

Hard Road A Jon Reznick Thriller

"One of the themes of the book is how to have a fulfilling professional life. In order to achieve this goal, Krantz discusses keeping a vigorous scholarly program going and finding new challenges, as well as dealing with the everyday tasks of research, teaching, and administration." "In short, this is a survival manual for the professional mathematician - both in academics and in industry and government agencies. It is a sequel to the author's A Mathematician's Survival Guide."--BOOK JACKET.

The terrorists responsible for the Madrid train bombings on March 11, 2004, succeeded in killing 193 innocent civilians and injuring scores more. The bombings changed the outcome of the Spanish election which took place three days later. What the terrorists didn't know, but were to find out in due time, was that on that fateful day they have also succeeded in creating their worst nightmare. Although none of them had an idea who he was, what he looked like, where he came from, and who he worked for. He was a sniper who could take a target out at eight-hundred yards to a mile. He could kill with a long gun, short gun, or no gun. He was lethal with edged weapons, explosives, poisons, or no weapon at all. Targets could be taken out from a mile away or die with his breath in their faces. Among his enemies, he went by names which sent ice-cold shivers down their spines. El Gato, the cat in Spanish, Alshaytan, the Devil in Arabic, the Ghost, and many others. His real name was Rex Dalton. He had no friends. He had no family. He had no girl. He had only one motto; don't hate the terrorists - it will kill you. Instead kill them, so they can't kill again. THE FULCRUM is a full-length novel, a nail-biting thriller by best-selling author JC Ryan. It is the first book in the electrifying new Rex Dalton series.

In this second book of the middle-grade Adventures on Trains series, amateur sleuth Hal Beck travels to the U.S. with his uncle to ride a famous train—the California Comet—and stumbles on a new mystery to solve, in M.G. Leonard and Sam Sedgman's Kidnap on the California Comet... After his adventure on the Highland Falcon, amateur sleuth Hal Beck is excited to embark on another journey with his journalist uncle. This time, they're set to ride the historic California Comet from Chicago to San Francisco. Hal mostly keeps to himself on the trip, feeling homesick and out of place in America. But he soon finds himself drawn into another mystery when the young daughter of a billionaire tech entrepreneur goes missing! Along with new friends—spunky 13-year-old Mason and his younger sister, Hadley—Hal races against the clock to find the missing girl before the California Comet reaches its final destination.

A threat inside the government. A whistleblower's life on the line. It's up to Jon Reznick to bring justice. When hacker Trevelle Williams discovers documents that threaten national security and put his life in jeopardy, there's only one person he can turn to--Jon Reznick. Williams has learned that Rosalind Dyer, a key congressional witness, is about to be killed in order to stop her testimony. She has stumbled into the middle of a cover-up that goes deep into the United States government. Dyer knows her days are numbered, but that won't stop her from doing what she has to do. Trevelle Williams has helped Jon out of many a scrape in the past. Now, Jon is the only person he can turn to for help saving Rosalind's life, as well as his own, and protecting national security in the process. With enemies on all sides, including within the United States government, can Jon and Trevelle get to Rosalind in time? They're her only hope to escape her pursuers and bring these secrets to light.

When a deep-cover FBI agent disappears along with a ton of Semtex explosive, the government turns to Nathan McBride, former Marine sniper and covert CIA operative, to recover them.

Nothing and no one can stop assassin Nathan Stone. When black-ops asset Nathan Stone took out the heads of the Commission, a secret deep-state organization, he thought he'd destroyed them for good. Now he's gone off the grid, trying to get as far away from his past as possible. But the Commission isn't done with him yet. Lying low in a Miami bar, Stone knows something's up when an alluring actress strikes up a conversation with him. His suspicions are correct. The Commission is hot on his trail, and Stone is soon forced to run deep into the heart of the Everglades with the terrified woman as his hostage. He's the Commission's number one target--and this time nothing will stop them from eliminating him. But Nathan Stone is no ordinary target. The crew of mercenary assassins on his heels have no idea what's in store for them on the River of Grass. Because the hunt is on, and they picked the wrong prey.

