Frustrated with those terrible YouTube video guitar tutorials? Well, the feeling is mutual. Spending years researching all popular beginner guitar books out in the market and using them for 20 years teaching my students. There was never a time where I had to jump to other guitar material to cover what was missing in the current book I was teaching off of. Are they ever going to come out with a book that will cover what's needed for beginning guitarists? This is where my journey began to create the ultimate beginners guitar book. Now it can be in your hands today! "The Only Beginner's Guitar Book You'll Ever Need" gives you everything a total beginner needs from: 1. Covering all 15 basic guitar chords (majors, minors, sevenths) 2. Finger exercises that help build strength and dexterity while playing. 3. Covers eighth notes and rests. (all beginner books do not cover this topic) 4. 10 original tunes. 5. Proper strumming patterns. 6. Play in different styles, including rock, blues, latin, folk, and classical. 7. Very simple to follow instructions and illustrations. And much more... "The Only Beginner's Guitar Book You'll Ever Need" is a slam dunk for anyone interested in speeding up their guitar process.

Learning all the notes on the fretboard taking too long? Or worse - seems impossible? This book will unlock all the notes in 5 Simple steps! Why Should I learn the Fretboard? Throughout my years of experience with the guitar, I have come across multiple "pro guitarists" who cannot name the note they just played. Learning guitar theory with no knowledge about the names of the fretboard is comparable to learning complex arithmetic equations without knowing numbers! This book will make sure you don't end up like one of those guitarists! Here is why you should learn the fretboard: Understand how notes are arranged on the fretboard Create a mind map to navigate through the fretboard Communicate the ideas you have in your head to written format or to other musicians Create various visual references to make the fretboard less daunting And lots more Why Should I buy this book? It's only fair to ask yourself this question before spending your hard-earned money on anything. Here is what you'll find inside: The whole process of learning the fretboard simplified into 5 easy steps A step by step approach which will give you results even if you are a complete beginner 35+ exercises and tips to make sure you get results as fast as humanly possible The theory behind every concept for those who need it Countless memory techniques to make the process as simple as possible Beginner friendly - no prior music experience required All this taught in less than a day! Why this book from among the 100 others? I know there are multiple books out there that teaches you the exact same things. They have a lot more reviews and have been out for longer than this book. But here is how this book is different: Unique memory techniques which cannot be found elsewhere High-quality pictures and diagrams to give you the whole picture Free bonus material including fretboard diagrams, Flashcards, Reference material and lots more! Gives you results faster than any book out there! I hope that was enough reasons to make you jump onto the book! So, what are you waiting for? Scroll up and click the BUY NOW button to get access to such a goldmine!

Memorize and Master the Guitar Fretboard in 14 Days. Daily Lessons for memorizing and navigating the guitar neck. All music is presented in easy-to-follow popular tab format and fretboard diagrams so you'll be able to quickly apply the material right to your guitar. Guitar instructor and seasoned author Troy Nelson takes you step-by-step in this easy-to-follow guitar fretboard book. This is the ultimate guide for learning every note of the fretboard! Instead of staring at the guitar neck and memorizing every note on each string, the lessons in this book will teach you the notes in both horizontal (along the strings) and vertical (across the strings) fashion. This guitar fretboard book takes a novel approach to fretboard memorization, visualization, and navigation. What makes the book truly special is that it removes the tedious aspects of memorizing the neck by incorporating other musical elements into the learning process. Revolutionary 6-step Method for learning: Octave Shapes Major & Minor 3rd Intervals Diatonic Triad Arpeggios Diatonic 7th-Chord Arpeggios Major Pentatonic Scale Patterns Major Scale Patterns Plus, all of the music examples are presented in rhythm guitar tab and fretboard diagrams so you can quickly get the music off the page and onto your fretboard! REMEMBER Free access to instant audio downloads from Troy's website included. BONUS Includes customer support! Questions during practice? Email us from our website and we will happily help you. From the author of over 20 guitar lesson books Memorize & Master the Guitar Fretboard in 14 Days is written how Troy would want to learn the notes of the fretboard if he was starting from scratch, in his signature, tried-and-true style. Troy has written more than 20 books for the guitar and edited more than 100 others. Thanks for the 5-star reviews As an author, Troy Nelson has sold over 250,000 books and received more than a 1,000 reviews. A 30-year guitar player, he's the former editor-in-chief of Guitar One magazine, holds a degree in music, and is the author of the #1 best-seller Guitar Aerobics. Troy's passion is helping others learn to love the guitar as much as he does.

Beginner Guitarists: Learn how to play guitar and sound great right away with this step-by-step guide! Daily guitar lessons for beginners from a trusted source. Play acoustic or electric. Learn tuning, posture, picking and strumming. Quickly pick up chords AND techniques. What separates How to Play Guitar in 14 Days from other guitar methods is not how quickly you'll be able to play something on the instrument, but how quickly you'll be able to play something that sounds great! The goal of How to Play Guitar in 14 Days is to get you playing confidently-and sounding great while doing it-as fast as possible because frustration is the No. 1 reason why beginner guitarists quit. What better way to alleviate frustration than by playing something that is relatively easy and sounds great? This is a **BRAND NEW** method for learning the guitar. Written by a 30-year guitar player who has seen it ALL and knows what works and what doesn't. Troy Nelson is the former Editor in Chief of one of the top guitar magazines in the world, Guitar One. He's also the author of Guitar Aerobics, the decade-long best-seller from Hal Leonard. Troy Nelson has authored dozens of books and sold more than 200,000 copies to date. Having edited countless guitar method books, Troy thought long and hard about what was missing in beginner books, and then he wrote THE beginner guitar method book that can get you playing guitar quickly-and sounding good! "I didn't want to write a beginner guitar method book until I was sure I had a revolutionary way of teaching and learning, one that beats all other beginner methods-something that really will get you playing and sounding good **QUICKLY.**" - Troy Nelson **FREE** access to 80+ instant audio downloads from troynelsonmusic.com included.
