

Heart Of The Falcon

A wounded falcon sparks a romance in northern Canada. It is shot down by a hunter who has been promised two thousand dollars by a taxidermist, but is saved by Michael Somers, a former convict. As he nurses the bird to health he attracts the attention of a mute boy, then his widowed mother, Susan Baker, and love follows. This is a novel about people struggling with their lives and the things that made them who they are.

Fierce and feral, her goshawk Mabel's temperament mirrors Helen's own state of grief after her father's death, and together raptor and human "discover the pain and beauty of being alive" (People). *H Is for Hawk* is a genre-defying debut from one of our most unique and transcendent voices.

Based on one of history's most epic stories of adventure, *The Falcon of Sparta* masterfully depicts the ferocity, heroism, and savage bloodshed of the ancient world. Conn Iggulden, the New York Times bestselling author of the *Emperor, Conqueror, and Wars of the Roses* series, returns to the ancient world with a ferociously violent epic. 401 BC. In the ancient world, one army was feared above all others. The Persian king Artaxerxes rules an empire stretching from the Aegean to northern India. As many as fifty million people are his subjects. His rule is absolute. Though the sons of Sparta are eager to play the game of thrones . . . Yet battles can be won—or lost—with a single blow. Princes fall. And when the dust of civil war settles, the Spartans are left stranded in the heart of an enemy's empire, without support, without food, and without water. Far from home, surrounded by foes, it falls to the young soldier Xenophon to lead the survivors against Artaxerxes's legendary Persian warriors.

The year is 1946. He will become tangled in a web of espionage and stolen booze and stolen art and murder-- and he will come face to face with the legendary Maltese Falcon.

From a *Deadpool 2* fan favorite comes a "hilarious, raw" (Rolling Stone) memoir about love, sex, parenthood, work, substance abuse, and everything else that makes life wonderful and/or horrible. Updated with new material! Rob Delaney is a comedy superstar. But if you're ever watched him steal scenes as Peter in *Deadpool 2*, binged his streaming series *Catastrophe*, encountered his raunchy and mischievous Twitter presence, or witnessed the hilarious and painful sharing he does in his stand-up, you already know that. In his first book, he traces his journey from middle-class theater geek to public menace to devoted family man and passionately engaged model citizen—from his youthful obsession (and pen pal relationship) with heavy metal band Danzig and an episode of drunken bungee jumping off the Brooklyn Bridge, to his court-ordered stint in rehab and the miracle of his son's birth. All together, these essays make clear why it is he is so darn lovable—and so f#!%ing funny. Praise for Rob Delaney "Unlike some books by comics, Delaney's volume offers a rich, deeply considered (and yes, funny) look at his life. . . . A great read by any standard, but even more so for including stories about needing (and failing) to find a bathroom while jogging."—E! Online "One of the most hilarious bundles of words we have ever read."—Vice "A book as funny, sincere, weird, wet, and wonderful as Rob Delaney himself."—Jimmy Kimmel "Heart-wrenchingly true tales exuding self-effacing whimsy and smart-guy charm."—Splitsider "Delaney has a knack for pinpointing what's hilarious and sad about adolescent bed-wetting and his own abundant body hair, but somehow the darkest chapters [in this book] make you laugh hardest."—Entertainment Weekly "Rob Delaney has done it again! Actually, this is his first book, so he has not 'done it again.' Actually, this book is so good, I doubt he will be able to do it again. He's peaked."—Judd Apatow "Rob's transition from tweets to book is like a gold medal sprinter winning the marathon the next day. I am jealous and angry."—Seth Meyers "WARNING: This book may cause involuntary seepage. Some funny, funny, funny, funny s*** from the most dangerous man on Twitter. The fact that he's just as funny in long form makes me want to vomit with envy."—Anthony Bourdain Saba is the daughter of an ambitious provincial king. She knows little beyond the constraints of palace life, until one night, a notorious woman outlaw steals her away. Through her journey, Saba discovers joy and freedom beyond anything she has known. But her fate remains uncertain. The king is in pursuit, aided by a sorcerer who seeks to claim Saba as his own. Can a princess and an outlaw find love together, or will malign magic destroy all they have gained?

