An essential companion to the Harry Potter books and a magical gift for all Harry Potter fans, *The Tales of Beedle the Bard* is a collection of fairy tales from the Wizarding World, with wise and witty notes from Professor Albus Dumbledore (via the enchanted pen of J.K. Rowling). Multi-talented Muggle illustrator Chris Riddell makes this book a complete visual treat, the pages bursting with glorious colour, beautiful line and stunning composition - with some familiar faces from the Harry Potter novels themselves popping up in the deliciously original and subversive Dumbledore's notes. Packed with colour illustrations and a spectacular gatefold spread, this follows the globally bestselling illustrated editions of the Harry Potter novels (Jim Kay) and *Fantastic Beasts and Where to Find Them* (Olivia Lomenech Gill) as an absolute must for fans of all ages. Mischievous and witty, the five rollicking tales are a deeply satisfying read in the tradition of all great fables and fairy tales. Kindnesses are rewarded and selfishness shown to be the ruin of many a wizard. Burping cauldrons, hairy hearts and cackling stumps are met along the way. Each tale is brought vividly to life with Riddell's trademark humour and elegance, including 'The Tale of the Three Brothers', familiar to readers of Harry Potter from the crucial role it played in *Harry Potter and the Deathly Hallows*. Joining the hand-picked band of illustration talent lending their own magic to the world of Harry Potter and *Fantastic Beasts*, former Waterstones Children's Laureate Chris Riddell is the only illustrator to have won the Kate Greenaway Medal three times, and is brought together here for the first time with one of the world's best loved storytellers in this new edition of J.K. Rowling's fairy tale classic. Much loved by generations of witches and wizards since they first appeared in the fifteenth century and translated from the original runes by Hermione Granger, this beautifully illustrated edition is set to become a firm favourite at bedtime in non-magical households the world over. *The Tales of Beedle the Bard* is published in aid of Lumos, an international children's charity founded in 2005 by J.K. Rowling.

**ABOUT THE BOOK** When Harry Potter, Hermione Granger, Ron Weasley, and their friends first arrived at Hogwarts School of Witchcraft and Wizardry, the literary world was set ablaze. Readers young and old alike were captivated by this group of inquisitive, spunky and daring youth, and it didn't take long for the powers that be to decide to bring Harry Potter and Hogwarts to the big screen. Legions of fans followed Harry, Ron and Hermione through to the last book, *Harry Potter and the Deathly Hallows*, and eagerly anticipated the final book's launch to the big screen. When Part One of the film came out in November, 2010, the Broadcast Film Critics' Association was impressed, giving the film 87 out of a possible 100 points. Part 1 went on to rack up nearly a billion dollars worldwide, becoming the third highest grossing movie of 2010, behind *Toy Story 3* and *Alice in Wonderland*. It seemed an interminable wait for Part 2 to hit theatres, but when it

did in July, 2011, the fans were profusely appreciative, coming out in droves to wait in line for ticket pre-sales. In fact, the film broke a pre-sales record; \$32 million was grossed in pre-sales alone. As expected, the film was lauded and earned an estimated \$1.3 billion in worldwide revenues. MEET THE AUTHOR Chris St-Jean is an Ontario English teacher with a great passion for American literature in particular and the written word in general. Her two daughters, aged 3 and 7, also seem to have a love of books. She follows global events as closely as she can but also enjoys entertainment news. Currently, she is working towards a black belt in karate EXCERPT FROM THE BOOK David Yates, who also directed Harry Potter and the Order of the Phoenix and Harry Potter and the Half-Blood Prince, directed both parts of the series finale. David Heyman returned as producer, as he had done for the other films of the series, and was joined by J.K. Rowling and David Barron. It was Heyman himself who discovered the as-yet unpublished Harry Potter and the Philosopher's Stone manuscript back in 1997. He admits that the response from the fans was unprecedented for him; in fact, no other film series followed the same characters throughout a linear storyline throughout eight films. The series, in fact, has gone on to become the highest-grossing series of films of all time. Perhaps what has also helped make the series so successful is having the same screenwriter at the helm for six of the seven books. Buy a copy to keep reading!

The official playscript of the original West End production of *Harry Potter and the Cursed Child*. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for *Harry Potter and the Cursed Child* was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of *Harry Potter and the Cursed Child*.