Jon Reznick is a "ghost": a black-ops specialist who takes his orders from shadowy handlers, and his salary from the US government. Still mourning the loss of his beloved wife on 9/11, he's dispatched to carry out a high-level hit. Reznick knows only that it must look like suicide. It's textbook. But the target is not the man Reznick expected. The whole setup is wrong. In an instant the operation is compromised, and Reznick is on the run with the man he was sent to kill. A man wanted by the FBI, and by a mysterious terrorist organization hell-bent on bringing the United States to its knees. FBI Assistant Director Martha Meyerstein is determined to track him down, and to intercept whatever it is Reznick was sent to do. When Reznick's young daughter becomes a pawn in the game, he has to use more than his military training to stay one step ahead of those responsible. Meanwhile, he is the only person who knows the true extent of the threat to national security--and has the stealth and determination to stop it.

The Hávamál is a well loved resource of verses that gives guidance on how a Norse Pagan can live a more balanced life through the wisdom and insight of our ancestors. Although it was written in the 13th century, Modern day Heathens can still gain guidance into how to live each day wisely in the 21st century. This is The Asatru Community, Inc's compilation; and was put together as a volume to give to all the Heathen military men and women who honor our community and this country with their brave acts of service. It has taken many months to publish this version of the poem found in the Codex Regius, and we hope that it gives comfort and inspiration to our men and women in uniform who work tirelessly to ensure that freedom and liberty remain available to all; which follows very much in step with the mindset and ideals of our Norse forebears: Independence, adaptation, perseverance, and overcoming adversity.

A Japanese-American assassin who specializes in "natural cause" killings finds his carefully ordered world coming under siege in the wake of a government official's murder, with which he has been falsely connected, a situation that is complicated by his attraction to the victim's daughter. Reprint.

A terrifying crime thriller for fans of Harlan Coben, CJ Box, Karin Slaughter and Michael Connelly. How far would you go to uncover the truth? "Dark Waters was a gripping read . . . an edge-of-your-seat thriller and a must-read" - Tracey Lampley, Book Mistress Book Blog When the partially dismembered body of a young man is found in the Florida Everglades, Deborah Jones, star reporter for the Miami Herald, finds herself caught up in a story that has ramifications far beyond anything she could have ever imagined. The victim had contacted Deborah anonymously just the day before, promising her top-secret government documents if she'd agree to a meeting. But he didn't show up, calling to say he feared for his life. Deborah Jones is a woman not easily deterred by threats. But when a second person dies in mysterious circumstances, it is clear to her and to everyone on her newspaper that Deborah could be next on the assassin's list. Themes/issues covered include: female protagonist, assassin, serial killer, conspiracy, political intrigue, suspense thriller, terrorism, black flag, false flag, vigilante justice, military/industrial complex, political thriller, crime thriller, CIA conspiracy, conspiracy, action mystery series, computer hacker, technological thriller, 9 11 investigation, South Beach, Miami, Florida, Florida crime, 9/11, Saudi 9 11, hacking, Miami Herald, African American journalist, political murder, mystery action thriller, women sleuths, missing 28 pages, 9 11 Truth, missing 28 pages 9/11, 911 books, 28.missing, 28pages.com, 28Pages.org, 28 redacted pages 9/11, 9/11 conspiracy, 9 11 conspiracy, 28 pages, 9 11 Saudi, 28pages,