"A debut novel with a bighearted sensuality and a bull's-eye precision on a par with our best working writers today. A must-read." -Jan Elizabeth Watson, author of *What Has Become of You* and *Asta in the Wings* Good wife, good mother. That's all Claire Spruce is trying to be, but the never-ending snow in this new town and her workaholic husband are making her crazy. Even the sweet face of her toddler son can't pull her out of the dark places in her head. Feeling overwhelmed and alone, she reconnects with her long-lost high school boyfriend, Dean, who offers an intoxicating, reckless escape. But Dean's reappearance is not a coincidence. He wants something from Claire—and she soon finds that the cost of repaying an old favor may lead to the destruction of her entire life. *What Burns Away* is a story of loyalty, family, and the consequences of the past's inevitable collision with our future. "This novel is captivating...it moves fast, doesn't let you catch your breath, and leaves you shaken." -Sarah Braunstein, author of *The Sweet Relief of Missing Children* "A new mom's fiery first love is back, and he challenges all she's built for herself, revealing the fragility of suburban dreams." -Bill Roorbach, author of *The Remedy for Love and Life Among Giants*

The Merlin Falcon kills an egg-snatcher. A single act of defiance that intertwines the Falcon's fate with many others, as Grandfather Crow seeks revenge. Fending off starvation, the Merlin Falcon and his mate make a desperate bid for new territory. It's dangerously close to the Stone Forest, and the realm of the egg snatchers. Indiscriminate killers, friends with none, the crows are bent on revenge. The small Merlin has the heart of an Eagle, but he cannot stand against them alone. The Old Man may be an ally – he hates the crows too. He finds solace in nature, but the Merlin is a bird of prey and threatens the birdlife that visits his property. Others are affected by the Merlin's defiance. The vengeful Grandfather Crow maims a Chickadee and gives the tiny bird a terrible choice. Find and betray the Merlin Falcon or every bird in his grove will die. It will be a murder of crows.

William of Brinlaw's demands that Henry II restore his birthright fall on deaf ears -- until the mysterious death of Brinlaw's current lord. Eager to maintain his hard-won peace, the new king deeds the estate to William, provided he marries his enemy's daughter. Bearing a false proclamation that their union was her father's last wish, William journeys home, where he is unexpectedly bewitched by his bride. Lady Alista stuns him with her trust and burns him with the fire of her kiss. And though he knows she will soon despise him, he weds and beds her before she can learn the truth. Grief-stricken, Alista opens her heart to Will only to see their future threatened by treachery and the unnatural call of a heritage she can

neither understand nor deny. Haunted by visions, she is drawn to the ruins of Falconskeep, where the women of her bloodline find their destiny. It is there Will must go to save her -- if he can find the faith to battle a force that defies a warrior's sword yet may yield to the power of love.

New York Times and USA Today Best Selling Series: Everything always seems to fall into place for twenty-four year-old Aubrey Jenson, except for when it comes to her luck with men. Bad boys always draw her in and crush her heart, and Black Falcon's lead guitarist, Riff, is no exception. After sharing a few wild nights together, she leaves him behind, knowing a guy like Riff isn't the relationship type, merely just a play thing. When she returns to New York, she tries to get the passion she felt in Riff's arms out of her head by dating Isaac, a successful representative at Center Stage Marketing. Just when she thinks she's forgotten Riff, she's forced to see him again when her best friend, Lanie, ropes her into being a bridesmaid for her upcoming wedding to Black Falcon front man, Noel. Sparks fly instantly between Aubrey and Riff when they're forced to reunite, and suddenly she finds herself caught between the man that's good for her and the one who completely rocks her in every way. **New Adult Romance--Book 2 in the Black Falcon series. This book can be read as a stand alone, but reading the first novel and the novella will greatly increase your reading experience.**

Three hearts beat as one, for one. Always. "Everything inside him ached for Clairra in a way that was completely unfair to the memory of his wife." Grey McLendon Clairra Robbins technically didn't exist until two weeks before she began teaching at Grassland Academy. Her new identity may have given her the credentials she needed for the job, but it hasn't helped one whit to soothe her frayed nerves caused by years on the run. It also didn't come with instructions on how to handle three ravenous cowboy brothers intent on seducing her. Six years after losing their wife, the McLendon brothers are focused on running their family ranch, Falcon Ridge, and raising their rambunctious twin boys. They've never believed they could find another woman with which to share their hearts and family. When Matt and his twin, Mason, meet their sons' classy new teacher, hope and love aren't the only things that spring back to life. Matt is convinced she was Heaven sent to heal their family. Mason hopes he's right, but knows they have a bigger problem than convincing Clairra to take a chance on their unconventional family; a much bigger, surly, older brother kind of problem. After their wife died, Grey McLendon planned to live the rest of his life comfortably numb from the neck down, even if it killed him...and it just might if he can't reconcile his guilt and desire for Clairra before her treacherous past catches up with her. U.S. Air Force Major Michael Donnelly was diagnosed with ALS, Lou Gehrig's Disease, after his tour of duty in Desert Storm. When the Pentagon denied any connection between his illness and his service in the Gulf War, Donnelly testified before the House of Representatives in 1998, leading to recommendations for studies into the group of symptoms displayed by Gulf veterans which have become known as "Persian Gulf syndrome."

