

## Guinness World Records 2018

Gamer's 2020 is bursting at the seams with the characters our readers love and the games making the biggest splash in gaming right now! Gamer's 2020 features characters and legends such as Super Mario, Spider-Man, Pikachu, Link, Master Chief, Solid Snake, Batman, Mickey Mouse, Lara Croft and Crash Bandicoot will all have their own page... and that's just the start! And, if that wasn't enough, this year a special section is dedicated entirely to the gaming sensation that is Fortnite. We've worked closely with the game's publisher, Epic, to obtain the most accurate facts on the best players, the most popular equipment and the biggest in-game events. We've also crafted specially designed Reader Challenges to put our readers to the test and crown all-new record holders! The book's features will transport our readers to more legendary gaming franchises – whether they visit a galaxy far, far away in Star Wars, get up-to-speed on gaming's debutant heroes, catch-up on a year's worth of eSports tournaments, or explore the history of Assassin's Creed's locales. Gamer's 2020 has something for every gamer on the planet and remains the ultimate guide to gaming!

The world's most popular record book is back with thousands of new categories and newly broken records, covering everything from outer space to

sporting greats via Instagram, fidget spinners and all manner of human marvels. Inside you'll find hundreds of never-before-seen photographs and countless facts, figures, stats and trivia waiting for you on every action-packed page. Guinness World Records 2019 is the ultimate snapshot of our world today. Plus, this year we celebrate the incredible "Maker" movement with a special feature devoted to the inventors, dreamers, crafters and creators who devote their lives to amazing record-breaking projects such as the largest water pistol, a jet-powered go-kart and an elephant-sized hamburger (think you could eat a whole one!?). We take a sneak peek into their workshops to explore these epically big builds, and ask them what inspires them to go really, really large! And if you like creating, and you like LEGO®, then you'll love our "Making History" pages that use the world's most famous interlocking plastic bricks to illustrate and explain an important record-breaking object – such as the Statue of Liberty or the Apollo mission's Saturn V rocket. We examine their designs, structure and technical specifications in fully illustrated and colorful, poster-style pages. Finally, you can jump into both the making and record-breaking action with a "Do Try This At Home" section. Challenge yourself and your family with five fun record-breaking maker-inspired records you can attempt involving origami, balloon sculptures, ring pulls and rubber bands. Who

knows, your creation might just make it into the record books!

The record-breaking records annual is back and packed with more incredible accomplishments, stunts, cutting-edge science and amazing sporting achievements than ever before. With more than 3,000 new and updated records and 1,000 eye-popping photos, it has thousands of new stats and facts and dazzling new features. There is so much to explore inside. Go on a whirlwind tour of the planet's most amazing places, from the largest swamps to the deepest points on Earth. Find out what happens when you give an octopus a Rubik's Cube, and why all you need to defend yourself from a crocodile is a rubber band! You'll also find all your favorite records and categories such as Big Stuff, Collections, Mass Participation and Fun with Food, plus the year's most significant sporting achievements. Our editors have also taken inspiration this year from the world of superheroes – both fictional and real-world – so look out for our feature chapter charting your favorite caped crusaders in comic books, TV shows and movies. We also meet the real-life record-breakers with genuine superpowers, such as the Canadian strongman vicar who can pull a jumbo jet and an actual cyborg who uses technology to augment his senses. You'll also learn all about the science of superheroes, such as who the fastest and strongest superheroes would be if they came to life, and who

would win in a royal rumble between Superman, Batman, Hulk and Dr Strange! Also new this year is a celebration of the superlative with infographic poster pages that explore the most exciting absolutes, such as the longest, tallest, fastest and heaviest. Does the longest sofa outstretch the longest train? Is the tallest Easter egg bigger than the tallest snowman? Find out in this amazing new edition. You'll also find these special pages available as free poster downloads at [guinnessworldrecords.com](http://guinnessworldrecords.com)! From science to showbiz via stunts and sports, there are real-life heroes all around us in all shapes and sizes, achieving the extraordinary every day. There's only one book where you'll find so many amazing facts all in one place, and that's Guinness World Records 2018! A brand-new Guinness World Records book for kids! From a robot babysitter to the largest walking and fire-breathing robot, this book is filled with record-breaking androids of all shapes, sizes, and occupations! Simple text and full-color photos will make learning about this exciting topic fun for beginning readers. Guinness World Records: Remarkable Robots is a Level Two I Can Read book, geared for kids who read on their own but still need a little help.

An illustrated examination of records covering every field of human and non-human endeavor.

**INSTANT NEW YORK TIMES BESTSELLER** The

only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. “This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom.” —Wim Hof

Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation.”

With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness.

Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives.

In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your

cardiovascular system and awaken your body's untapped strength • Mindset—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living • Science—How users of this method have redefined what is medically possible in study after study • Health—True stories and testimonials from people using the method to overcome disease and chronic illness • Performance—Increase your endurance, improve recovery time, up your mental game, and more • Wim's Story—Follow Wim's inspiring personal journey of discovery, tragedy, and triumph • Spiritual Awakening—How breath, cold, and mindset can reveal the beauty of your soul Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. "This is how we will change the world, one soul at a time," Wim says. "We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction." If you're ready to explore and exceed the limits of your own potential, The Wim Hof Method is waiting for you. From the global authority in record-breaking comes the 11th edition of the world's best-selling videogames annual. Packed with the latest records, coolest stars and the biggest games, the Guinness World Records Gamer's Edition is the go-to bible for every gaming fan. Just ask the five million readers

who've made it an international sensation! Inside you'll find amazing stats, thrilling facts, inspirational tales, lightning-quick speed-runs and dazzling photos. Read about the records behind your favorite games including Mario, Overwatch, FIFA, WWE and Rocket League, plus recap on a year of crazy Pokémon GO stories. Go behind the scenes of the world's longest-running eSports organizer. Spook yourself silly with real-life videogame mysteries. Check out the fastest videogame completions. And gaze in envy at the world's largest Zelda and Tomb Raider collections! You'll also meet gaming heroes such as the world's oldest games YouTuber at 81, a man with a real-life cyborg arm that was inspired by Deus Ex, and the kingpin of eSports fighting games. But the videogame stars don't get much bigger than DanTDM, whose Minecraft channel has been watched nearly 10 billion times! So we're thrilled he's written a special intro just for the Guinness World Records Gamer's Edition. Speaking of heroes...grab your cape and turn to this year's special chapter featuring superhero games. It hard to believe it's been nearly 40 years since Superman first exploded onto our consoles! So, we're celebrating with your favorite costumed crime-battlers. From Spider-Man's web-crawling to Batman's gadgetry, they're just as powerful in pixels as they are in the movies. So, whether you want to know who scored the fastest goal in FIFA or

achieved the fastest speed-run of Final Fantasy XV, or just want to see the world's biggest Game Boy, this is the book for you!

Packed with spectacular superlatives, shocking stats, fantastic facts and fun figures, Science and Stuff celebrates the simple joy in finding things out. What can cats teach us about the laws of physics? Why was cabbage banned on the International Space Station? (Can you fart in space?) And would a penny dropped from the Empire State Building really kill someone? (Short answer: No!) But it's not all facts and stats. The feature chapter just for Makers, introduced by our very own mad professor Burnaby Q. Orbax, challenges you to attempt record-breaking science experiments at home, from the fastest Mentos & Soda rocket car to the most slime thrown and caught in a minute! Join us as we rise from the deepest depths of the ocean, where weird glowing fish hunt in the darkness, to the mountaintop observatories where scientists unravel the secrets of the universe.
