

Heavens Embrace A Reverse Harem Her Angels Book 1

The first book of the completed psychic detective series Jane has a problem. She can see angels, and not just any angels, but archangels. There's Michael, tough, gorgeous, and smarter than Sherlock Holmes. Lucifer, the bad boy you love to, well, love. And Gabriel? Well, he's like the best friend she always wanted, only with washboard abs. Together they make an awesome team when they aren't trying to figure out a way to screw like bunnies. Or, at least, they will when a girl goes missing. Now it's up to Jane and her angels to crack the case, bring the girl home, and save the day. ...and this time, she might find that helping gets her what she's really wanted all along.

Common sense tells you that you would know if you were evil, but what about the freaking anti-christ? Quite ironically, my name is Faith, and up until a few days ago I was just a normal waitress working a dead end job just to get by. My life was going perfectly crappy just like everyone else, and my dumb ass had to go and screw it up looking for love. When a mysterious dating app installs itself onto my phone I cave and take the bait. Little do I know the four blind dates I'm matched with are actually the four horsemen of the apocalypse, and my life is turned upside down like the crosses they wear around their necks. I barely have enough time to process that angels and demons exist because every angel and their momma is descending from a corrupt heaven to kill me. Backed into a corner I'm left with two choices- try to plead my innocence to God and his army, or become the anti-christ they all think I am and build my own. Are good and evil really as black and white as they're trying to make them out to be?

THE WOLF MUST HAVE A MATE TO SURVIVE... Nicolas was the strongest and fiercest of the Draicon, until he was banished for a trumped-up crime. Now the werewolf has only one path to redemption: find the Draicon's long-lost empath, the woman who will save the pack--and Nicolas himself--from terrible danger. Maggie Sinclair is a veterinarian, dedicated to healing. She has no idea of her true nature, the magic waiting in her soul--or the man coming to claim her. The survival of their pack depends on them finding each other, on their ability to become one. But their enemies have also found Maggie, and will kill to stop her awakening to an all-consuming passion...

What would you do for a well paying job and a dental plan? I know what I'd do. A whole helluva lot. And that's exactly what I got. Hell. Baby sitting a cemetery was supposed to be an easy job. Stay up all night. Keep an eye out for kids partying. Maybe get some school work in. What I wasn't supposed to do was deal with three ghosts that wanted nothing more than to drive me insane. Did I mention they're three guys who are as hot as the hell I'm in? I have one thing to say to my ghostly friends. Bring it on.

Sixteen-year-old Lillim Callina is good at two things: running away and magic. Now, Lillim's half-demon ex-boyfriend is contacting her for help, she has somehow gotten herself mixed up in a kidnapping, and her long-dead rival has

risen from the grave. So when a dragon plotting to take over the world offers her a choice- work for him or else- Lillim Callina is going to choose else.

The Esther Anointing gives you the keys to Esther's success, including the qualities that make women great, the power of influence, and the key to finding God's favor for your assignment.

The alpha gave me a baby. While snorkeling in the Caribbean, I got lost. I washed up on a remote island, only to be confronted by a very handsome, but utterly pissed alpha male. Tom is sullen, stormy, and gorgeous. He's got piercing blue eyes, a square jaw, and six pack abs that make my mouth water. Evidently, he's the caretaker for this private island and sees me as nothing more than a pain in the ass ... until one fateful night. To say that there were fireworks is putting things lightly. But then, the secrets begin coming out. Tom's not just the caretaker. He owns this island. In fact, he's an actor. A famous one. He's even won an Academy Award! Is it my fault that I never watch TV or movies? I'm stunned, but I have my own secret too because now I'm expecting his child. But will the alpha male ever know? After all, the island keeps its secrets ... and my pregnancy is only the beginning. This is a secret baby second chance romance where our sassy heroine is filled with spirit and fire. Brynn's outraged that Tom didn't tell her the truth about his identity from the get-go, and she's going to make sure he knows it! But never fear, they get their happily ever after because the baby needs both of his parents. No cheating, no cliffhangers, and always an HEA for my readers.