Jon Reznick has never played by the rules, a trait that has brought him into conflict with FBI Assistant Director Martha Meyerstein in the past. But now Meyerstein has been taken by a shadowy gang, and the renegade black-ops specialist may be her only hope for rescue. The FBI are reluctant to let Reznick anywhere near the case, but he's not in the habit of seeking their permission—especially once his covert investigation leads him straight to the head of the Russian Mob. And it soon becomes clear that it's not only Meyerstein who's in danger: her abduction is just the start of a campaign to undermine American law and order. With Meyerstein's whereabouts just out of reach, and the CIA and FBI seemingly operating at cross-purposes, it falls to Reznick to go it alone. Can he get to Meyerstein before the Mob get to him? Inspired by his own career as a special forces soldier, Andy McNab debuts his best-selling series with action-packed, high-octane Remote Control, a thrilling page turner you won't be able to put down featuring ex-SAS trooper Nick Stone. Tough, resourceful, ruthless - as a Special Air Service (SAS) trooper, Nick Stone was one of the best. Now he's back on the streets. After a botched mission, the Regiment no longer want his services, but British Intelligence does - as a deniable operator. It's the dirtiest job in a very, very dirty world. In Washington DC, it's about to get dirtier still. On the apparently routine tail of two terrorists, Stone discovers the bodies of an ex-SAS officer and his family. Soon he's on the run with the lone survivor of the bloodbath - a seven year old girl. And whilst she can identify the killers, only Stone can keep them at bay - and solve a mystery whose genesis takes him back to the most notorious SAS mission in recent history... Remote Control is the first of Andy McNab's nineteen Nick Stone thrillers - bestsellers whose landscape is so compellingly close to the truth that they had to be vetted by the Ministry of Defence, and could only be published as fiction...

Based on a true story, this is the tale of three strong women: Barbara, who was given a blue plastic cow that would later change her life forever; Florrie, who adopted a baby to replace the child she had lost; Carole, forced to give up her daughter by an unforgiving society. Growing up in a loving northern working-class family based on the banks of the River Mersey, Barbara felt that she was different. After accidentally discovering that she had been adopted, she was only given a part of the story. As a teenager unable to deal with the shock of what she had learned, she rebelled against her parents, finding solace in the exciting 1960s' Liverpool music scene, spearheaded by the Beatles. Decades later, Barbara discovered a tear-stained letter from her birth mother, containing heart-breaking words that would send her on a challenging 26-year quest to find Carole.

When collegiate baseball phenom Chase Fulton suffers a freak injury on the field that shatters his dreams of becoming a Major League catcher, his future looks bleak until he's recruited into quasi-governmental covert operations, where his training as an assassin and covert intelligence operative launches him into a world fraught with danger, intrigue, and unexpected passion. As Chase navigates the Caribbean, he's pursued by a beautiful Russian SVR officer who is trained and prepared to find, interrogate, and kill him if necessary. He learns exactly how deadly the realm of international espionage can be when duty and love collide.

The CIA keeps a lot of secrets. None more deadly than him. After a covert mission became personal, the only way elite counterterrorism operative, Alexander King, could keep his loved ones safe, and the eyes of Washington's enemies blind to his existence, was to disappear. A year after his family buried a body they thought was his, King saves a young woman from a car bomb in London, and that's when his work in the shadows becomes complicated. Because she's not who he thinks she is, and the web that King is pulled into is tangled with enemies that reach the highest levels of the United States government. But this web being spun by a sadistic terrorist isn't your average one-time explosive attack. Saajid Hammoud is aiming higher. He isn't trying to cripple the greatest military in the world, he's looking to control it. And owning the presidential candidate with a clear path to the White House gets him all the way to the top. When politics fail, and the might of the world's most powerful nation hangs in the balance, it's secret weapons like Alexander King who scour the alleys and back avenues that often make the difference. Unfortunately, King isn't the only secret in this high stakes game of war. But for the sake of the free world, he sure as hell better be the best. If you couldn't put down Vince Flynn's Mitch Rapp, Lee Child's Jack Reacher, Tom Clancy's Jack Ryan, Brad Thor's Scot Harvath, or David Baldacci's Will Robie, fans of Bradley Wright believe you won't be able to put down the addictive Alexander

King. _____ Praise for international bestselling author Bradley Wright: ????? "Best new thriller author since Vince Flynn, David Baldacci, and Brad Thor!"????? "Loved ALL the books. Bradley is one of my favorite writers. When you start the book, it is impossible to put down."????? "As soon as you start this book, and every other book by Bradley Wright, you are immediately engulfed in nonstop action and suspense!"????? "King sits alongside Rapp, Reacher, and Harvath as my favorite action-thriller heroes.

