How are you going to snag one if you don't know how to....Think Like a Guy? E! News anchor Giuliana DePandi knows that if you want a little piece of his heart, you're going to have to learn to get into his head--and she shares her knowledge as an on-the-town dater in L.A. into this funny but oh-so-practical and effective volume. DePandi knows what it's like "out there", and has done extensive field work to learn what turns guys off...and on. Here's a pop quiz: Should you ...mention your mom on a first date? ...cook a guy breakfast after your first sleepover at his place? ...pick at your food when he takes you to dinner? ...tell him how many lovers you've had before he came along? ...leave him long voicemails if you can't reach him on the phone? The resounding answer to all the questions above, according to DePandi, is: NO! You should, in fact, be busy and breezy, offer to pay for dinner, leave short voicemails (and none at all if you don't have anything concrete to say), stay well-dressed and -groomed, and make your guy feel like he's the first to introduce you to anything kinky in bed. Think Like a Guy is a hard-headed practical book for women who acknowledge that men and women simply think differently.

NATIONAL BESTSELLER (The Globe and Mail) Finalist for the Edna Staebler Award for Creative Non-Fiction [2014] Longlisted for the RBC Taylor Prize [2014] A moving memoir about growing up with a gay father in the 1980s, and a tribute to the power of truth, humour, acceptance and familial love. Alison Wearing led a largely carefree childhood until she learned, at the age of 12, that her family was a little more complex than she had realized. Sure her father had always been unusual compared to the other dads in the neighbourhood: he loved to bake croissants, wear silk pyjamas around the house, and skip down the street singing songs from Gilbert and Sullivan operettas. But when he came out of the closet in the 1970s, when homosexuality was still a cardinal taboo, it was a shock to everyone in the quiet community of Peterborough, Ontario—especially to his wife and three children. Alison’s father was a professor of political science and amateur choral conductor, her mother was an accomplished pianist and marathon runner, and together they had fed the family a steady diet of arts, adventures, mishaps, normal frustrations and inexhaustible laughter. Yet despite these agreeable circumstances, Joe’s internal life was haunted by conflicting desires. As he began to explore and understand the truth about himself, he became determined to find a way to live both as a gay man and also a devoted father, something almost unheard of at the time. Through extraordinary excerpts from his own letters and journals from the years of his coming out, we read of Joe’s private struggle to make sense and beauty of his life, to take inspiration from an evolving society and become part of the vanguard of the gay revolution in Canada. Confessions of a Fairy’s Daughter is also the story of “coming out” as the daughter of a gay father. Already wrestling with an adolescent’s search for identity when her father came out of the closet, Alison promptly “went in,” concealing his sexual orientation from her friends and spinning extravagant stories about all of the “great straight things” they did together. Over time, Alison came to see that life with her father was surprisingly interesting and entertaining, even oddly inspiring, and in fact, there was nothing to hide. Balancing intimacy, history and downright hilarity, Confessions of a Fairy’s Daughter is a captivating tale of family life: deliciously imperfect, riotously challenging, and full of life’s great lessons in love. Alison brings her story to life with a skillfully light touch in this warm, heartfelt and revelatory memoir.

The Reformation-era writings that make up the Lutheran Confessions remain lively resources for Christian ministry and mission today. Because each of the documents within the Book of Concord was written with a specific context and rhetorical purpose in mind, each has its own compelling story and objectives. Luther’s catechisms present the faith for daily life at the grass-roots level, with teaching elements that we might now view as typical of social media and multimedia. The Augsburg Confession and its Apology provide an adaptable foundation for preaching, teaching, church organization, and dialogue that is

rooted in the promise of Christ, received through faith. Fifteen years after the Diet of Worms, the Smalcald Articles reveal yet another “Here I stand” moment for Luther. Finally, the Formula of Concord shows how the next generations of Lutherans used collaboration and consensus as they wrestled with important themes of faith and life. In summary, as these texts engage us with their stories, they invite us to consider what is most important about our journeys of faith and Christian witness in today’s twenty-first-century contexts.