Two ripped Irish brothers. A dashing undercover cop. The three of them protecting me--and sharing me. I'm a Boston police officer struggling to advance. So when a dangerous undercover mission comes my way? I practically pounce at the opportunity. But the men I'm spying on are not what I expected. A pair of chiseled Irish brothers whose club is a front for illegal activity. Connor Finnegan, the smooth mastermind with a face and body cut from stone, stares at me with emerald eyes that pierce my soul. Leo Finnegan has delicious washboard abs and struts around the club like he's looking for a fight. A bare-knuckle boxer on the weekend, he's the muscle behind their operation. Complicating things is Riley McCarthy, the roguish bartender at their club. Tall, dark, and handsome, Riley and I have a history that predates our work on this undercover mission... My objective is to get close to the Finnegan brothers. To learn their secrets by any means necessary. Yet the more I discover, the more I doubt my ability--and my mission. Are Connor and Leo really the criminals they appear to be? Is Riley right that I'm in extreme danger? Or will my feelings for these three men jeopardize the entire mission? UNDERCOVER ACTION is a stand-alone Reverse Harem love story filled with suspense, tension, and sizzling-hot love. HEA guaranteed!

I'd spent my entire life feeling like I couldn't breathe. Like I was unfit to even exist in a world controlled by elemental magic, as the only one without a single drop coursing through my veins. I was a magical dud, a misfit thrown into an orphanage by my parents as a baby and forced to work a dead end job at a magical coffee shop just to

get by. In a place where everyone was extraordinary I had come to terms with being ordinary. Until my twentieth birthday when my life went up in flames- literally. But when my best friend is captured by a fire wielding psychopath who also turns out to be my fated mate I realize that there is no limit to how much of a hot mess my life can be. Great. Secrets about my past are uncovered and I find out I'm an eden, a mage with an affinity for all four elements. Only an eden can unite all of the elemental mages and unite the country against upheaval. I was prepared to master the four elements, but I wasn't prepared to fall for the three hot elemental princes who were tasked with helping me save the world. No pressure, right?

An academy reverse harem fantasy romance series. I shouldn't be here, and everyone knows it. Blackbriar Academy is an enchanted school on a magical island, and everyone wants in. It's a home away from home for the most advanced mages in the world-and only the absolute best of the best are given an invitation. By some freak accident, I managed to get one. If I pass the trials, I get to stay. With nowhere else to go, Blackbriar is my one shot at having a real life, and I won't let anyone take this from me. But there's a catch. It turns out the people on this island are being trained to hunt the darkness-basically, they're being trained to hunt me. To survive, I have to hide what I am. As a half-mage, I shouldn't have any magic at all. And yet, my natural abilities are almost impossibly powerful-and incredibly illegal. Over history, magic like mine has corrupted the souls of those who were born with it. They've all gone dark-razing towns and murdering hundreds of thousands throughout history. All but me, and I have no idea why. As the trials get more and more challenging, it's clear I'm being hunted. If I'm caught... I die. At Blackbriar Academy, nothing is ever as it seems... but I have nowhere else to go. Nothing, and no one, will stand in my way. The Trials of Blackbriar Academy is a full-length novel with a badass heroine, a riveting storyline, and an alternative relationship dynamic that supports our badass heroine's right to choose more than one man. Get ready for a heart-pounding story filled with an academy fantasy romance unlike anything you've read before. Buckle in for heart-pounding action, breathtaking magic, deadly assassins, four drop-dead gorgeous leading men, lots of toned muscles, and most importantly-a young woman's journey of justice, self-discovery, and freedom. READ THE WHOLE SERIES The Blackbriar Academy: a riveting and addictive academy fantasy romance series. Book 1: The Trials of Blackbriar Academy Book 2: The Shadows of Blackbriar Academy Book 3: The Hex of Blackbriar Academy Book 4: The Blood Oath of Blackbriar Academy Book 5: The Battle for Blackbriar Academy Publisher's Note: The Blackbriar Academy saga is an adult urban fantasy series with explicit scenes and is meant for mature readers who enjoy spellbinding stories with a few very steamy, fan-your-face moments in their fantasy fiction.

