English 3D was designed to accelerate language development for English learners who have agility with social interactional English while lacking the advanced linguistic knowledge and skills required by complex coursework in school. English 3D propels students to higher language proficiency through a consistent series of lessons derived from research-based principles and classroom-tested practices that maximize students' verbal and written engagement with conceptually rigorous content.--Teaching Guide Course A, Volume 1, Overview p. T10.

Grammar Practice Books support and extend the daily grammar instruction by providing daily practice in grammar and usage. Writing application and grammar assessment are included.

Curriculum set for first grade issued in five named parts, for classroom use in teaching reading.

The Reteach and Skills Practice Workbook helps students who need additional support and more practice to grasp mathematics concepts.

Explore the what, why, and how of close reading to give students in grades 3–5 the tools they need to be successful. In this must-have guide, teachers will learn the key elements of a close reading lesson as well as strategies for analyzing and selecting a text and how to support students based on their progress and performance. The included lesson template will allow teachers to not only use the provided lessons and texts but also create their own. Correlated to standards, this book includes grade-specific sample close reading lessons and digital copies of teacher and student resources.
