Preschoolers will have hours of fun with this activity-packed book. There are puzzles to complete, simple mathematics, find objects, alphabets and more . A great way for kids to learn while having fun.

The girl you love vanishes - you search and search. No trace is found. You see someone who looks so like her - she looks at you but does not know you, no recognition flickers. Is it a mirage, dream or desperate hope? She likes you. You ask and she comes with you. Her mind sees only sunlight. You see dark shadowed edges. Can you remake your life with a person who holds no memory of you? An unknown girl appears on an aboriginal community in far north Queensland. She has no memory of any life before, no one knows her. The people in the community say she just arrived one day. Who is she? Where has she come from? She looks like a missing backpacker, Susan, but her name is Jane. Her past life is an unknown place from where she knows no one. She is trying to make a new life without any connections to her past. This is the final book of the Crocodile Spirit Dreaming Series. It tells the story of an English backpacker who went travelling in Outback Australia with a man who loved crocodiles, and how her life turned into a horror nightmare. She finally gets her freedom only to disappear. Her name was Susan. She was on trial for murder when she vanished. She had been just released on bail, despite pleading guilty, when new evidence indicating self-defense was found. She was also pregnant and expecting twins. Since she disappeared only a pair of shoes she was wearing have been found. They were next to a waterhole full of crocodiles. It is feared that she and her unborn children are dead, taken by crocodiles. More than a year has passed without any other trace of her. An inquest has made an open finding on her disappearance. Is there a link between missing Susan and this girl, Jane, who turns up out of nowhere, knowing no one, remembering nothing? Can this girl, Jane, build a new and happy life with her two small children. Can whatever tragedy haunted her past be overcome? This is the story of the remaking of a new life from the broken shell of the old - and how memories of the old threaten to tear apart the new. And at the dark edge lurks an ancient creature of the deep, a being whose lineage is the long lost Australian Aboriginal Dreamtime, the time when the spirits made this land. Yet beyond this dark is a new place where sunlit shadows dance.

Far-Out! follows the life of four best friends; Nick, Jason, Franklin and Yumi, as they face their toughest challenge yet, the 8th Grade! The diary and essays of Brian Eno republished twenty-five years on with a new introduction by the artist in a beautiful hardback edition. 'A cranium tour of one of the most creative minds of our age . . . [Eno] delivers razor-sharp commentary with devilish snarkiness and brutal honesty.' Wired At the end of 1994, Brian Eno resolved to keep a diary. His plans to go to the cinema, theatre and galleries fell quickly to the wayside. What he did do - and write - however, was astonishing: ruminations on his collaborative work with David Bowie, U2, James and Jah Wobble, interspersed with correspondence and essays dating back to 1978. These 'appendices' covered topics from the generative and ambient music Eno pioneered to what he believed the role of an artist and their art to be, alongside adroit commentary on quotidian tribulations and happenings around the world. An intimate insight into one of the most influential creative artists of our time, A Year with Swollen Appendices is an essential classic.

The newest Oprah's Book Club 2.0 selection: this special eBook edition of The Twelve Tribes of Hattie by Ayana Mathis features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. The arrival of a major new voice in

contemporary fiction. A debut of extraordinary distinction: Ayana Mathis tells the story of the children of the Great Migration through the trials of one unforgettable family. In 1923, fifteen-year-old Hattie Shepherd flees Georgia and settles in Philadelphia, hoping for a chance at a better life. Instead, she marries a man who will bring her nothing but disappointment and watches helplessly as her firstborn twins succumb to an illness a few pennies could have prevented. Hattie gives birth to nine more children whom she raises with grit and mettle and not an ounce of the tenderness they crave. She vows to prepare them for the calamitous difficulty they are sure to face in their later lives, to meet a world that will not love them, a world that will not be kind. Captured here in twelve luminous narrative threads, their lives tell the story of a mother's monumental courage and the journey of a nation. Beautiful and devastating, Ayana Mathis's *The Twelve Tribes of Hattie* is wondrous from first to last—glorious, harrowing, unexpectedly uplifting, and blazing with life. An emotionally transfixing page-turner, a searing portrait of striving in the face of insurmountable adversity, an indelible encounter with the resilience of the human spirit and the driving force of the American dream.