I'm an all-or-nothing man—100 percent focused on whatever has my attention. First it was serving my country in the Special Forces. Then it was building my business. Right now it's the hot blonde at the bar who's about to become another notch on my bedpost. But women never keep my attention for more than a night. Until I peel off Skylar Anderson's clothes and her mask starts to crumble, showing me glimpses of the girl she's hiding. She's funny, sexy and vulnerable and throws me out of bed before I can catch my breath and suggest breakfast. When I start my last undercover job on a yacht, turns out, she's one of the crew. I try, but I can't look away. Her high ponytail shows off her kissable neck that tastes like summer. Her short uniform reveals the killer

legs that were wrapped around me last night. And her provocative smile? I know what that mouth is capable of. I want to explore her body, discover her secrets and sail off into the sunset with her. I might want to go all in for Skylar, but she should stay away from me. I've got secrets of my own and they can only bring her trouble. A stand-alone novel. Jett Olsson isn't looking for anything serious and she's not looking for anything at all, so why does it seem so hard to keep it professional? I love my life—the thrill of being on the ice as part of the Arizona Vengeance, the rush of winning, the adoration of the fans. And if that adoration means I don't have to spend the night alone, well even better. I'm content being single and always ready to mingle. But the day Emory Holland walks into a Vengeance team meeting my attention is caught like never before. I can tell right away she's full of smarts and sass, and the fact that she's hot as hell sure doesn't hurt either. She immediately shuts down my advances, so I opt for the road less traveled—straight to the friend zone. My approach works like a charm, and when she invites me into her bed for a no-strings, friends-with-benefits arrangement, I vow to give her everything I have. She's been hurt before, and if I'm able to help her heal while giving her a spectacularly satisfying time *pats self on back*, then I'll be happy. Or at least that's the lie I keep telling myself as the time ticks down on the final buzzer of our "relationship". Now the real question is, can I score the winning goal in a game neither of us realized we were playing?

Trying to discover the identity of a murder victim brings together the vampire Dmitri and a hunter for the Guild, Honor. And as the gruesome murders continue, a lethal sensuality explodes between them.

She's young, innocent and rich... Catarina Mendes, at twenty-one, is finally a free and independent woman. However, it's freedom at a price.... Bound to a stranger... Jake

Ramirez has become guardian to Cat. He must protect her from unscrupulous men and find her a husband. By her most precious gift! Jake is overwhelmed by Cat's beauty, but she's still a virgin. Can he resist bedding her--before he finds her a suitable husband...?

"Even shattered wings hold heavenly beauty." I don't know who I am. I don't even remember what my name is. I was lost, confused and broken the day I met them. My Angels. To the world, they're nothing but leather wearing, foul-mouthed bikers, but to me, they are my saviors. The light at the end of a very dark tunnel. However, as my memory starts to come back to me in pieces, I fear the darkness ahead. Maybe the reason why I can't recollect anything is because I don't want to. Life is sweet in heaven. But hell doesn't want to let me go. Archangels MC is a Contemporary Romance Reverse Harem Standalone story where the heroine is just as fearless as her men, but the mystery that torments her once unraveled might be too much for them to overcome. If you like hot bikers with attitude and a soft gooey center, a little suspense in a story with twists and spins that will make your jaw drop, and a whole bunch of hotness mixed with sweet tender moments, well then this baby is for you! *This is a full-length novel with over 100k words and a guaranteed HEA *Bad Influence is a Contemporary Reverse Harem Romance series. Each book is a standalone novel, with all new characters and brand new love stories. *Recommended 18+ due to mature language and situations.

All her life Max knew she was destined for more, but when she graduated high school, she never expected to find out she was a witch. Now Max isn't headed to the ivy league college of her dreams but to the Witch's Academy, where the spells are real and the classes just might kill you. If Max hopes to survive her new destiny she'll have to put up with mean girl cliques, way too sexy for their own good bad boys, and a popularity contest she didn't expect to win. Turns out, wishing comes with consequences and all magic has a price, especially at Witch Academy, but Max may find she's more prepared than she thought to handle it all.