Single is... ..not a condition to be cured...it's just as natural as being part of a couple. Its wisdom is contagious. Its message is powerful. ...a one-of-a-kind book that speaks a universal language to single women everywhere. ...a sometimes funny, sometimes, touching, and always uplifting collection of true-life experiences and practical wisdom that helps you celebrate your single status. Single is about upholding the most enduring relationship of all: the one we have with ourselves. It's not that he's just not that into you—it's that there aren't enough of him. And the numbers prove it. Using a combination of demographics, statistics, game theory, and number-crunching, Date-onomics tells what every single, college-educated, heterosexual, looking-for-a-partner woman needs to know: The “man deficit” is real. It's a fascinating, if sobering read, with two critical takeaways: One, it's not you. Two, knowledge is power, so here's what to do about it. The shortage of college-educated men is not just a big-city phenomenon frustrating women in New York and L.A. Among young college grads, there are four eligible women for every three men nationwide. This unequal ratio explains not only why it's so hard to find a date, but a host of social issues, from the college hookup culture to the reason Salt Lake City is becoming the breast implant capital of America. Then there's the math that says that a woman's good looks can keep men from approaching her—particularly if they feel the odds aren't in their favor. Fortunately, there are also solutions: what college to attend (any with strong sciences or math), where to hang out (in New York, try a fireman's bar), where to live (Colorado, Seattle, “Man” Jose), and why never to shy away from giving an ultimatum.

If you've ever found yourself picking off your nail polish, sitting in your sweats with an empty carton of Ben & Jerry's, wondering, "Where are all the good men, and why isn't a gorgeous one standing shirtless in my kitchen mixing me up a pomegranate mojito?" I hate to tell you this, but it's your own fault. Not to worry -- I'm here to help you make that fantasy a reality, with one major addition: you'll be sipping that mojito with a big, glittering diamond ring on your left hand. Sounds too good to be true? It isn't. As a third-generation matchmaker and the president of one of the world's most elite dating services -- the Millionaire's Club -- I've put myself in the enviable position of being friend, confi dante, and relationship counselor to men and women the world over. I know what the good guys want in a wife, and what sends them screaming into the night. Now I'm sharing their secrets with you. I've compiled my best tried-and-true advice and I'm going to tell you the things that even your best friend doesn't have the courage to break to

you. If you follow my formula, the man of your dreams will appear in your life, and you can be in a committed, monogamous relationship with him in less than a year. Get ready -- I'm about to show you how to make all your relationship dreams come true.

Why You're Still Single is not about chasing men, so you will not need a butterfly net. It is not about making them chase you, because they are not wolves and you are not a bunny. Relationship experts Evan Marc Katz and Linda Holmes do not suggest that you treat men like hostile alien presences, pretend you don't understand football, buy padded bras, or refuse to call people back. But the benefit of other people's experience might point out a few things that are tripping you up, no matter how much of an amazing, smart, hot, totally worthwhile ass-kicker you may be as a general rule. They recommend: Honesty (usually), playing fair, shutting up (sometimes), speaking up (other times), respecting that voice in your head that says "You're doing WHAT?", making compromises, knowing when to cut bait, good sex, giving yourself a break, being needlessly generous, and periodically leaving your apartment. They don't recommend: Pretending to like what you don't like, treating winking and giggling like a Get Out Of Jail Free card, testing people, stubbornness, martyrdom, talking everything to death, and convincing yourself that you're desperate.

Today Show Book Club Pick An extraordinarily haunting love story told in the voice of a man who appears to age backwards We are each the love of someone's life. So begins *The Confessions of Max Tivoli*, a heartbreaking love story with a narrator like no other. At his birth, Max's father declares him a "nisse," a creature of Danish myth, as his baby son has the external physical appearance of an old, dying creature. Max grows older like any child, but his physical age appears to go backward--on the outside a very old man, but inside still a fearful child. The story is told in three acts. First, young Max falls in love with a neighborhood girl, Alice, who ages as normally as any of us. Max, of course, does not; as a young man, he has an older man's body. But his curse is also his blessing: as he gets older, his body grows younger, so each successive time he finds his Alice, she does not recognize him. She takes him for a stranger, and Max is given another chance at love. Set against the historical backdrop of San Francisco at the turn of the twentieth century, Max's life and confessions question the very nature of time, of appearance and reality, and of love itself. A beautiful and daring feat of the imagination, Andrew Sean Greer's *The Confessions of Max Tivoli* reveals the world through the eyes of a "monster," a being who confounds the very certainties by which we live and in doing so embodies in extremis what it means to be human.

