Richard Atwater, Florence Atwater

Harlem's Little Blackbird Renée Watson, 2021-11-30 From Caldecott Honor winner Christian Robinson and acclaimed author Renee Watson, comes the inspiring true story of Florence Mills. Born to parents who were both former slaves, Florence Mills knew at an early age that she loved to sing, and that her sweet, bird-like voice, resonated with those who heard her. Performing catapulted her all the way to the stages of 1920s Broadway where she inspired everyone from songwriters to playwrights. Yet with all her success, she knew firsthand how prejudice shaped her world and the world of those around her. As a result, Florence chose to support and promote works by her fellow black performers while heralding a call for their civil rights. Featuring a moving text and colorful illustrations, *Harlem's Little Blackbird* is a timeless story about justice, equality, and the importance of following one's heart and dreams. A CARTER G. WOODSON ELEMENTARY HONOR BOOK (awarded by the National Council for the Social Studies, 2013)

Florence Mills Bill Egan, 2004 This biography reveals the lost history of the life of the 1920s Black female international superstar. Mills was lionized by the crowned heads in Europe and opened doors for generations of Black female stars from Lena Horne to Diana Ross. Although her career and shows changed the nature of Black entertainment, and thereby the wider American popular culture, she was largely forgotten in later years. Anyone who wants to understand the history of Black

entertainment from Bert Williams to Michael Jackson and, by implication, the history of American popular culture, needs to understand the ways in which Florence Mills changed the rules forever.

The Book Itch Vaunda Micheaux Nelson,2015-11-01 Coretta Scott King Illustrator Honor, ALA Notable Children's Book, CCBC Best Children's Book of the Year, Jane Addams Children's Book Award, Kirkus Best Children's Books, NCTE Notable In the 1930s, Lewis's dad, Lewis Michaux Sr., had an itch he needed to scratch—a book itch. How to scratch it? He started a bookstore in Harlem and named it the National Memorial African Bookstore. And as far as Lewis Michaux Jr. could tell, his father's bookstore was one of a kind. People from all over came to visit the store, even famous people—Muhammad Ali, Malcolm X, and Langston Hughes, to name a few. In his father's bookstore people bought and read books, and they also learned from each other. People swapped and traded ideas and talked about how things could change. They came together here all because of his father's book itch. Read the story of how Lewis Michaux Sr. and his bookstore fostered new ideas and helped people stand up for what they believed in.

Nina Traci N. Todd,2021-09-28 A 2022 Coretta Scott King Book Award Honoree! This luminous, defining picture book biography illustrated by Caldecott Honoree Christian Robinson, tells the remarkable and inspiring story of acclaimed singer Nina Simone and her bold, defiant, and exultant legacy. Cover may vary. Born Eunice Kathleen Waymon in small town North Carolina, Nina Simone was a musical child. She sang before she talked and learned to play piano at a very young age. With the support of her family and community, she received music lessons that introduced her to classical composers like Bach who remained with her and influenced her music throughout her life. She loved the way his music began softly and then tumbled to thunder, like her mother's preaching, and in much the same way as her career. During her first performances under the name of Nina Simone her voice was rich and sweet but as the Civil Rights Movement gained steam, Nina's voice soon became a thunderous roar as she raised her voice in powerful protest in the fight against racial inequality and discrimination.

An afterword discusses the process of providing clean water in South Sudan to reduce waterborne illness.
