Learning all the notes on the fretboard taking too long? Or worse - seems impossible? This book will unlock all the notes

in 5 Simple steps! Why Should I learn the Fretboard? Throughout my years of experience with the guitar, I have come across multiple "pro guitarists" who cannot name the note they just played. Learning guitar theory with no knowledge about the names of the fretboard is comparable to learning complex arithmetic equations without knowing numbers! This book will make sure you don't end up like one of those guitarists! Here is why you should learn the fretboard: Understand how notes are arranged on the fretboard Create a mind map to navigate through the fretboard Communicate the ideas you have in your head to written format or to other musicians Create various visual references to make the fretboard less daunting And lots more Why Should I buy this book? It's only fair to ask yourself this question before spending your hard-earned money on anything. Here is what you'll find inside: The whole process of learning the fretboard simplified into 5 easy steps A step by step approach which will give you results even if you are a complete beginner 35+ exercises and tips to make sure you get results as fast as humanly possible The theory behind every concept for those who need it Countless memory techniques to make the process as simple as possible Beginner friendly - no prior music experience required All this taught in less than a day! Why this book from among the 100 others? I know there are multiple books out there that teaches you the exact same things. They have a lot more reviews and have been out for longer than this book. But here is how this book is different: Unique memory techniques which cannot be found elsewhere High quality pictures and diagrams to give you the whole picture Free bonus material including fretboard diagrams, Flash cards, Reference material and lots more! Gives you results faster than any book out there! I hope that was enough reasons to make you jump onto the book! So, what are you waiting for? (Music Sales America). This book focuses on learning how to read (and play) rhythmic notation, an often overlooked part of learning how to read music and of great benefit to most guitarists. It is aimed at beginner to intermediate level and will help students to write, read and really understand rhythmic notation which has the added benefit of improving the students sense of rhythm and time in all aspects of their playing. This book contains an extensive series of gradually progressive practical exercises for students to work through and detailed lessons to help them make easy and solid progress to rhythm mastery! Spiral bound.

It Took Me 3 Months to Play My First Song - But You'll Be Doing That in Less Than A Week. It wasn't because I was slow or bad at guitar. Neither was it because I practiced less. I was simply misguided - like every other person to ever pick up the guitar! I took the "traditional" method of learning where you learn all the chords and all the theory behind it before you get to the fun part. This also involves months of practice and learning boring theory. This book is here to end that - to simplify things - to make things so simple that you'll be playing your first melody on day 1 and your first song within 7 days. How can this book do that? You would have heard people say - "You need to learn theory to be a real guitarist" Well..... Wrong! Not everyone needs to know theory - why do you need to learn all the boring theory if it's of no use to you? Why is this forced upon all guitarists? This book cuts out all the cr\*p and gives you a streamlined process of mastering guitar. Even if you failed every exam at school and you have never picked up a single instrument in your life, you will be able to become a proficient guitar player without years and years of expensive guitar lessons. With the right strategy, you will get addicted to your guitar and the songs you are able to play. How long will I have to practice? Now, I know you have other commitments in life and cannot spend 25 hours a day practicing guitar. No one wants to do that. This book has been designed with exactly that in mind. It will give you goals for each of your 7 days with step by step instructions on what to play each day. You won't have to worry if you're practicing too less or too much - the book will tell you what you need to be accomplishing each day. Commit a few hours a day for 7 days and you'll make your friends and family jealous when you pull your guitar out. It doesn't matter if you just enter primary school or you are about to retire.

This calculation applies to all 6.8 billion people between 6 and 80 years of age in this world. In *Guitar for Beginners*, you'll discover: A practical day-by-day guide to own yourself and your guitar in less than 7 days How you be your guitar teacher and progress into the league of the big players The chords that will allow you to play your favorite songs A beyond beginners' guide to prepare you for your musical journey Free audio tracks to help you with the charts Real photos to make sure you are not making any mistakes as you go And much more. Many people buy a guitar and just look up their favorite songs on Youtube tutorials. Unfortunately, one of the most frustrating things about learning to play guitar is ironing out old mistakes. Don't skip the basics and pick up bad habits that will become almost impossible to break later. If you want to throw out your air guitar and impress everyone with your guitar skills, then scroll up and click the "Add to Cart" button right now.

The Perpetual Beginner is part memoir, part musical instruction manual. Relating stories of his experiences as a young musician and music student in 1980's New York, author Dave Isaacs describes the key lessons that shaped his musical life and how they can help any aspiring musician at any age. The title refers to the average music hobbyist with more enthusiasm than skill or time to practice. Many people play for years without developing more than rudimentary abilities, and some become so frustrated by the struggle that they stagnate or quit. The stories in the book and the musical lessons they impart give these "perpetual beginners" the ideas, techniques, and encouragement that will help them begin to progress again. The title also references the Zen concept of "beginner's mind", a way of approaching any endeavor with the openness and zeal of a beginner regardless of experience.

Maintaining a beginner's mindset removes many of the self-limiting beliefs and inhibitions that hold many people back, thus enabling the learning process - hence the book's subtitle, "A musician's path to lifelong learning." Author Dave Isaacs is a musician, performing songwriter, and teacher based in Nashville, where he is known as the "Guitar Guru of Music Row".

Learn turning, posture, picking and strumming. Quickly pick up chords AND techniques. What separates How to Play Guitar in 14 Days from other guitar methods is not how quickly you'll be able to play something on the instrument, but how quickly you'll be able to play something that sounds great! The goal of How to Play Guitar in 14 Days is to get you playing confidently-and sounding great while doing it-as fast as possible because frustration is the No. 1 reason why beginner guitarists quit. What better way to alleviate frustration than by playing something that is relatively easy and sounds great? This is a BRAND NEW method for learning the guitar. Written by a 30-year guitar player who has seen it ALL and knows what works and what doesn't. Troy Nelson is the former Editor in Chief of one of the top guitar magazines in the world, Guitar One. He's also the author of Guitar Aerobics, the decade-long best-seller from Hal Leonard. Troy Nelson has authored dozens of books and sold more than 200,000 copies to date. Having edited countless guitar method books, Troy thought long and hard about what was missing in beginner books, and then he wrote THE beginner guitar method book that can get you playing guitar quickly-and sounding good! "I didn't want to write a beginner guitar method book until I was sure I had a revolutionary way of teaching and learning, one that beats all other beginner methods-something that really will get you playing and sounding good QUICKLY." - Troy Nelson FREE access to 80+ instant audio downloads from troynelsonmusic.com included.