Based on a true story, *Confessions of Her* is the debut poetry novel by Cindy Cherie, one of today's most popular poets on Instagram. This autobiographical collection of poetry and prose takes you on a journey of love and loss, depicting how she overcame heartbreak to

The incredibly popular Daily Mail column, 'Confessions of a Fashionista', feeds its hungry readers snippets of a life in the glittering yet deranged world of fashion. Now its anonymous author reveals both her identity and the true story of her giddily glamorous time in the style industry, with insider gossip on the people who populate it. Propelled by a painful end to a relationship and determined to prove her ex wrong for breaking up with her, our Fashionista lands a place on the Harrods Graduate Scheme. A complete outsider to the fashion world, she sets out on a wing and a pair of Guccis, and finds herself in a whirlwind of couture and craziness. Along the way she learns how to stay sane in a world where hairdressers have egos as big as their clients' bouffants, where dogs fly business class, and if you're eating carbs it can only be because you're pregnant. Confessions of a Fashionista is a book for anyone who's ever been an outsider, for anyone who's ever had a relationship end badly and thought they'd never find true love, and for anyone who thinks that cakes were made to be eaten, not sniffed. By turns hilarious, sad, thrilling, romantic and fun, it is the It book for fashionistas everywhere.

If Chins Could Kill: Confessions of a B Movie Actor Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No-and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road before. Scroll down to that Judy Garland biography. You know plenty about her already-great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too-great voice, troubled toupee. The truth is that though you might not have a clue who I am-unless you watch cable very late at night-there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. If Chins Could Kill: Confessions of a B Movie Actor documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized Chins. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff. Overall, the resolution of the images is off-the-charts better than the first go-around. This is one "sequel" that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I also tried to add a hint of historical context, since it has been a decade and a half since Chins first came out. I hope you enjoy it. Regards, Bruce Campbell

Confessions abound—some of them quite unexpected—in Sheldon Siegel's new legal thriller. Mike Daley doesn't go to confession much since he left the priesthood twenty years ago and became a lawyer, but that doesn't stop his old friend, Father Ramon Aguirre, from trying to get him there. "It wouldn't kill you to go to church once in a while," he tells Mike. But it does kill someone. For several months, a ruinous sexual harassment suit has been building against the San Francisco Catholic Archdiocese, and when the plaintiff's lawyer is found dead, an apparent suicide, an almost audible sigh of relief is heard in certain quarters. But that is before the police find evidence of murder. Even worse—the evidence points to Father Aguirre. Mike and his ex-wife law partner, Rosie, jump in to take the priest's case, but what started out as difficult soon appears impossible as forensics, witnesses, and secrets from Father Aguirre's past all incriminate their client. Soon, their wits are the only things keeping the priest from a life sentence or worse, and wits simply may not be enough—unless they can conjure up a miracle of their own.

There's a reason the media has dubbed matchmaker Rachel Greenwald as "The Wife Maker." Yes, she's responsible for over 750 marriages, but more importantly, she has solved perhaps the biggest dating mystery of all time: when you finally meet Mr. Right (or even Mr. Potential), what really compels him to call back (or not) after a date? Armed with her Harvard MBA, Rachel embarked on a fascinating ten-year research project to decipher this puzzle. In *Have Him at Hello*, she applies her business savvy to the dating world by conducting in-depth "exit interviews" with 1,000 single men, asking why they called back one woman, but not another. By refusing to accept the post-date brush-off like "There wasn't any chemistry..." or the excited, but equally vague evening recap, "We hit it off!" Rachel extracted unabashedly honest and raw details. It turns out there are clear, tangible, consistent reasons why marriage-minded men either fall for you or disappear. The surprising "Top 5 Date Makers" and "Top 10 Date Breakers" revealed in this book can actually change your fate when Mr. Right finally comes along. Rachel's goal isn't for you to pretend to be someone you're not, but rather to keep the ball in your court. By using her innovative research and tips as a guide, more men will ask to see you again ; then you can do the selecting, rather than wondering if they'll call. Because information is power, this book will make your first hello a lasting one.
