Judy Nunn has sold over one million books worldwide. Elianne, her new bestseller, is a sweeping story of wealth, power, privilege and betrayal, set on a grand sugar cane plantation in Queensland. In the tough world of Queensland sugar mills, it's not only cane that is crushed ... In 1881 'Big Jim' Durham, an English soldier of fortune and profiteer, ruthlessly creates for Elianne Desmarais, his young French wife, the finest of the great sugar mills of the Southern Queensland cane fields, and names it in her honour. The massive estate becomes a self-sufficient fortress, a cane-consuming monster and home to hundreds of workers, but 'Elianne' and its masters, the Durham Family, have dark and distant secrets; secrets that surface in the wildest and most inflammatory of times, the 1960s. For Kate Durham and her brothers Neil and Alan, freedom is the catchword of the decade. Young Australians leap to the barricades of the social revolution. Rock 'n' roll, the Pill, the Vietnam War, the rise of Feminism, Asian immigration and the Freedom Ride join forces to rattle the chains of traditional values. The workers leave the great sugar estates as mechanisation lessens the need for labour. And the Durham family, its secrets exposed, begins its fall from grace...

A woman he hates. A man she hates more. An unwanted child. And a man who tries to take it all away with one signature. As soon as Zack Walters walked into that sticky bar, I knew he couldn't put a sentence together without effort. To my surprise, I've learned that he's not a man of many words. His actions speak much louder. He didn't know what he was getting into when he mixed with me. Truth is, I didn't know, either. That's been my life. A laundry list of troubles isn't what anyone wants, especially when it comes to one pint-sized person. It isn't what I signed up for. It isn't what Zack signed up for, either. But most important, it isn't what a child should have to go through alone. She's silver-tongued, audacious, and a huge pain in my ass. But I was raised to help when help's needed. It's what I do. She thinks I'm a fool, and sometimes I believe her, but falling in love twice in the same week doesn't prove anyone wrong, least of all me. Despite the alarm bells going off all over, I can't stay away from these girls, and one of them won't let me leave. I just wish there were more guarantees. My brothers think that he'll take her away, and if he doesn't, with Kate's troubles, something else might. It's like a Euchre game. I just hope that my heart can trump their spades. ...little do I know that the Euchre game is going to be trumped by a blast going off on the day that my brother says his vows.
