told he or she won't amount to anything. It's also a unique, fascinating look into canine behavior. In these pages, Martin shows how modern life has conditioned

dogs to act around humans, in some ways helpful, but in other ways unnatural to their true instincts, and how he has benefited enormously from learning to “talk dog.” A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

Every guys guide to navigating puberty One day, your son is just a regular kid doing regular kid stuff and then--BOOM--puberty hits! If they're wondering what's up with all the body changes (like, "what the heck happened to his voice?"), don't worry--of all the puberty books for boys, this one has all they need to know to stay cool and grow up great.