Unique on the shelf of KD12 advocacy material, this book recommends long-overdue attention to tomorrow—to ways of making, studying, assessing, and employing forecasts the better to assure a finer tomorrow.

Daisy Gumm Majesty, spiritualist to people with more money than sense, is asked by a Salvation Army captain to teach a cooking class for immigrant German ladies. Since Daisy's only culinary talent is burning water, she's sure the captain is nuts. But Daisy steps up and forces herself to confront her own prejudices about Germans, whom she blames for her veteran-husband's war illness. Then one of her students disappears and Daisy discovers that the help her students need has nothing to do with cooking—there's an anarchist's scheme about to boil over. **REVIEWS:** "Daisy's upbeat attitude gives her great appeal. Recommend to fans of Jacqueline Winspear's *Maisie Dobbs*." Booklist **THE DAISY GUMM MAJESTY MYSTERIES**, in series order Strong Spirits Fine Spirits High Spirits Hungry Spirits Genteel Spirits Ancient Spirits **ABOUT ALICE DUNCAN:** In an effort to avoid what she knew she should be doing, Alice folk-danced professionally until her writing muse finally had its way. Now a resident of Roswell, New Mexico, Alice enjoys saying no smog, no crowds, and yes to loving her herd of wild dachshunds. Visit Alice at www.aliceduncan.net.

Drawing comes with several benefits. One of these is the development of fine motor skills that will aid in the completion of tasks involving object manipulation by hand. As your child draws, he/she begins to express what he/she imagines. Objects are given careful details so features are learned. This way, you can understand what your child creates. How are your child's drawing skills now?

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

Lucy Cotton is a witch with an uncanny ability of attracting dead things. Some dead things like her. One of them wants her dead. Continuing where *Hungry Spirits*, Book 2 of *The Cotton Family Series*, left off we find out what happens at the Midsummer party when Lucy is confronted by an old and unexpected enemy. Struggling to maintain her ancestors' estate as well as her own

personal relationships, Lucy finds herself weighed down with responsibility and plagued by attacks from her family's ages-old tormentor. Will she harness her own power as a witch and invoke her ancient ancestors to defeat the demon once and for all? Or will she succumb to the evil spirit's attempt at her life and family's legacy? In *Ancient Spirits*, there is more at stake than just human lives.

This book explores television's efforts to remain culturally relevant, socially significant, and commercially viable in a changing media environment. It traces its adaptation to the digital era and television's attempts to appeal to its audience by using televisual strategies to simulate interactivity and viewer participation.

In *High Spirits* is a straightforward account of the author's descent into and rise out of alcoholism and the classic and creative ways she used to transform her life completely. She creates a powerful toolbox for the reader by simplifying the robust practices of loving-kindness, forgiveness, gratitude, and joyful living. Her tips for self-empowerment are practical and encouraging, as are her creative suggestions for edging away from unhealthy lifestyles. While it has comprehensive recommendations for overcoming any habit or dependency, however severe or mild, the book is really a treasure chest of anecdotal wisdom. The author addresses the reader directly with warmth and empathy, sharing the lessons she has learned with sensitivity, compassionate humour, and heart-tugging honesty. In *High Spirits* is both a memoir and handbook you will refer to often for the practical guidelines to happiness and empowerment it offers you. It is also a book you will share with and gift to friends.

A child compares pets in this silly look at cats and dogs. "My cat can sleep. My dog can sleep. My cat can sleep on top of my dog." Simple sentences and whimsical illustrations are ideal for toddlers, preschoolers, and beginning readers.

Algebra is tough. We think all kids say that so we came up with a workbook that targets learners from Grades 6-8. The purpose of this workbook is to challenge a student's understanding of algebra by using age-appropriate examples. Encourage your child to use this book as a reviewer or as an introduction to the subject. So what are you waiting for? Secure a copy today!

The definitive three-volume history that FDR did not live to write: the story of World War II from his perspective, showing his mastery of strategy, his vision, and how he overcame resistance from Churchill and his own generals to set the course for victory.

Mantle of Command, Commander in Chief, and War and Peace have been celebrated as "masterly" (*The Wall Street Journal*).

