The official picture-book adaptation of "Change Your Mind" by series creator Rebecca Sugar! In 2019, Cartoon Network aired a pivotal episode in its Emmy- and Annie-award nominated series Steven Universe: The hour-long special "Change Your Mind" revealed the highly anticipated culmination of Pink Diamond's storyline. A companion book to the series, *The Tale of Steven* tells the story of "Change Your Mind" in the same style as the New York Times bestselling *The Answer*. Featuring an unusual and thought-provoking interactive format, readers will follow the story of Pink Diamond's escape from Homeworld, Rose Quartz's life on Earth, and the creation of Steven Universe, from multiple conflicting perspectives. *The Tale of Steven* will be an irresistible keepsake for Steven Universe fans of all ages. From the back cover: Once upon a time, a silly, impossible little Gem named Pink Diamond ran away from her Homeworld to the planet Earth. She transformed into Rose Quartz and gave up her existence to create a half-human child, Steven Universe. But so long as Steven has her Gem, can they BOTH exist? Is he her? Is she him? Is she trapped inside his Gem? This is so DISORIENTING! In a story unlike any other—made up of multiple points of view—who gets to tell the Tale of Steven?

The Crystal Gems - Garnet, Amethyst and Pearl - are three of the toughest heroes on earth. They are also mentors to Steven Universe, a gem/human hybrid boy whose mother was a great Gem leader. The definitive resource for working with powerful crystals! Sparkling, luminous, and colorful, it is no wonder crystals have always been regarded as a source of power from ancient times to present day. But with the enormous number of crystals now on the market, it is difficult to choose exactly the right stone. In 101 Power Crystals, internationally renowned crystal expert Judy Hall brings together 101 crystals that are powerful across a wide spectrum of uses and suitable for all types of user. Not all crystals suit everyone, and the selection has been specially chosen to offer alternatives and new possibilities that may not have been thought of before. This distinctive collection includes high vibration crystals that experienced crystal practitioners will want to explore as well as those with earthier vibrations that are suited to beginners or those developing their sensitivities. It also features some rare and recently discovered crystals and stones that have not been included in any other volume, such as Aurora Quartz, Que Sera, Trigonic Quartz, and Preseli Bluestone. Each entry covers the history, mythology, and symbolism of the crystal in addition to its healing properties and environmental effects. There are crystals and stones for love, health, protection, abundance, and many other powers.

Details the powerful effects of gems as an alternative therapy for physical, psychological, and spiritual healing • Reveals the physical, healing, and astrological properties of over 70 minerals, along with instructions for maintaining and recharging their powers • Examines the “life” energy of stones, their basic vibratory patterns, and how this energy is used therapeutically to treat various disorders • Shows how to use gems in color therapy and to harmonize the chakras Gemstones have been used for both therapeutic and spiritual purposes since the beginning of time and in all traditions. Used properly, they can contribute to and accelerate healing through the practice of lithotherapy, which uses gems and minerals to restore enzymatic functions, and they can energize

spiritual development. Alternative medicines such as homeopathy have given prominence to the therapeutic character of certain minerals, but the use of gemstones in expanding awareness or establishing a holistic, energetic connection with the stone itself have scarcely been brought forward. In this reclaiming of ancient wisdom, Florence Mège mont explores the many potent and beneficial dimensions of the mineral world. Over 70 precious and semiprecious stones are inventoried as to their principal deposits, therapeutic applications, and zodiac correspondences. Readers will discover which physical and emotional disorders can be relieved by using which minerals and--with the application of chakra therapy--which gemstones are indispensable to their spiritual health. While not proposing that lithotherapy is a substitute for traditional allopathic treatment, Mège mont shows that it can be a powerful complement to it. Additionally, stones can act preventively, energizing both our health and spiritual resources to a state of balance and attunement.

