From an elite Special Operations physical trainer, an ingeniously simple, rapid-results, do-anywhere program for getting into amazing shape. For men and women of all athletic abilities! As the demand for Special Operations military forces has grown over the last decade, elite trainer Mark Lauren has been at the front lines of preparing nearly one thousand soldiers, getting them lean and strong in record time. Now, for regular Joes and Janes, he shares the secret to his amazingly effective regimen—simple exercises that require nothing more than the resistance of your own bodyweight to help you reach the pinnacle of fitness and look better than ever before. Armed with Mark Lauren's motivation techniques, expert training, and nutrition advice, you'll see rapid results by working out just thirty minutes a day, four times a week—whether in your living room, yard, garage, hotel room, or office. Lauren's exercises build more metabolism-enhancing muscle than weightlifting, burn more fat than aerobics, and are safer than both, since bodyweight exercises develop balance and stability and therefore help prevent injuries. Choose your workout level—Basic, 1st Class, Master Class, and Chief Class—and get started, following the clear instructions for 125 exercises that work every muscle from your neck to your ankles. Forget about gym memberships, free weights, and infomercial contraptions. They are all poor substitutes for the world's most advanced fitness machine, the one thing you are never without: your own body.

Bethany Hamilton has become a fitness expert by virtue of being a professional athlete who has excelled—and she's done it while overcoming incredible challenges. Whether you know Bethany or not, whether you surf or not, everyone has challenges, and in *Surfer Style*, Bethany shares some of her core experiences with body, mind and spirit. Sharing her expertise as an athlete, *New You* helps young girls develop a healthy lifestyle, understand their changing bodies, gain confidence, and establish a pattern of healthy living starting at a young age. This book includes workouts specially developed for young girls by Bethany's personal trainer, recipes and information on healthy eating based on "Bethany's food pyramid," which follows the Mediterranean diet, and advice on deepening your spiritual health, for a total body wellness book perfect for growing girls. This isn't a book about Bethany, this is a book about wellness, becoming your best "you," through physical and spiritual balance, because spiritual health is just as important as physical health.
