From the author of the masterpiece *All Quiet on the Western Front*, *The Black Obelisk* is a classic novel of the troubling aftermath of World War I in Germany. A hardened young veteran from the First World War, Ludwig now works for a monument company, selling stone markers to the survivors of deceased loved ones. Though ambivalent about his job, he suspects there's more to life than earning a living off other people's misfortunes. A self-professed poet, Ludwig soon senses a growing change in his fatherland, a brutality brought upon it by inflation. When he falls in love with the beautiful but troubled Isabelle, Ludwig hopes he has found a soul who will offer him salvation—who will free him from his obsession to find meaning in a war-torn world. But there comes a time in every man's life when he must choose to live—despite the prevailing thread of history horrifically repeating itself. "The world has a great writer in Erich Maria Remarque. One of the great World War I antiwar novels—honest, chilling, and brilliantly satirical Based on the author's experiences on the Western Front, Richard Aldington's first novel, *Death of a Hero*, finally joins the ranks of Penguin Classics. Our hero is George Winterbourne, who enlists in the British Expeditionary Army during the Great War and gets sent to France. After a rash of casualties leads to his promotion through the ranks, he grows increasingly cynical about the war and disillusioned by the hypocrisies of British society. Aldington's writing about Britain's ignorance of the tribulations of its soldiers is among the most biting ever published. *Death of a Hero* vividly evokes the morally degrading nature of combat as it rushes toward its astounding finish. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Then one night in Lisbon, as a poor young refugee gazes hungrily at a boat bound for America, a stranger approaches him with two tickets and a story to tell. It is a harrowing tale of bravery and butchery, daring and death, in which the price of love is beyond measure and the legacy of evil is infinite. As the refugee listens spellbound to the desperate teller, in a matter of hours the two form a unique and unshakable bond—one that will last all their lives. “The world has a great writer in Erich Maria Remarque. This exquisite collection revives Remarque's unforgettable voice, presenting a series of short stories that have long ago faded from public memory. From the haunting description of an abandoned battlefield to the pain of losing a loved one in the war to soldiers' struggles with what we now recognize as PTSD, the stories offer an unflinching glimpse into the physical, emotional, and even spiritual implications of World War I. In this collection, we follow the trials of naïve war widow Annette Stoll, reflect on the power of small acts of kindness toward a dying soldier, and join Johann Bartok, a weary prisoner of war, in his struggle to reunite with his wife. "A stunning, spellbinding, poetic triumph." —Toronto Star From Giller-shortlisted author Kathleen Winter (author of the bestseller *Annabel*): A stunning novel reimagining the lost years of misunderstood Romantic Era genius Dorothy Wordsworth. When young James Dixon, a local jack-of-all-trades recently returned from the Battle of Waterloo, meets Dorothy Wordsworth, he quickly realizes he's never met another woman anything like her. In her early thirties, Dorothy has already lived a wildly unconventional life. And as her famous brother William Wordsworth's confidante and creative collaborator—considered by some in their circle to be the secret to his success as a poet—she has carved a seemingly idyllic existence for herself, alongside William and his wife, in England's Lake District. One day, Dixon is approached by William to do some handiwork around the Wordsworth estate. Soon he takes on more and more

chores—and quickly understands that his real, unspoken responsibility is to keep an eye on Dorothy, who is growing frail and melancholic. The unlikely pair of misfits form a sympathetic bond despite the troubling chasm in social class between them, and soon Dixon is the quiet witness to everyday life in Dorothy's family and glittering social circle, which includes literary legends Samuel Coleridge, Thomas de Quincy, William Blake, and Charles and Mary Lamb. Through the fictional James Dixon—a gentle but troubled soul, more attuned to the wonders of the garden he faithfully tends than to vexing worldly matters—we step inside the Wordsworth family, witnessing their dramatic emotional and artistic struggles, hidden traumas, private betrayals and triumphs. At the same time, Winter slowly weaves a darker, complex “undersong” through the novel, one as earthy and elemental as flower and tree, gradually revealing the pattern of Dorothy's rich, hidden life—that of a woman determined, against all odds, to exist on her own terms. But the unsettling effects of Dorothy's tragically repressed brilliance take their toll, and when at last her true voice sings out, it is so searing and bright that Dixon must make an impossible choice.