Discover the magic hidden inside you! Steven's mother, Rose Quartz, was a member of the powerful Crystal Gems. Steven Universe: Art & Origins is the first book to take fans behind the scenes of the groundbreaking and boundlessly creative Cartoon Network animated series Steven Universe. The eponymous Steven is a boy who—alongside his mentors, the Crystal Gems (Garnet, Amethyst, and Pearl)—must learn to use his inherited powers to protect his home, Beach City, from the forces of evil. Bursting with concept art, production samples, early sketches, storyboards, and exclusive commentary, this lavishly illustrated companion book offers a meticulous written and visual history of the show, as well as an all-access tour of the creative team's process. Steven Universe: Art & Origins reveals how creator Rebecca Sugar, the writers, the animators, and the voice actors work in tandem to bring this adventure-packed television series to life.

Beginner's Guide to Gemmology presents the profiles of the principal gem materials. This book discusses the interesting characteristics of gemstones as the growing consumer market jewelry resulted in increased sales of gem testing instruments. Organized into 12 chapters, this book begins with an overview of the development of the science of gemmology. This text then explains the fundamental qualities necessary in a gem, including color, hardness, specific gravity, crystallography, refractive index, pleochroism, critical angle, luminescence, and absorption spectra. Other chapters consider the organic gem materials, including amber, ivory, coral, tortoiseshell, jet, ebony, and pearl. This book discusses as well the various methods used in the production of man-made gemstones and the commercial use in gem testing. The final chapter deals with the composition of synthetic gemstones. This book is a valuable resource for

gemmologists and jewelers. Students who intend to become a qualified gemologist will also find this book extremely useful.

Josceline Fenton (Hemlock) and Chrystin Garland (Adventure Time) help keep Beach City weird with this new four-issue miniseries. Steven takes the Gems out for a camping trip and tells them spooky stories around the camp fire. The Gems don't give him much of a reaction, but they do tell him a spooky story of their own about a monster who turns bad Gems into glass and shatters them. Pearl assures a terrified Steven that it's just a story, but suddenly people around Beach City start turning up frozen in glass...

The official sequel to the bestselling *Steven Universe: Art & Origins* *Steven Universe: End of an Era* is the eagerly anticipated follow-up to the bestselling behind-the-scenes companion book *Steven Universe: Art & Origins*. Showcasing new concept art, storyboards, background paintings, and exclusive interviews, *End of an Era* will update the history of the Emmy Award-winning series to cover season four through to the critically acclaimed finale, "Change Your Mind," and beyond. Fans can expect a special focus on creator and showrunner Rebecca Sugar's elaborate process for creating the lore for the series, as she and the crew reveal how they discovered and developed the complete story arc for each character, as well as how they were able to design a show that so refreshingly captures and celebrates the experience of childhood. *Steven Universe: End of an Era* is a heartfelt send-off to one of the most progressive, imaginative, and beloved animated series of our time.

All the hits from Season 1 of *Steven Universe*! *Steven Universe* may have inherited his magical abilities from his mother, Rose Quartz, but there's no doubt that his love of music comes from his father, Greg Universe. Now, fans can learn to sing and play all of Steven's favorite songs--from the tunes he learns on his ukulele, to his father's guitar hits, as well as original songs sung by each of the Crystal Gems. This music book also gives kids the tools and inspiration they need to write their own songs!

Simon & Schuster's *Guide to Gems and Precious Stones* provides both the connoisseur and the casual collector with a compact, easy-to-use volume describing more than 100 rare varieties of minerals whose beauty and mystery have possessed our imaginations from time immemorial. More than 450 brilliant photographs accompany profiles of each gem, covering such aspects as appearance, physical properties -- density, hardness, refraction -- occurrence, and how to judge quality and value. Additional sections describe the process of cutting gemstones and the techniques professional gemologists use to evaluate a stone's weight and optical properties. Detailed and comprehensive, this book is essential for anyone interested in the study of gems and precious stones.

A comprehensive and beautifully illustrated guide to crystals. Find a known crystal instantly or identify an unknown crystal in this easy-to-follow directory that includes photographic identification, detailed descriptions, and information on the individual properties of each crystal--including the spiritual, mental and psychological, emotional and physical effects, plus its use in healing. It's an indispensable reference for crystal lovers everywhere.