Mikey Morgan is an advanced being who enjoys teaching in the afterlife levels. Like other advanced beings, Mikey has become increasingly concerned about the present state of life on earth, the hatred and violence, and the inability of most of us to make much spiritual progress. Mikey wanted to re-accustom himself to life on earth so he could teach us through the veil, so he accepted a brief earth-lifetime that ended in 2007. *Flying High in Spirit* is Mikey's first book, dictated to his mother by pendulum. He begins by recounting in fascinating detail his unexpected death, his return to the afterlife levels, and his dawning recall of who he is and what his pre-birth plan had been. Mikey's vivid account of how the afterlife levels feel to someone who has just returned, the sights and the activities, and his description of how he manages to reassure and comfort his family on earth all make for fascinating reading. In *Flying High in Spirit*, Mikey shares important eternal truths in ways that are easy for us to understand. He

speaks to us frankly and cheerfully about how life works, how reality works, what the afterlife is like, and how we all can make the kind of spiritual progress that he has made. He teaches us, and he snowboards. Oh, does he snowboard! One of the wonderful lessons that Mikey demonstrates is that eternal life is fun. Mikey Morgan is unique. Few of those who have reached the sixth level of the afterlife are in contact with the earth, and fewer still have made his kind of effort to understand us before attempting to share their wisdom. Mikey is an advanced teacher who is able to relate to us as a twenty-first-century boy on the threshold of becoming a man. He is cheerful, playful, wise, and full of love. His story is unforgettable.

A collection of eighteen stories about ghosts and other haunting tales of the supernatural.

Addressed to copyeditors in book publishing and corporate communications, this lively, practical manual explains what copyeditors do, what they look for when they edit a manuscript, and how they develop the editorial judgment needed to make sound decisions. 20 line illustrations. 14 tables.

The Aborigine's view of the world suggests that all things are interconnected. Every relationship in turn influences every other relationship. Along these same lines, this book reveals how the modern-day business world organizes this unlimited range of possibilities and how readers can reorganize and redirect business plans merely by shifting marketing beliefs.

This title leads readers to the best in the USA's number two destination state, from South Florida and the Gulf Coast to Central Florida and the great north. It covers all the top attractions: Miami and South Beach, the Everglades, the Keys, Daytona Beach, and the world's number one vacation destination - Orlando and its theme parks.

A role to die for... Everyone wants to be a movie star. When indie film director Darton Jellicoe heads off to Little Cocking Manor to film his life's opus, he doesn't count on the interventions of a pair of actors from days gone by. While one longs to be in the limelight once again, the other does his level best to ensure the production doesn't have a ghost of a chance... Follow the hilarious misadventures of the hapless Darton and his team in this tall tale of high spirits. "What a fun ride... lighthearted comedy with a touch of the spookies"

Groomed for a place at a Big Name School since their obsessed, status-conscious helicopter parents passed out cigars at the Stockstill General Hospital Neonatal Unit, the privileged students of Pembrocton College Preparatory are ratcheting up the stakes in the race to get into the nation's most prestigious colleges. The PCP juniors are gloating, jubilant at the rumor that the valedictorian presumptive has received a B on her report card, a grade that will relegate her to in-state hell. Her heir apparent, a three-generation Yale legacy, is the sole mourner at the demise of her future—if only because her thoughtless academic lapse is going to derail his plans to attend MIT. Across town, in the graffiti-covered halls of Stockstill High School, the students slink to class, praying that they arrive without a knife wound—and dream of ivy-covered walls. And with the help of a take-no-prisoners principal and an enterprising parent, the students at SHS dare to encroach shamelessly on territory normally reserved for their wealthy private school rivals. Join the fray as a memorable

cast of characters engages in the latest rage in extracurricular activities: college admissions as a blood sport. ??Laugh out loud funny, The Applicants lampoons the heights we scale—and the depths to which we sink—to get into the “right” college. ?

Fans of Rachel Hawkins' Hex Hall series will shriek with joy over this dark spin-off adventure full of humor, magic, and snark! Fifteen-year-old Izzy Brannick was trained to fight monsters. For centuries, her family has hunted magical creatures. But when Izzy's older sister vanishes without a trace while on a job, Izzy's mom decides they need to take a break. Izzy and her mom move to a new town, but they soon discover it's not as normal as it appears. A series of hauntings has been plaguing the local high school, and Izzy is determined to investigate. But assuming the guise of an average teenager is easier said than done. For a tough girl who's always been on her own, it's strange to suddenly make friends and maybe even have a crush. Can Izzy trust her new friends to help find the secret behind the hauntings before more people get hurt? Rachel Hawkins brings the same delightful wit and charm captured in her New York Times best-selling Hex Hall series. Get ready for more magic, mystery and romance!

