Heaven is for Real A Little Boy's Astounding Story of His Trip to Heaven and Back : Conversation Guide Thomas Nelson Inc

*** New-1st Release-(April 2014)-I just want to say this is not the actual Heaven is for Real book-I made it look similar, so you would know the book is in reference. I will also share with you my own NDE (Near Death Experience) in detail. I only share this, because it has a whole lot to do with what I believe Colton Burpo actually experienced. These are Colton Burpo's own words from a live TV interview that was videotaped and archived, so there can be no denying its truth. You can go view the video for yourself so you don't have to take anyone else and their word for it. I will provide a link at the bottom of this page. Marilyn Hickey, asked Colton, "Did you see God when you were in Heaven (Hickey, 2011)?" Colton Burpo said, "Um, I did see God, but he pretty much looked like Gabriel he was just a larger version (Hickey, 2011)." Todd Burpo abruptly intervenes and Colton quickly looks to his dad and his dad (with what some may perceive as leading) says, "A much larger version...right (Hickey, 2011)?" 19:20 min into 28 min video. Colton says, "But, what Gabriel and God looked like is they had yellow hair that went down to their shoulders, um blue eyes, a really bright smile, a golden sash, white robes, but God's wings were the biggest. See those wings and you'd be amazed. Okay look at this, another interview where Colton says that he didn't even see God's face he was so big. So, did he see God's face, or didn't he see God's face? 10:20 into the video (Host): "You were meeting a lot of nice people, weren't you (Colton shakes his head) and then Jesus and God? Tell us about Jesus, tell us about God that you remember." Colton: "Well, with Jesus, he has a rough kind face..." (Host): "In the book, you don't spend a lot of time describing God, but you simply said he is big" Colton: "Big" (Host): "And that was your impression, I mean do you, did you remember any facial characteristics, or were you that close to him?" Colton: "Um, you really couldn't see his face since he was so big, but he was just this huge angel with massive wings." Colton actually says that the paperback (trade) book, "Heaven is for Real" is his dad's story, his dad's book, but the Heaven is for Real kid's version is his story. The host of Praise the Lord on TBN was talking to Colton about the kid's book version of Heaven is for Real and how it has its own rackspace and display in the store. About 48:15 min into the interview (Praise the Lord Host): "This is kinda like your book, a chance for you to express. Talk to me about this book." Colton, "Well, the kids book it's more for kids, it has a lot of pictures in there, but the trade book (looked towards his dad kinda matter-fact-attitude) was more my dad's story. Now, the kid's book is my story... So, it gives you more of an insight on what Heaven is." Click the links to go to the videos Hickey, M. (2011, October 19). Alice Sebold's novel *The Lovely Bones* is a unique coming-of-age tale that captured the hearts of readers throughout the world. A dangerous, homeless drifter who grew up picking cotton in virtual slavery. An upscale art dealer accustomed to the world of Armani and Chanel. A gutsy woman with a stubborn dream. A story so incredible no novelist would dare dream it. It begins outside a burning plantation hut in Louisiana. . . and an East Texas honky-tonk . . . and, without a doubt, in the heart of God. It unfolds in a Hollywood hacienda . . . an upscale New York gallery . . . a downtown dumpster. . . a Texas ranch. Gritty with pain and betrayal and brutality, it also shines with an unexpected, life-changing love. This incredible retelling now includes an interview with the authors and a reader's guide that is perfect for individual or group study. The most inspirational and emotionally gripping story of faith, fortitude, and friendship I have ever read. A powerful example of the healing, restorative power of forgiveness and the transformational, life changing power of unconditional love.—Mark Clayman, Executive Producer for the Academy Award-nominated *The Pursuit of Happyness* Denver Moore and Ron Hall's story is one that moved me to tears. The friendship that forms between these two men at a time when both were in great need is an inspiration to all of us to be more compassionate to everyone we come in contact with. This is truly a wonderful book!—Mrs. Barbara Bush

GOD IS FOR REAL, a new book from author of the best-seller *HEAVEN IS FOR REAL*, addresses soul-searching questions about God, like *What is God like? Why are things the way they are in spite of who God is? If Todd's first book, Heaven Is for Real, was about the then and there of heaven, GOD IS FOR REAL is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these*

subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?