Do you think you know the truth about what happens in Beach City? THINK AGAIN! Fans of *Steven Universe* know that Steven and the Crystal Gems are behind most of the strange occurrences that happen in their hometown of Beach City. But Ronaldo Fryman, the town's resident blogger and conspiracy theorist, has some other ideas.

This book, created by show writers Ben Levin and Matt Burnett, is a companion to Ronaldo's blog of the same name, and includes his favorite theories and collected evidence. Is Ronaldo a raving, delusional madman or a brilliant, misunderstood visionary (or a little bit of both)? You be the judge!

In Focus Crystals describes over 100 crystals, from amethyst to zircon, complete with detailed summaries of their uses, qualities, and strengths, all expertly presented by crystal therapist Bernice Cockram. Step-by-step Questions and Answers with detailed color photographs for easy identification. The Firefly Guide to Minerals, Rocks and Gems is designed for easy and reliable identification of minerals, gems and rocks. The identification process begins with the stone's streak color, which is how the book is organized: Blue, Red, Yellow, Brown, Green Black and White. Using a sequence of straightforward questions and answers -- aided by over 1,000 photographs and drawings -- the book narrows down the possibilities among 350 minerals, gems and rocks to reach the conclusive classification. Identification is then further narrowed down with respect to Crystal form, Hardness, Luster, Density, Cleavage, Break and Tenacity. Each rock's main photograph shows the general or typical view, and identification tips about features are noted in the margins of the respective page. Similar stones are presented for comparison and tips are provided that can eliminate imposters. Drawings show the mineral's crystal shape. The chemical formula reveals the elements from which the mineral is composed. There is also information about where the stone is typically found and some of the ways that humans have utilized it. Packed with beautiful photographs of earth's many rocks, minerals and gems, The Firefly Guide to Minerals, Rocks and Gems is perfect for amateur mineralogists and collectors.

A comprehensive manual for using crystals, gems, and stones to address physical, emotional, and spiritual health conditions • Includes an extensive Materia Medica detailing the healing and spiritual properties of 200 crystals and stones based on Classical Chinese Medicine • Explores the role played by the color of each stone, its Yin and Yang qualities, crystalline structure, chemical composition, and topical and internal applications • Explains how to make stone and crystal elixirs, wear stones as healing jewelry, use them in massage and energy work, and cleanse and recharge them • Based on the oral teachings of Dr. Jeffrey C. Yuen, a Taoist priest from the ancient lineage of the Jade Purity School (88th generation) masters In addition to herbalism and acupuncture, Chinese Medicine has a rich tradition of using stones as medicine, passed from generation to generation for thousands of years. In this comprehensive guide and extensive Materia Medica, Leslie J. Franks presents the Stone Medicine teachings of Dr. Jeffrey C. Yuen, an 88th generation Taoist priest from the ancient lineage of the Jade Purity School, which dates to the Han dynasty, 206 BCE. Detailing the therapeutic properties of 200 gems, stones, minerals, and crystals, Franks begins with an extensive look at 15 different forms of quartz, followed by chapters on transformative stones, protective stones, nourishing stones, source energy stones, and alchemical stones. She explains the physical, emotional, and spiritual conditions each stone can treat and how their color, form, hardness, and energetic qualities affect us according to Chinese Medicine. She

discusses how to make stone and crystal elixirs for internal and topical use, how to charge quartz with the healing properties of other stones, how to cleanse and recharge a stone after use, and how to combine stones to create healing formulas for individual conditions. She explains different techniques of wearing stones as healing jewelry and how to use them in massage and energy work. She examines the chemistry and sacred geometry of crystal structure, revealing how the minerals contained in the stones affect our physiology by supporting our Jing (Essence); by nourishing Qi (energy), blood, and fluids; and by clearing Wind, Cold, Damp, and Heat conditions that can lead to disease. Including a thorough primer on Traditional Chinese Medicine and backed by modern scientific research, this book explains how stones access our deepest layers, vibrating ever so slowly, to initiate deep lasting change.