In the early 1990s three friends sat together to practice the art of meditation. Soon they were joined by a wonderful lady, Olive, who was then in her early eighties. She had experienced phenomena at the age of five - "remote viewing". In her mind she could see events occurring far away and would tell her mother. On 18th May 1992 the friends had achieved a state of awareness for spirit to talk to them, Peter stood up for the first time. There then was the exciting first message - the first "Words from Spirit" of many more that followed.

A memoir from a schoolteacher of growing up in the heart of the Midwest during the Great Depression describes her close family life on an Iowa farm during a time of endless work and resourcefulness, with no tolerance for idleness or waste.

How fast can your child form these dots into pictures? A challenging activity book requires a child to play against the clock. This will push a child from passive to active learning. It'll make the game much more appealing because of the added element of pressure. Encourage your child to share this activity book with friends!

Fresh from the success of capturing Gwain's Keep, Alpha Company is in high spirits. Flush with coin, everyone is eager to get better gear and see what new zones they can go fight in. Not everything is roses though, as the first testing phase is about to come to an end. A number of those who ventured forth with the guild are about to return to their regular lives, and the next wave of testers brings even more players to embrace Alpha World as their new reality, if only for a limited time. Alburet has new complications to deal with, but he doesn't have to face them alone. Two other loving women whom he has accepted the love of, Fluffball and Karen, will be at his side as the revelation of his past comes out. Will Alburet be

able to handle what he has hidden from himself, with the love of the trio of women beside him? Or will he break and fail, leaving his Spirit Fractured? (This book contains adult themes. You'd think I could stop with these disclaimers but even this far into the series people are shocked by the content. This book contains a Polyamorous relationship, with one of the four people in it being a Succubus. You've been warned.)

Sometimes it feels so hard to love yourself. We worry that we're not good enough or we're being selfish if we take time to prioritise what we need. But self-love is so important and even if we're our own biggest critic, it can be done! You deserve better xxxHands up if you're fed up with being told you need to go on this diet, you need to behave this way, or you probably shouldn't wear this outfit...the list goes oooooon. Anne-Marie's been told these things her whole life too and they didn't make her feel any better. But now, she's discovered the simple tools that mean she treats herself with the love and respect she needs and this, in turn, means she's able to go out into the world and be as strong, confident and true to herself as she can be. And she wants YOU to be able to do the same. You Deserve Better is the must-read book from singer-songwriter Anne-Marie that doesn't give you fluffy promises about self-care but speaks honestly about body image, mental health, being successful at work and more. It's the real advice that every person needs to hear to be happier in themselves and in the world. Cause you know what? YOU DESERVE BETTER.

SMART Study Skills (Christian School Edition) will help any student become an independent learner, get better grades, prepare for any test or exam, and master memory strategies for any subject. This book covers the whole spectrum of studying, from creating a SMART Study Plan to the process of evaluating the effectiveness of strategies. It is a must have for any student learning to study!

Teaching a child to tell time is quite challenging. How can you put into words a good explanation as to why numerals are to be read in many ways? When introducing the concept, start with the use of an analog clock because it gives the concept of change through the moving hands. This educational book is perfect for little learners. Grab a copy tod

This unique volume shows how to tackle the challenges of diversity in the workplace. It addresses the need to keep the workforce engaged while taking into consideration the diverse backgrounds of employees. The book explores 12 themes of workforce diversity and culture, including differences of race, religion, gender, sexuality, income class, education level, marital status, generation/age, physical ability, and more. Focusing on the benefits of engaging a diverse workforce, the volume considers the issue through the different stages of the human resource process, including recruitment, selection, performance appraisal, demand forecasting, supply forecasting, job description and specification, job analysis and evaluation, training and development, career planning and development, succession planning, etc. Employing an abundance of case studies, the volume enables readers to comprehend what it means to have a diverse workforce and