When an ex-Delta Forces operative dies in a car wreck in Miami, the FBI dismiss it as a tragic accident. But Jon Reznick isn't so sure--especially when he learns that his teetotal former colleague was apparently drunk at the wheel. Reznick's one-man investigation quickly enters dangerous territory when it becomes clear that this was merely the first in a series of mysterious deaths. All of the victims are ex-Delta Forces, and all were involved in a top-secret Iranian hit under Reznick's command. Retribution will not be complete until Reznick is wiped out too. With Iran's ruthless Quds Force hunting him down on US soil, assisted by a powerful Mexican drug cartel determined to increase its own foothold in the country, Reznick's survival is a threat to national security. FBI Assistant Director Martha Meyerstein is not as keen as some government officials to sacrifice him as collateral damage, but the longer Reznick runs, the more audacious his enemies become. Innocent American lives are at risk, and only Reznick's victory--or surrender--can save them.

Jon Reznick will protect New York City or die trying. When a group of homegrown attackers takes aim at cops outside a Fourth of July baseball game, black-ops specialist Jon Reznick and his daughter, Lauren, are caught in the cross fire. Jon hunts down two of the gunmen. But the last member of the group is at large and about to launch a fresh killing spree across the city. Cops are under fire, and Jon must stop this madman before more people are killed. But Jon's renegade tactics and vigilante justice are starting to ruffle some feathers, and his friends in high places might not be able to help him anymore. With leaks inside the FBI and resistance from the NYPD, Reznick doesn't know whom to trust. He knows one thing: he won't watch the city he loves be torn apart, especially not with his daughter in the crosshairs. But can he get to her in time?

He's fighting for justice while she fights for her life. With his daughter lying in the hospital, struck down in a reckless hit-and-run, the only thing Jon Reznick can do is wait--and plot his revenge. Not satisfied with the slow-moving police investigation, he starts his own manhunt. He discovers that the car belongs to a high-ranking diplomat whose interests are closely tied to those of the United States government, and this man may not be what he appears. The FBI wants Reznick to back down, but the more information Jon digs up, the more questions he finds. Was it a simple accident, or is there more to it? How many young women's lives has this man ruined? Lauren's life hangs in the balance, and Jon must get answers, no matter the cost--to him or the government. With the help of a dedicated NYPD detective who has suspicions of her own, as well as FBI Assistant Director Martha Meyerstein, Jon Reznick will have to fight for his daughter while she fights for her life.

From internationally bestselling author John Connolly, a new short story to brighten the dark months, featuring the beloved character of Samuel Johnson. The Monks of Appalling Dreadfulness are the most feared assassins in the Multiverse. They are ruthless. They are cunning. They can do interesting things with oranges. Now they have been hired to hunt down and kill the demon Nurd, along with every friend he's ever had. But friends come in all shapes and sizes, and with all kinds of talents. The Monks of Appalling Dreadfulness are about to meet their match...

An American diplomat goes missing and ex-Special Forces operative Jon Reznick joins a top secret team, led by FBI Assistant Director Martha Meyerstein, to help track him down. The team believes that there may be a terrorist group, perhaps Islamists, who have kidnapped him, as the diplomat's area of expertise is the Persian Gulf. But Reznick is training his sights on an unlikely candidate - a leading Washington DC surgeon.

