Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

Worship is always a choice. During peaceful and pain - free times, the choice to respond to God in thanksgiving and praise may be relatively easy. But at other painful or confusing times in our lives, the choice to worship is a costly act of devotion. In the life of every worshiper there will come times when worship meets with suffering. In Blessed Be Your Name, Matt and Beth Redman use the words of their inspiring song to explore how to stand in the place of praise even in the face of hardship and pain. Focusing on the Psalms, many of which were written out of struggle, the Redmans share from their own experience and show how painful circumstances and our choices can either propel us toward God or away from Him, build up our faith or break it. Learn how to ride out the storms of life saying "Blessed be Your name, Lord" and mean it.

Nice is the queen of the Côte d'Azur. Founded by the Greeks some time after the sixth century BC, it has borne the tread of Roman legionnaires and Italy-bound Englishmen on the Grand Tour as well as Lost Generation literati from Hemingway to Fitzgerald. Since the late nineteenth century it has been known as a 'pleasure capital', and now tourism is its beating heart. But how did this happen? What was it that changed not just Nice or the French Riviera, but our leisure habits as a whole? HIGH SEASON is a book about pleasure and escape - about what five months or five days in a strikingly beautiful, foreign place, wrested from lives choked with stress and toil back home, meant to a few wealthy people 250 years ago, and mean to millions more of more modest means today. It is about how modern tourism got the way it did. It is about how Nice and the Riviera became what they are; and about the price they paid to do so.

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. *Stand Firm: Apologetics and the Brilliance of the Gospel* argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.