For better or worse Jane has three problems. Michael, the sexy archangel who says all the right things. Gabriel, the party boy with abs of steel. And Lucifer, the devil in the sack. Sure, it's hard to juggle the three of them, but Jane wouldn't have it any other way. Or would she? When a new case opens at a local beach resort, netting Jane and her three sexy angels a free all-expenses paid vacation if she can catch the crooks, well, Jane just might find she enjoys the simple pleasures of free margaritas, shirtless hotties, and massages. There's just one more problem. She actually has to solve the case.

Keep Calm and Survive High School. That was my motto. It was easier with the Allendale Four by my side and with college on the horizon, I had no doubt we'd have the best time of our lives. No parents. No rules. Lots of freedom. Except even with the bullies that harassed me out of the picture the past is hard to shake. New obstacles emerge, along with old hang-ups and bad habits. I know the guys; Oliver, Jackson, Anderson and Hayden have my back, but what happens when outside forces threaten to tear us apart? Find out in Holding on to Heaven the second installment of The Allendale Four series. This book contains content involving older teens, in a college setting along with social issues, depression and suicide.

Fire destroys everything it touches. The elemental carriers were right when they said that it was the most potent gift. Ever since I unlocked mine, my mind hasn't felt the same. It was a surge of power I wasn't expecting, but now I'm out for vengeance. Vengeance against Asher, Jade, and anyone who's ever done me wrong. I'm not the lost eden anymore, now I'm dark- and there's no turning back.

What happens when the road of love is filled with detours? Or giant potholes and washed out bridges. I had the Allendale Four. Had them. In my heart. In my bed. And then... I lost them. But our bonds are linked and when one of the boys needs me, I'm there. We're there and that's when the road gets bumpier than ever before. Can we navigate our way back together? And what happens if not everyone wants to return? #whychoose

A group of former Navy SEALs, the Alpha Pack is a top-secret team of wolf shifters with Psy powers combating the greatest dangers in the world. But sometime those dangers are more intimate than they bargained for... After a mission goes wrong, Aric Savage is taken prisoner. Half-dead and despairing, he makes a stunning discovery: his Pack mate Micah Chase, who was reported dead, is a fellow captive. When the Alpha team goes into full-rescue mode, accompanying them is an absolute stunner with sable hair--and a spine of solid steel. LAPD officer and Psy Dreamwalker Rowan Chase has one priority: her brother Micah's recovery. Still, she can't help but be drawn to Aric, the ruggedly handsome wolf shifter who pleasures her as no man ever has--however fleeting their affair is destined to be. But when Aric's life is endangered, Rowan must ask herself what she's willing to sacrifice in the name of love, for the man fated to be her Bondmate.

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

Welcome to *The Fallen Angels*, where heaven couldn't control us and hell can't contain us. Some monsters are born into this world, while others are made. Some fall from Heaven, while others rise up from Hell. Me? I wasn't just made, I was created. An angel is what my parents called me, but when I witnessed their murders, brutal and sadistic, that night, I clipped my own wings. A Fallen Angel, that's what I became that night. Five feet one, red hair, round innocent face with baby fat still present in my cheeks, pink pouty lips, I can walk straight up to the enemy and put a bullet in his head before he even knows what's happening. No one who isn't a member of *The Fallen Angels* knows my real identity, and I always personally take care of anyone who even begins to come close. Who am I now you ask? Well, I'm Sweets. The innocent-looking devil who kills without conscience or regret, all with a smile on my face and a lollipop in my mouth. I'm Sweet Chaos on your best of days, so imagine me on your worst, and there's no man alive who doesn't fear the power I wield. Well, that's what I thought, until I met four. They thought me to be the innocent little flower, until I showed them my thorns. And guess what? They held me anyway. Everyone knows my heart is a block of ice, but what happens when four handsome, dominant, possessive bikers decide that I belong to them, and that I don't have a choice in the matter. This is a Reverse Harem, why choose romance, where the female main character doesn't have to choose how many or who to love. This novel contains strong language, violence, sexual content, and dominant anti-hero assholes who you

can't help but love. May not be suitable for anyone under the age of 18.