He was injured, afraid, running for his life. The winter's wind would kill him if he didn't find shelter. Then he stumbled upon her, the pianist. She saved his life and with that act, entered unknowingly a dangerous world. With his memory gone, his mind damaged, could Dan ever recover his past? And if he did, what would that do to his new relationship? Dangerous men still hunt him, yet he wants to lead a different life. Find out if Dan can free himself from his past and become a new man, one who doesn't live in the world of violence. Two worlds collide in this latest thriller. Dan is in a race to learn who he is before his past catches up with him and the ones he loves.

This easy-to-follow text is designed to take an extremely "non-technical" student with zero background in solar PV, and literally teach them how to design and install a variety of residential PV systems.

Have you ever asked yourself why you can't remember anything from before the age of three, why we experience dej vu, or indeed how a bundle of cells in our heads can produce the remarkable phenomenon that is human consciousness?

Drawing on the latest neuroscience research, this visual guide makes the hidden workings of the human brain simple to understand. How the Brain Works begins with an introduction to the brain's anatomy, showing you how to tell your motor cortex from your mirror neurons. From anatomy, it moves on to function, explaining how the brain works constantly and unnoticed to regulate processes such as heartbeat and breathing and how it collects information from the external world to produce the experiences of sight, sound, smell, taste, and touch. The chapters that follow cover memory and learning, consciousness and personality, and emotions and communication. There's also a guide to the brain's disorders, including physical problems, such as tumours and strokes, and psychological and functional disorders, ranging from autism to schizophrenia. Illustrated with bold graphics and step-by-step artworks, and peppered with bite-sized factoids and question-and-answer features, this is the perfect introduction to the fascinating world of the human brain.

From the author of the bestselling Jon Reznick Thriller series comes an exhilarating new adventure. When the people he loves most are in danger, Jack McNeal will get revenge...or die trying. NYPD detective Jack McNeal is used to asking the tough questions. But a late-night visit from the Secret Service lands Jack on the other side of the table--as a suspect in the disappearance of his estranged wife, Caroline, a prominent reporter on the White House beat. When her body is

found floating in the Potomac, Jack is overcome by disbelief and despair. Her death seems eerily similar to the suspicious fatality of a young socialite years before. Is the similarity of the two tragic incidents simply a coincidence, or could it be a sign of a murderous orchestrated plot to protect those in the highest echelons of the American government? To avenge Caroline's death, Jack embarks on a journey into the darkest recesses of power. Suspects abound--from haunted special forces soldiers to ex-CIA to the president's own body man. Along the way, Jack will be forced to decide: Is there a line he won't cross to expose the killer?

When a top militia leader escapes from a top security American jail, the FBI calls in ex-Delta operator Jon Reznick to help track him down. The escapee is none other than a psychopathic ex-Delta colleague of Reznick, Hunter Cain, who is now a feared militia leader. It isn't long before they believe that Cain is planning a terrorist spectacular. But the problem is they don't know what target he has in mind. As the clock ticks down, the team shows increasing strains as they struggle to find Cain, it becomes clear that the secret plot would threaten not only scores of American lives, but also a former US President.

In a world of modern, involved, caring parents, why are so many kids aggressive and cruel? Where is intelligence hidden in the brain, and why does that matter? Why do cross-racial friendships decrease in schools that are more integrated? If 98% of kids think lying is morally wrong, then why do 98% of kids lie? What's the single most important thing that helps infants learn language? NurtureShock is a groundbreaking collaboration between award-winning science journalists Po Bronson and Ashley Merryman. They argue that when it comes to children, we've mistaken good intentions for good ideas. With impeccable storytelling and razor-sharp analysis, they demonstrate that many of modern society's strategies for nurturing children are in fact backfiring--because key twists in the science have been overlooked. Nothing like a parenting manual, the authors' work is an insightful exploration of themes and issues that transcend children's (and adults') lives.