A "well-written, engaging detective story" (Kirkus Reviews, starred review) about a rogue who trades in rare birds and their

eggs—and the wildlife detective determined to stop him. On May 3, 2010, an Irish national named Jeffrey Lendrum was apprehended at Britain's Birmingham International Airport with a suspicious parcel strapped to his stomach. Inside were fourteen rare peregrine falcon eggs snatched from a remote cliffside in Wales. So begins a "vivid tale of obsession and international derring-do" (Publishers Weekly), following the parallel lives of a globe-trotting smuggler who spent two decades capturing endangered raptors worth millions of dollars as race champions—and Detective Andy McWilliam of the United Kingdom's National Wildlife Crime Unit, who's hell bent on protecting the world's birds of prey. "Masterfully constructed" (The New York Times) and "entertaining and illuminating" (The Washington Post), *The Falcon Thief* will whisk you away from the volcanoes of Patagonia to Zimbabwe's Matobo National Park, and from the frigid tundra near the Arctic Circle to luxurious aviaries in the deserts of Dubai, all in pursuit of a man who is reckless, arrogant, and gripped by a destructive compulsion to make the most beautiful creatures in nature his own. It's a story that's part true-crime narrative, part epic adventure—and wholly unputdownable until the very last page.

Bestselling author Francis Ray continues her romantic saga of the Taggart clan--daring in business and even more reckless in romance--in this sizzling story of unexpected love.

Before best-selling author Helen Macdonald told the story of the goshawk in *H Is for Hawk*, she told the story of the falcon, in a cultural history of the masterful creature that can "cut the sky in two" with the "perfectly aerodynamic profile of a raindrop," as she so incisively puts it. In talon-sharp prose she explores the spell the falcon has had over her and, by extension, all of us, whether we've seen them "through binoculars, framed on gallery walls, versified by poets, flown as hunting birds, through Manhattan windows, sewn on flags, stamped on badges, or winnowing through the clouds over abandoned arctic radar stations." Macdonald dives through centuries and careens around the globe to tell the story of the falcon as it has flown in the wild skies of the natural world and those of our imagination. Mixing history, myth, and legend, she explores the long history of the sport of falconry in many human cultures—from Japan to Abu Dhabi to Oxford; she analyzes the falcon's talismanic power as a symbol in art, politics, and business; and she addresses the ways we have both endangered and protected it. Along the way we discover how falcons were mobilized in secret military projects; their links with espionage, the Third Reich, the Holy Roman Empire, and space programs; and how they have figured in countless stories of heroism and, of course, the erotic. Best of all, Macdonald has given us something fresh: a new introduction that draws on all her experience to even further invigorate her cherished subject. The result is a deeply informed book written with the same astonishing lyrical grace that has captivated readers and had everyone talking about this writer-cum-falconer.

A tale of war and witchcraft ... plots and playhouses ... love and loyalty.Following his coronation in Scotland, Charles II leads an army south to reclaim his throne but the dream ends in a crushing defeat at Worcester, leaving no alternative but flight. With little more than the clothes on their backs, Ashley Peverell and Francis Langley flee to Paris where Ashley, known to some as The Falcon, resumes his covert work for the King.Beautiful, stubborn and street-wise, Athenais de Galzain has risen from the slums of Paris to become the Marais Theatre's leading actress. Unfortunately, this brings her to the attention of the Marquis d'Auxerre - an influential nobleman of unsavoury reputation who is accustomed to taking what he wants.While the Prince's Fronde turns the city into a battle-ground, Francis is bullied into helping his sister, Celia, obtain a divorce from Eden Maxwell. Meanwhile, in London, Eden watches Cromwell's rise to unopposed power and begins to question the cause he has been serving for a decade.From the first, Ashley and Athenais are drawn together with the force of two stars colliding; a force which Ashley, conscious of the frequency with which he is required to risk his life, cannot deny but resolves to conceal. He has only two priorities; his work for Charles II and his determination to protect Athenais from the Marquis. Both are to test him to the limits.The King's Falcon follows the Cavaliers' last crusade and their subsequent bitter, poverty-stricken exile whilst also going behind the scenes at the Theatre du Marais. There is danger, intrigue and romance in this sequel to The Black Madonna and Garland of Straw.