There is no escaping Hell...at least, not without a little Divine intervention. Desperate to escape the life into which she had been born, Filia, Lucifer's daughter and heir, jumps at the chance to redeem and cleanse herself of her sins. To do this, she must perform selfless good deeds, and she does so under the watchful protection of four angels and a fallen angel on his own road to redemption. Love blossoms unexpectedly even as Filia is hunted like an animal by demons determined to return her to her father's side. Will the unconventional love Filia shares with her angelic guardians be enough to keep the infernal darkness at bay, or will they be torn asunder?

Lola is being hunted by her past, stalked with every step she takes. Sheltered with the pack of her dreams, at first it seems like the hardest challenge isn't even staying safe from Indy. Tensions at work are at a tipping point and after taking the role of management's spy, Lola's in the crossfire if anything goes wrong. As romances between Lola and the pack members are developing left and right, the woman who swore she wanted nothing to do with alpha is turning to them like a bloom to the sun. If only it weren't just one monstrous alpha that twisted her own thoughts. Lola is quickly realizing that her worst enemy is herself, and it's like walking the tightrope to find a balance with the pack that gives her strength rather than sends her toppling to the ground. But Indy won't be ignored. One way or another, he's determined to get his hands on her again. Lola needs more than a pack to shield her. She needs to be ready to fight.

If you could wish for anything, what would you wish for? When Max gets a magic amulet that makes nearly every desire come true, she'll learn the truth of be careful what you wish for. However, magical hijinks aren't all that Max has to worry about. With her hard-working parents strained to pay her tuition, Max's only chance to stay in Winchester Academy is to win the scholarship at the big school fair. Of course, to win, she has to beat her bully of a rival, wow the entire school, and juggle four guys vying for her attention. Nothing a few wishes, a little magic, and a lot of luck can't handle ... she hopes!

As an English major and the editor of the Literary Magazine at Denberg University, I'm fully focused on school. Struggling with being the utter disappointment of my parents--who happen to be two amazing academics--I'm doing my best to prove myself. Stranded on campus with nowhere to go this holiday season, I'm determined to stay on task. But then, Maven Stone calls my name, and everything changes... Suddenly, I'm on a whirlwind vacation with Maven and his two fraternity brothers, Chance Montgomery and Banyan Iburgess, chasing dreams I never knew I had. I'm Giovanna Amsel, and this is the first part of our unconventional love story.

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their

universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

A man who has it all reunites with a woman who takes it all off in a Las Vegas romance from the bestselling author of *Forever My Girl*, now a major motion picture! They don't call it the Strip for nothing. . . . Living in Sin City, Finn McCormick is no stranger to one-night stands, but the last person he expects to find losing big on the casino floor is a former high school fling. Even though Macey Webster's clearly down on her luck, she's still a knockout, and she's dressed like a stripper—because she is one. Drunk off an unfamiliar cocktail of lust, pity, and compassion, Finn offers to pay Macey's debts if she cuddles up to him around town . . . and does whatever he wants between the sheets. Macey came to Vegas for one reason only: money. She's got a young daughter to support, and the tips really are bigger in Vegas. But when she blows her earnings on blackjack, her guardian angel is the rich boy who once stole her heart and never called her back. Although Macey would love to turn the tables on Finn, she can't afford to refuse his proposition—and soon she's enjoying herself much more than she cares to admit. Macey's used to baring her flesh, but baring her soul will take far more courage. Praise for *Stripped Bare* “Finn is the super sexy billionaire every reader will drool over! A far, far hotter version of *Pretty Woman* that will leave you holding your breath 'til the end!”—Christi Barth, author of the *Naked Men* series “An amusing retake of *Pretty Woman*, entertains with blistering physical desire and witty banter amid high-stakes personal conflicts. . . . The conflicted hero and unsinkable heroine make a great pair in this sexy contemporary with a heart of gold.”—Publishers Weekly “Five amazing stars for Heidi McLaughlin.”—Books & Boys Book Blog “Five stars . . . The story pulls at your heartstrings at times and you really cannot help but want Macey to get the HEA.”—Mrs. B's Books “Get ready! It's a wonderful book that you're sure to love.”—FMR Book Grind “*Stripped Bare* is the stuff adult fairy tales are made of.”—Book Angel Booktopia “What a great five-star story this was. A sweet, sexy read that made me swoon, smile and managed to make me shed a few tears along the way.”—TDC Book Reviews Includes an excerpt from another Loveswept title.