There's only so long you can run for your life. Eva Driscoll is used to chasing down bad guys, but now the bad guys are chasing her. She knows they won't stop until she's dead. After her brother is killed in a faked suicide, Driscoll teams up with ex-soldier Rees Colback, the one person who can help her find answers. Together they're determined to uncover why members of his Special Forces squad are dying in mysterious circumstances. But with every agency in the country in hot pursuit, their only choice is to flee. The clock is ticking. They can't run forever. It's time to make a choice: kill or be killed...

Hard Road Thomas & Mercer

Top-of-Stanford-class brains made him a billionaire. His breakthroughs in AI and deep learning revolutionized the fields. Now he's running for his life. "You emerge from its pages as if from a top-level security briefing—confident that you have been let in on the deepest secrets."—Washington Post Someone in Pakistan is killing the members of a new CIA unit trying to buy peace with America's enemies. It falls to Sophie Marx, a young officer with a big chip on her shoulder, to figure out who's doing the killing and why. Unfortunately for Sophie, nothing is quite what it seems. This is a theater of violence and revenge, in which the last act is one that Sophie could not have imagined.

A sister kidnapped. A journalist in danger. A killer out for revenge. After taking out a covert facility run by the Commission, a deep-state syndicate, Nathan Stone has made powerful enemies. He's a black-ops asset--and he's gone rogue. But the organization wants payback. Kidnapping Stone's sister from a Florida psychiatric hospital, the Commission have their asset exactly where they want him. They instruct him to neutralize journalist Mark Mahoney, to whom Stone had previously leaked documents about the Commission and their deadly conspiracy. Now, Nathan Stone has a choice: neutralize Mahoney and kill the story for good, or lose the only family he has left. Stone knows that these men will stop at nothing to get what they want. Killing Mahoney is just the beginning. And when Stone learns the identity of their final target, he knows he has to stop the Commission once and for all--no matter the cost.

The tragic bombing of EuroTours Flight 1023 was big news. To FBI Agent Cam Daggett it was more than that. It was personal. His parents and son were on that plane. And for two years he's been after the killer who did it. All he has to go on is a name: Anthony Kort . . . and the knowledge that Kort is in the United States with a detonator no airport security can detect. HE MUST BE STOPPED. Daggett's colleagues at the Bureau and his girlfriend tell him his vendetta has become an obsession. They suggest he leave the investigation to other agents, in order to keep it objective. But having painstakingly constructed a portrait of the terrorist, Daggett believes he's now the only one with any chance of predicting Kort's next target. A novel of madness and revenge, Hard Fall begs readers to fasten their seatbelts.

Developmental language disorders (DLD) occur when a child fails to develop his or her native language often for no apparent reason. Delayed development of speech and/or language is one of the most common reasons for parents of preschool children to seek the advice of their family doctor. Although some children rapidly improve, others have more persistent language difficulties. These long-term deficits can adversely affect academic progress, social relationships and mental well-being. Although DLDs are common, we are still a long way from understanding what causes them and how best to intervene. Understanding Developmental Language Disorders summarises the recent research developments in genetics and neuroimaging studies, assessment techniques and treatment studies to provide an overview of all aspects of DLD. The book investigates the possible genetic and biological causes of the disorder, how best to assess children's language skills to identify when and where communication breakdown occurs, what the long-term outcomes are for children who grow up with DLD, overlaps between DLD and other childhood disorders such as dyslexia and autism and how best to treat children with the disorder. Each chapter is written by a leading authority in the field in a format accessible to researchers, clinicians and families alike. This book, with its focus on both theory and practice, will be invaluable to students and researchers of speech-language pathology, psychology, psychiatry, linguistics and education. It will also be of interest to practicing speech-language pathologists, clinical psychologists, psychiatrists, educational psychologists, and teachers and parents of children with developmental language disorders.

When the partially dismembered body of a young man is found in the Florida Everglades, Deborah Jones, the fearless African American investigative journalist for the Miami Herald, finds herself caught up in a story that has ramifications far beyond anything
