Grand in its scope, *Asian Comics* dispels the myth that, outside of Japan, the continent is nearly devoid of comic strips and comic books. Relying on his fifty years of Asian mass communication and comic art research, during which he traveled to Asia at least seventy-eight times and visited many studios and workplaces, John A. Lent shows that nearly every country had a golden age of cartooning and has experienced a recent rejuvenation of the art form. As only Japanese comics output has received close and by now voluminous scrutiny, *Asian Comics* tells the story of the major comics creators outside of Japan. Lent covers the nations and regions of Bangladesh, Cambodia, China, Hong Kong, India, Indonesia, Korea, Malaysia, Myanmar, Nepal, the Philippines, Singapore, Sri Lanka, Taiwan, Thailand, and Vietnam. Organized by regions of East, Southeast, and South Asia, *Asian Comics* provides 178 black-and-white illustrations and detailed information on comics of sixteen countries and regions—their histories, key creators, characters, contemporary status, problems, trends, and issues. One chapter harkens back to predecessors of comics in Asia, describing scrolls, paintings, books, and puppetry with humorous tinges, primarily in China, India, Indonesia, and Japan. The first overview of Asian comic books and magazines (both mainstream and alternative), graphic novels, newspaper comic strips and gag panels, plus cartoon/humor magazines, *Asian Comics* brims with facts, fascinating anecdotes, and interview quotes from many pioneering masters, as well as younger artists.

Acclaimed by critics and readers on its first publication in 1987, winner of the Locus Award for Best First Novel, *Emma Bull's War for the Oaks* is one of the novels that has defined modern urban fantasy. Eddi McCandry sings rock and roll. But her boyfriend just dumped her, her band just broke up, and life could hardly be worse. Then, walking home through downtown Minneapolis on a dark night, she finds herself drafted into an invisible war between the faerie folk. Now, more than her own survival is at risk—and her own preferences, musical and personal, are very much beside the point. By turns tough and lyrical, fabulous and down-to-earth, *War for the Oaks* is a fantasy novel that's as much about this world as about the other one. It's about real love and loyalty, about real music and musicians, about false glamour and true art. It will change the way you hear and see your own daily life. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Funny, relatable, and inspiring, this is a memoir for anyone who has ever struggled to find love, but has also had a lot of fun in the process.

This prize-winning book is both an illustrated tour of a Tokyo rarely seen in Japan travel guides and an artist's warm, funny, visually rich, and always entertaining graphic memoir. Florent Chavouet, a young graphic artist, spent six months exploring Tokyo while his girlfriend interned at a company there. Each day he would set forth with a pouch full of color pencils and a sketchpad, and visit different neighborhoods. This stunning book records the city that he got to know during his adventures. It isn't the Tokyo of packaged tours and glossy guidebooks, but a grittier, vibrant place, full of ordinary people going about their daily lives and the scenes and activities that unfold on the streets of a bustling metropolis. Here you find business men and women, hipsters, students, grandmothers, shopkeepers, policemen, and other urban types and tribes in all manner of dress and hairstyles. A temple nestles among skyscrapers; the corner grocery anchors a diverse assortment of dwellings, cafes, and shops—often tangled in electric lines. The artist mixes styles and tags his pictures with wry comments and observations. Realistically rendered advertisements or posters of pop stars contrast with cartoon sketches of iconic objects or droll vignettes, like a housewife walking her pet pig, a Godzilla statue in a local park, and an urban fishing pond that charges 400 yen per half hour. This very personal guide to Tokyo is organized by neighborhood with hand-drawn maps that provide an overview of each neighborhood, but what really defines them is what caught the artist's eye and attracted his formidable drawing talent. Florent Chavouet begins his introduction by observing that, "Tokyo is said to be the most beautiful of ugly cities." With wit, a playful sense of humor, and the multicolor pencils of his kit, he sets aside the question of urban ugliness or beauty and captures the Japanese essence of a great city in this truly vital portrait.
