Post 9-11, the CIA began developing "Chupacabra"—genetically engineered animals—to track and kill insurgents in Afghanistan. Now the program is complete... and in Russian hands. The first mission: eliminate an undercover agent before he can hand-off secret information. But now every person who came in contact with the body is dying, and the virus is spreading. When ex-Special Forces operator Richard Daniels is asked by the victim's sister to investigate her brother's gruesome death, she hands Richard an encrypted CD that arrived shortly after her brother's death. Daniels turns to Chantal Latour, a member of his old army squad in Afghanistan, for help. While Daniels and Chantal investigate, and the CDC chases after a weaponized strain of the Ebola virus with no known cure, the Russians find and kidnap Chantal's daughter. The ransom: return the CD or witness first-hand what a "Chupacabra" can do. THE REMNANTS OF WAR, in series order The Last Operation The Doppelganger Protocol The Devil's Eye Twilight of Demons

one of a complete romantic suspense trilogy. *Bad Behavior*: Grant Madsen's got issues. He's still battling his Mafia family and doing everything possible to keep his loved ones safe. With the cruising season coming to an end, he has to find another job soon or he'll rejoin his father in prison. And he's trying to convince his rebellious teenage nephew to stay away from their criminal relatives (you can imagine how that's going). But worst of all, Grant's parole officer has mandated that he attend therapy. The only saving grace is that they're couples sessions with his girlfriend, Sophie Taylor, a fellow parolee who's struggling with a few issues of her own. Sophie desperately hopes her past with Grant's brother won't destroy her future with him. There's a sleazy professor at work who revels in sexually harassing women in the psychology department. And her father still hates Grant. Their psychologist has his work cut out for him. When Grant's ruthless father hints at a plot to get out of prison, Grant must use everything he's learned in therapy and beyond to try to stop him. It's a race against time -- and a race to rescue Sophie from the Mafia's clutches once again. But this time McSailor and Bonnie refuse to play victims. This time the cuffs are coming off. Following a pardon by the Governor of Illinois, ex-cons Sophie Taylor and Grant Madsen are finally free to pursue their love and the life that lies ahead for them. Grant now fights the forces that have hurt his loved ones by working undercover for the FBI, and he has infiltrated the Russian Mafia in Chicago. Sophie dives into swimming with Grant's nephew, Ben, and into her career as a psychology professor. Thankfully, now it's Ben's turn to heal through therapy sessions with Dr. Hunter Hayes. going right for Grant and Sophie, it's too bad the Russians aren't their only threat. When Grant's father, Enzo Barberi, discovers his own son thwarted his plan to break out of prison, his overdeveloped sense of vengeance flares to life. As Sophie scrambles to save her fiancé, it's impossible to say who will kill Grant first--the Russians or his Italian family. Can love triumph over evil? Are hard work and a pledge to be on best behavior ever enough?
