As a marketing director, I'm always looking for all sorts of different ways to educate and expand the market of website flipping. In this guide I educate you about how to make profits from buying and selling online businesses like websites, domains and apps. This guide is actually a complete course where I teach you how to create a digital asset that at a later point you can sell to another investor or a buyer - someone who looks at your business as a strategic acquisition, and all that good stuff. Also if you want to jumpstart your own track into making money online, you can always buy one of these businesses through the best marketplace I will recommend. You will also learn how to vet every business that comes onto the marketplace and make sure it's legitimate. You will learn how to verify their traffic, verify the revenue, and all that kind of good stuff. Right now is one of the best times to get involved in buying and selling of online businesses. The industry is young and things are moving fast. Whether you want to buy a business or sell a business or both, now is the perfect time to learn how to make the plan. Vintage clothing has never been more chic, with everyone from celebrity trendsetters to style-conscious professionals searching for wearable treasures from the past. Virtual Vintage is the first and only guide that helps both the novice and the fashion connoisseur evaluate and confidently participate in the thriving vintage marketplace that exists online. No other book explains how to get it, sell it, fix it, or wear it with flair. Authors Linda Lindroth and Deborah Newell Tornello equip readers from head to toe with • more than 100 chic sites—rated and evaluated • instructions on contacting sellers • smart strategies for bidding in online auctions • advice about evaluating the size, quality, and colors of a garment • tips for cleaning and repairing vintage items Whether you're looking for a 1960s Rudi Gernreich knit, Gucci hipster trousers, a Claire McCardell for Townley shirtwaist, or a Chanel suit in pink wool with black patent-leather trim, Virtual Vintage will help you build a unique and sensational wardrobe.

Novice to advanced online auction buyers require a convenient reference book that provides concise tips and answers during the bidding process so that they don't miss a valuable opportunity. The industry's medium to high volume sellers also require a practical handbook that they can reference at a moment's notice and at every stage of the auction process, providing clear, concise technical instructions on listing, executing, and recording each sale. As of yet, this type of online auction reference/tip book is not available. Auction users now demand clear, concise, ready-to-use tips and tactics that they can reference easily and apply without delay before, during, and after the auction. With that in mind, this book will be divided into chapters that are related to every step of the auction process. Each chapter will feature a general introduction to the specific topic at hand, and then proceed to serve up a generous and appropriate number of easy-to-use tips, laid out in a logical, linear progression.