#1 New York Times best-seller with more than 11 million copies sold and Amazon's #17 best-selling book of all time. Heaven Is for Real was the best-selling non-fiction book of 2011 as reported by Nielsen's Bookscan, and was developed as a major motion picture by Sony in 2014. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how "really, really big" God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in Heaven Changes Everything: The Rest of Our Story. Heaven Is for Real also is available in Spanish, El cielo es real.

Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

"This story has incredible intrigue and emotional power." --Randall Wallace, Director Heaven Is for Real, We Were Soldiers, and Secretariat

A doctor's account of her own experience of death, heaven and return to life with a new realization of her purpose on earth. Dr Mary Neal, an orthopaedic surgeon, was on a kayaking holiday in Chile. Sceptical of near death experiences, she was to have her life transformed when her kayak became wedged in rocks at the bottom of a waterfall and was underwater for so long that her heart stopped. *To Heaven And Back* is Mary's faith-enriching story of her spiritual journey, her first-hand experience of heaven and its continuing life-enhancing effects.

The New York times best selling book, "*Heaven Is for Real*" outlines the tale of four year old Colton Burpo's emergency surgery for a ruptured appendix and the startling revelations that followed. In the months and years after the successful surgery Colton began to unfold a fantastic story to his parents. But is the account logical - and most important - is it biblical? Find out in the booklet "*Heaven Is For Real: The Book Isn't, An Astounding Refutation Of A Story About A Trip To Heaven And Back*" by pastor and writer D. Eric Williams. If you've read the best seller, you need to read this critique! In recent years, a number of works have appeared with important implications for the age-old question of the existence of a god. These writings, many of which are not by theologians, strengthen the rational case for the existence of a god, even as this god may not be exactly the Christian God of history. This book brings together for the first time such recent diverse contributions from fields such as physics, the philosophy of human consciousness, evolutionary biology, mathematics, the history of religion, and theology. Based on such new materials as well as older ones from the twentieth century, it develops five rational arguments that point strongly to the (very probable) existence of a god. They do not make use of the scientific method, which is inapplicable to the question of a god. Rather, they are in an older tradition of rational argument dating back at least to the ancient Greeks. For those who are already believers, the book will offer additional rational reasons that may strengthen their belief. Those who do not believe in the existence of a god at present will encounter new rational arguments that may cause them to reconsider their opinion.

From the Pulitzer Prize–winning author of *All the Light We Cannot See*, perhaps the most bestselling and beloved literary fiction of our time, comes a triumph of imagination and compassion, a soaring novel about children on the cusp of adulthood in a broken world, who find resilience, hope, and story. The heroes of *Cloud Cuckoo Land* are trying to figure out the world around them: Anna and Omeir, on opposite sides of the formidable city walls during the 1453 siege of Constantinople; teenage idealist Seymour in an attack on a public library in present day Idaho; and Konstance, on an interstellar ship bound for an exoplanet, decades from now. Like Marie-Laure and Werner in *All the Light We Cannot See*, Anna, Omeir, Seymour, and Konstance are dreamers and outsiders who find resourcefulness and hope in the midst of peril. An ancient text—the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky—provides solace and mystery to these unforgettable characters. Doerr has created a tapestry of times and places that reflects our vast interconnectedness—with other species, with each other, with those who lived before us and those who will be here after we're gone. Dedicated to “the librarians then, now, and in the years to come,” *Cloud Cuckoo Land* is a hauntingly beautiful and redemptive novel about stewardship—of the book, of the Earth, of the human heart.

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, *Stone Fox* tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native

American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death?

Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until people all over the world were using her messages. These devotions are written from Jesus' point of view, thus the title *Jesus Calling*. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure. This new edition, created in a lovely package for women, will help more readers

discover the incredible peace found in the presence of Jesus.
