

Hermle Clock Manual Dorehn

In The Clock Repairer's Manual, Mick Watters explains how to approach all aspects of clock repair, maintenance and cleaning with confidence. For anyone who has ever considered clock repair as a hobby or a profession, as well as those under initial training and for the existing repairer, this comprehensively illustrated and detailed manual will be a useful reference. Topics covered include the typical clock movement; dismantling, cleaning and reassembling; striking and chiming clocks; repairing worn pivots and bushing and escapements, staff fitting and jewellery.