We've all heard the story of the Four Horsemen. Harbingers of the apocalypse. Destruction given form. Four of the sexiest-wait no-forget that. You get my point. So imagine my surprise when I find out everything I've ever been told, is a lie. But we're getting ahead of ourselves here. Let's start from the beginning. My name is Ruby Morningstar. I run a tattoo parlor in Portland with my best friend, have a pet raccoon, a crazy ex that stalks me, not to mention this one little thing... I'm a demon. Half-succubus, to be exact. For the last twenty-three years of my life, that's the story I believed, but on the day a handsome stranger bails me out of jail, my world is turned upside down, and suddenly I don't know who I am anymore. Because the Four Horsemen aren't the bringers of the apocalypse. I am. Talk about never catching a break.

From bestselling author L A Cotton, comes an opposites-attract sports romance. Angst... drama... friendship... and football. Will you survive senior year? Lily Ford has always been a wallflower. But it's senior year, and she wants nothing more than to try and push her boundaries and embrace the last year of high school. Kaiden Thatcher has always been the star on the football field. But now he finds himself in enemy territory forced to prove himself to his new coach and teammates. It starts with a dare. Seven minutes of heaven in a boat shed. But it quickly turns into something neither of them saw coming. He's everything she should resist. She's everything he shouldn't want. But neither of them are willing to walk away because together, their demons seem that little bit easier to silence. There's just one problem ... Lily is the coach's daughter. And one hundred percent off-limits.

"Matteo, I want that necklace. Whatever it takes, find it and bring it to me." Prickly, buttoned-up racing team owner Abby Ellison isn't legendary playboy Matteo Di Sione's type. But Abby has something he needs—a necklace prized by his grandfather—and where his lethal charm doesn't work, sponsorship of her team does! As they travel from Dubai to Monte Carlo to Brazil, Matteo thrives on the thrill of the racing world and the surprising allure of innocent Abby. But when he discovers the secret that drives Abby's ambition, Matteo realizes he can't just take the necklace and walk away...

He assumes that socialite Antonia Ruggiero is used to being pampered and preened. But on his boat, Ra'id is the master. So he'll put her to work clearing the decks—and after hours pleasure her in his bed.... But that's until they get to dry land, where the only mistress Ra'id obeys is duty. Or so he thinks—until he gets an unexpected surprise! Now Antonia is with her sheikh for the journey....

The world ended and with it so did the rules. I was stolen from my family and raised in

the Wastelands to the North. I did what I had to ensure my survival. I became The Champion, with my history carved into my skin for all to see. Now I spend my days drinking and hiding from my past until four newcomers offer me a job I can't refuse. When my past and future mix I must once again rise and fight. This time it's not for my freedom, it's for my happiness. Contains mature themes.

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

They call my family a cult. I'm not allowed to tell anyone what happens behind closed doors. Father says that we'll be accepted in the new Gods. "The people that can dance with the dead will make their homes with the Demons." Father says that we have a benefactor. We have to stay in the house and do as the Masters say. But the new Gods have set their eye on my virtue. There is one for every one of the Seven Sins. And I am theirs. **Blood Sugar is a standalone, Reverse Harem, paranormal romance with dark themes.*** **Trigger Warning: contains scenes of sexual, mental and physical abuse as well as cult activity.***
