**Todd Burpo,Lynn Vincent**

Heaven Is for Real Todd Burpo,Lynn Vincent,2016-07-11 A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. Heaven Is for Real is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how reaaally big God and his chair are, and how the Holy Spirit shoots down power from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

Heaven is for Real for Kids Todd Burpo,Sonja Burpo,2011-11-08 Heaven is for real, and you are going to like it! Colton Burpo came back from his trip to heaven with a very important message: Jesus really, really loves children. In an effort to reach even more families with this eternally significant story, this runaway bestseller is now told from Colton-kid to kids! Children will receive the same comfort and assurance that so many adults have received from the trade book. Beautifully illustrated under Colton's direction, he shares his experiences in first person and comments on things that will be important to kids. A letter to parents is included to guide them as they talk to their children about heaven. Scripture along with a Q&A section with answers from the Bible are also included in the book.

**a Heaven is for Real Deluxe Edition** Todd Burpo,2011-10-31 #1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. Heaven is For Real details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery--and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that

matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how “really, really big” God is, and how much God loves us How Jesus called Todd, Colton’s father, to be a pastor The Battle of Armageddon Retold by his father, but using Colton’s uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, “Nobody is old and nobody wears glasses.” Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for Heaven is for Real: “A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe.” —Ron Hall, coauthor of Same Kind of Different as Me

**Heaven Changes Everything** Todd Burpo, Sonja Burpo, 2015-01-13 There's so much more to the story. Todd and Sonja Burpo's almost-four-year-old son Colton made an unforgettable trip to heaven and back during the darkest, most-stressed-out days of their lives. Times were tough, money was scarce and the bills, frustrations, and fears were piled high. The story of Colton's visit to heaven changed their lives—and the book they wrote about it, Heaven Is for Real, gave new hope to millions of readers. In Heaven Changes Everything, the Burpos share details about their experience and about Colton's visit to heaven that they weren't able to include in the original story or in the Sony Pictures release of the Heaven Is for Real movie. Practical and inspiring, the short essays shed light on living with a miracle and the afterlife, each ending with a relevant scripture. Listen in as Todd, and for the first time ever Sonja, from her perspective as a mom, show you how believing heaven is for real helps us survive hardships here on earth, including the death of a loved one or the loss of a child through tragedy, miscarriage, or even abortion. This newly revised edition offers bonus material including: New foreword Never-before-seen family photos Favorite scenes from the movie Q&A section Come see how heaven can indeed touch earth and change everything.

God Is for Real Todd Burpo, David Drury, 2017-09-26 God is for Real, a new book from author of the best-seller Heaven is for Real, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, Heaven Is for Real, was about the then and there of heaven, God is for Real is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?

**Heaven for Kids** Randy Alcorn, Linda Washington, 2012-01-27 Help kids explore biblical answers to their questions about Heaven in a language they can understand. As in the adult title *Heaven*, Randy Alcorn addresses the difference between the present Heaven, where we go when we die, and the New Earth, where we will live forever with Jesus after he returns. Intended for kids ages 8-12, *Heaven for Kids* is sure to be an excellent resource for families, especially those in which the parents have read the adult title and wish to pass on that same level of understanding to their children. The book features ten chapters of questions and answers based on Scripture and is written in a style relevant to today's kids. The book addresses kids' common questions about Heaven, like: Can we be sure we'll go to Heaven instead of hell? How can we know what Heaven is like if we've never seen it? Will we have real bodies in Heaven? Will we actually see God? What happens to us the second after we die? The book also has a summary of the gospel for those who want to be sure they are going to Heaven someday. Equip your kids with answers to difficult questions and encourage them to live "in light of Heaven."

**Heaven is for Real Movie Edition** Todd Burpo, 2014-03-11 #1 New York Times best-seller with more than 11 million copies sold and Amazon's #17 best-selling book of all time. *Heaven Is for Real* was the best-selling non-fiction book of 2011 as reported by Nielsen's Bookscan, and it was made into a major motion picture by Sony in 2014. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how "really, really big" God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see,

**Heaven is a Playground** Rick Telander,1995-01-01 In 1974, Rick Telander intended to spend a few days doing a magazine piece on the court wizards of Brooklyn's Bedford-Stuyvesant. He ended up staying the entire summer, becoming part of the players' lives and eventually the coach of a loose aggregation known as the Subway Stars. Telander tells of everything he saw: the on-court flash, the off-court jargon, the late-night graffiti raids, the tireless efforts of one promoter-hustler-benefactor to get these kids a chance at a college education. He lets the kids speak for themselves, revealing their grand dreams and ambitions. But he never flinches from showing us how far their dreams are from reality. The roots of today's inner-city basketball can be traced to the world Telander presents in *Heaven is a Playground*, the first book of its kind. Rick Telander is a senior writer for *Sports Illustrated* and the winner of the 1987 Notre Dame Club Award for Excellence in Sports Journalism.

Me & Dog Gene Weingarten,2014-09-16 This endearing friendship story about a boy and his dog from a Pulitzer Prize-winning writer gently explores a timeless question: who’s really in charge? Meet Sid. He’s an ordinary kid. He’s far from perfect. But to Murphy, Sid’s faithful dog, Sid is the whole world. Murphy thinks Sid is the absolute best—and that he’s in charge of everything. Sid loves Murphy right back, but he can’t help but wonder what Murphy would think if he realized

the truth: Sid's just a kid, and Murphy's just a dog, and neither one can control the world. This deceptively simply picture book is the perfect start to a discussion about a subject seldom seen in children's books—the nonthreatening feel of a world based on fact and reason, and not faith.

**Under the Banner of Heaven** Jon Krakauer, 2004-06-08 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. "Fantastic.... Right up there with *In Cold Blood* and *The Executioner's Song*." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.