Winner of the 2019 New American Voices Award Longlisted for the PEN/Hemingway Award for Debut Novel Longlisted for the Aspen Words Literary Prize A Recommended Book of 2019 from: Southern Living * Buzzfeed * The Huffington Post * Bustle * Fierce * Hip Latina * Ms. Magazine * Alma * Library Journal * The Rumpus * The Millions * Refinery29 * Electric Literature A stunning debut novel about a young undocumented Peruvian woman fighting to keep her family afloat in New York City Ana Falcón, along with her husband Lucho and their two young children, has fled the economic and political strife of Peru for a chance at a new life in New York City in the 1990s. Being undocumented, however, has significantly curtailed the family's opportunities: Ana is indebted to a loan shark who calls herself Mama, and is stretched thin by unceasing shifts at her factory job. To make matters worse, Ana must also battle both criticism from Lucho's cousin—who has made it obvious the family is not welcome to stay in her spare room for much longer—and escalating and unwanted attention from Mama's husband. As the pressure builds, Ana becomes increasingly desperate. While Lucho dreams of returning to Peru, Ana is deeply haunted by the demons she left behind and determined to persevere in this new country. But how many sacrifices is she willing to make before admitting defeat and returning to Peru? And what lines is she willing to cross in order to protect her family? The Affairs of the Falcóns is a beautiful, deeply urgent novel about the lengths one woman is willing to go to build a new life, and a vivid rendering of the American immigrant experience.

St. Louis R.N. Shannon Johnson needs a break from her hectic job and her unsatisfying long-term romance. The parcel of Texas land she'd recently inherited is just the refuge she craves--until fellow landowner Matt Taggart challenges her to prove she has what it takes to work the sprawling ranch.

Anne Ransome's brother, Viscount Langley, finds himself irresistably drawn to the governess of his nieces and nephews For the last four years, good girl Lane has regretted breaking up with Noel Falcon. She thought she was sensible when she told him his dreams of being a rock star would get him nowhere, but now that he's a rock god and her career is stagnant, she realizes just how wrong she was. When Noel hires the marketing company where Lane is an intern, she's forced to see him again. If she wants to land her dream job as executive within the company, she has to win him over and secure his account. Too bad Noel is still pissed at her for breaking his heart. When Lane's company flies her to a Black Falcon concert to gain Noel's attention, emotions run high the moment she sees him and realizes she's far from over him. But Noel's countless trysts with groupies and his cocky attitude make Lane believe he isn't the same guy she once loved--now he seems to only want her body. Then after Lane discloses she needs him to procure a job, Noel proves he's a changed man by forcing her to go on the road with him in order to get it. After Lane reluctantly takes Noel up on his offer, she becomes willing to do whatever it takes to keep him satisfied, even if it means succumbing to his seductive ways. Lane soon finds deception is a dangerous game and she's not the only one playing.

After Noel Falcon professed his love to the one girl who truly holds his heart in the palm of her hand, he decides to try his damndest to keep Lane Vance in his life forever this time. There's no way he'll let her slip through his fingers again without a fight. The instant they are together Noel begins to plot a way to ask his headstrong lady-love to be his wife, but every attempt to pop the question is foiled by a string of mishaps that prevents him from the perfect moment to get the job done before he goes back on tour with Black Falcon. Distance is a bigger challenge than Noel expects, and the one-eyed beast of jealous raises its ugly head when Lane takes on a job working on an ad campaign for Embrace the Darkness. With Striker—a man that's made it clear in the past he's very interested in more than her business sense—lurking around her constantly, Noel wants to claim Lane now, more than ever. ROCK THE BAND is a 27,000 word novella from the Black Falcon Series--Following book one, ROCK THE HEART.

Falcon is the only one who can stop Crotalus, an evil wizard who has stolen the souls of all the children of Corigo, from seizing control of the realm

Wealth and power make them untouchable. The monarchs of Trinity Academy. Falcon Reyes. With a sharp, intelligent look, he reeks of arrogance wrapped in an icy layer of indifference. A life of luxury has left him with the notion that everything is attainable. Power. Wealth. Status. He's a god, and I a mere mortal. He's Jupiter, and I am Mercury. There's so much power in this man. He has the kind of influence most people can't even begin to imagine. And me... I'm an eighteen-year-old girl who managed to make him lose control. I'm the girl who showed him there's a kaleidoscope of colors outside the high walls of his black and white world. Please note: This is Book 1 in The Trinity Academy Series. All 3 books are interconnected, and some plots are carried over to the next 2 books in this series.