Walker was born to be the perfect soldier—the perfect killing machine. On his final tour to Afghanistan, a week before coming home, Travis was struck in the head by an enemy's sniper bullet; it left him clinging to life. By miracle he survived, but would never be the same. Afterwards he moved to Lake City, Colorado along with his beautiful wife to not only continue the healing process, but to start a new life. With less than four hundred living souls in this historically rich city, it made for a perfect secluded area to keep a man that was programmed to kill safely within his isolated cage. No one knew they had a walking time bomb living next door until the day the cage was left open. A record-breaking winter storm takes the city hostage, isolating the residents from the rest of the world in a blizzard-like prison. A perfect mixture of adultery, mistrust, and murder will unleash a terrible evil upon the city, hell-bent on wiping out an entire family, along with anyone who dares get in the way. But another force, a seemingly darker one, will simply be-hell-bent.

This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.

Kids love fast food. And the fast food industry definitely loves kids. It couldn't survive without them. Did you know that the biggest toy company in the world is McDonald's? It's true. In fact, one out of every three toys given to a child in the United States each year is from a fast food restaurant. Not only has fast food reached into the toy industry, it's moving into our schools. One out of every five public schools in the United States now serves brand name fast food. But do kids know what they're eating? Where do fast food hamburgers come from? And what makes those fries taste so good? When Eric Schlosser's best-selling book, *Fast Food Nation*, was published for adults in 2001, many called for his groundbreaking insight to be shared with young people. Now Schlosser, along with co-writer Charles Wilson, has investigated the subject further, uncovering new facts children need to know. In a pharmacy in Kermit, West Virginia, 12 million opioid pain pills were distributed in just three years to a town with a population of 382 people. One woman, after losing her brother to overdose, was desperate for justice. Debbie Preece's fight for accountability for her brother's death took her well beyond the Sav-Rite Pharmacy in coal country, ultimately leading to three of the biggest drug wholesalers in the country. She was joined by a crusading lawyer and by local journalist, Eric Eyre, who uncovered a massive opioid pill-dumping scandal that shook the foundation of America's largest drug companies—and won him a Pulitzer Prize. Part Erin Brockovich, part Spotlight, *Death in Mud Lick* details the clandestine meetings with whistleblowers; a court fight to unseal filings that the drug distributors tried to keep hidden, a push to secure the DEA pill-shipment data, and the fallout after Eyre's local paper, the Gazette-Mail, the smallest newspaper ever to win a Pulitzer Prize for investigative reporting, broke the story. Eyre follows the opioid shipments into individual counties, pharmacies, and homes in West Virginia and explains how thousands of Appalachians got hooked on prescription drugs—resulting in the highest overdose rates in the country. But despite the tragedy, there is also hope as citizens banded together to create positive change—and won. From the beloved author of *All Quiet on the Western Front*, *Flotsam* is a terrifying portrait of Europe as the Nazi shadow falls over the continent. Political dissidents, Jews, medical students, petty criminals: Among the thousands of displaced persons traveling the unpaved roads of Europe, there are Steiner and Kern. Both have irritated officials for outstaying their two-week sojourn in Czechoslovakia. And so they must leave. Not that either has any place to go. Not in 1939. But when a man is led by a guard to the border of one country, he must try another. Until he is escorted from that one too. Living hand-to-mouth, selling shoelaces and safety pins for a few pennies, Steiner and Kern find that, remarkably, there are still pleasures to be had. Paris, for one; love, for another. For amid the heartless cruelty and cold-blooded laws of the Nazi state, there is still humanity and kindness. And there is incomparable joy in falling in love, surviving, and telling your story so it is never forgotten. “The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Plagued by her ever-disappointed refrain, "Well, it's not my favorite." Their search to find their own way in the world has not been a screaming success. Gwenn is a good girl, a responsible girl ... a miserable girl. Her steady diet of vivid fantasies is the only part of her life she enjoys. She daydreams of new parents, a more exciting job and an actual love life. She struggles to run a business as "The Organizer," while she stacks relationship carcasses in the closet of her own completely unorganized life. Her only real friend is her younger sister, Rachel. Rachel is outgoing, risqué and happily gay. The only people who don't know this little secret are her judgmental parents, Pastor Ed and Shirley. Rachel struggles mightily to dodge her mother's constant attempts to set her up with "nice Christian boys"; while holding down a job at the bakery and keeping up with her rock-star girlfriend! Gwenn uncovers a photo that brings her imaginary world careening into reality. She's forced to ask herself if wealthy artist Daniel Gregory is the answer she's been seeking or a grand delusion. Break-ups, meltdowns, family secrets, wild nights and finally a journey of self-discovery to exotic New Zealand keep Gwenn and Rachel stumbling toward independence. So grab your parka and join the Hutchinson girls, as they experience the Lake Effect in Duluth, Minnesota!"
