

## His Dream Baby A Miracle Baby Romance

Edited by Pulitzer Prize-winner and nineteenth US Poet Laureate Natasha Trethewey, *The Best American Poetry 2017* brings together the most notable poems of the year in the series that offers “a vivid snapshot of what a distinguished poet finds exciting, fresh, and memorable” (Robert Pinsky). Librarian of Congress James Billington says Natasha Trethewey “consistently and dramatically expanded the power” of the role of US Poet Laureate, holding office hours with the public, traveling the country, and reaching millions through her innovative PBS NewsHour segment “Where Poetry Lives.” Marilyn Nelson says “the wide scope of Trethewey’s interests and her adept handling of form have created an opus of classics both elegant and necessary.” With her selections and introductory essay for *The Best American Poetry 2017*, Trethewey will be highlighting even more “elegant and necessary” poems and poets, adding to the national conversation of verse and its role in our culture. *The Best American Poetry* is not just another anthology; it serves as a guide to who’s who and what’s happening in American poetry and is an eagerly awaited publishing event each year. With Trethewey’s insightful touch and genius for plumbing the depths of history and personal experience to shape striking verse, *The Best American Poetry 2017* is another brilliant addition to the series.

Pinnacle 2000 New York filmmaker Morgan James is about to journey straight into the heart of a dark conspiracy, hidden deep in the mist-shrouded Maya rain forest of Central America, where a bizarre human experiment (including a baby factory) comes at a terrible price. *In Vitro*, Independent Film, Adoption, Fertility, Human Eggs, Guatemala, Peten, Maya, Mayan Pyramid, Vision Serp

A brilliant exploration of the natural, medical, psychological, and political facets of fertility When Belle Boggs's "The Art of Waiting" was published in *Orion* in 2012, it went viral, leading to republication in *Harper's Magazine*, an interview on NPR's *The Diane Rehm Show*, and a spot at the intersection of "highbrow" and "brilliant" in *New York magazine's* "Approval Matrix." In that heartbreaking essay, Boggs eloquently recounts her realization that she might never be able to conceive. She searches the apparently fertile world around her--the emergence of thirteen-year cicadas, the birth of eaglets near her rural home, and an unusual gorilla pregnancy at a local zoo--for signs that she is not alone. Boggs also explores other aspects of fertility and infertility: the way longing for a child plays out in the classic Coen brothers film *Raising Arizona*; the depiction of childlessness in literature, from *Macbeth* to *Who's Afraid of Virginia Woolf?*; the financial and legal complications that accompany alternative means of family making; the private and public expressions of iconic writers grappling with motherhood and fertility. She reports, with great empathy, complex stories of couples who adopted domestically and from overseas, LGBT couples considering assisted reproduction and surrogacy, and women and men

reflecting on childless or child-free lives. In *The Art of Waiting*, Boggs deftly distills her time of waiting into an expansive contemplation of fertility, choice, and the many possible roads to making a life and making a family.

"This is the happiest story in the world with the saddest ending," writes Elizabeth McCracken in her powerful, inspiring memoir. A prize-winning, successful novelist in her 30s, McCracken was happy to be an itinerant writer and self-proclaimed spinster. But suddenly she fell in love, got married, and two years ago was living in a remote part of France, working on her novel, and waiting for the birth of her first child. This book is about what happened next. In her ninth month of pregnancy, she learned that her baby boy had died. How do you deal with and recover from this kind of loss? Of course you don't--but you go on. And if you have ever experienced loss or love someone who has, the company of this remarkable book will help you go on. With humor and warmth and unfailing generosity, McCracken considers the nature of love and grief. She opens her heart and leaves all of ours the richer for it.

This book is about the practice of working with dreams. Rather than presenting a general theory about dreams, it focuses on the dream as phenomenon and raises the question how we must look at dreams if our approach is supposed to be a truly psychological one. So far most essays on, and the practice of, Jungian dream interpretation have paradoxically centered around the person of the dreamer and not around the dream itself. Dreams were used as a means to understand the analysand and what is going on in him or her. Jung's fundamental shift from his earlier person-based psychology and pre-alchemy stance to his mature soul-based psychology, informed by the hermetic logic of alchemy, has not been followed, which was already noted by Jung himself: "My later and more important work (as it seems to me) is still left untouched in its primordial obscurity." The present study is based decidedly on the stance of mature Jung and his very different views about dreams. His most crucial insights in this regard include that in dreams the soul speaks about itself (not about the dreamer), that the dream is its own interpretation and therefore needs to be circumambulated (rather than translated into the language of psychology and everyday life), and that dream images have everything they need within themselves (rather than needing associations from the dreamer's daily life). This book discusses in detail what all this means in practice and what it demands of the psychologist. A decisive transposition away from ordinary consciousness, a "crossing to the other side of the river," is required of the consciousness that wants to approach dreams psychologically. Numerous aspects of dreams and special questions that come up in working with dreams are discussed. At the end of this book our working with dreams is situated in the wider question of the psychological task in general by exploring Jung's insistence that psychology has to transcend the "consulting room," Hillman's move "From mirror to window" and, in Plato's parable, the revolutionary move out of, and return to, "the cave." While limited to the topic of dreams this book may also serve as an indirect introduction to an understanding of psychology as a "psychology

with soul" (Jung) or as the discipline of interiority.

God still performs miracles. He wants you to experience them in your life right now! Audacity is defined as intrepid boldness. The word itself implies that one has stepped from the ranks of convention and normal expectation into daring, uncharted territory. This is especially so with regard to prayers. The Audacity of Prayer shares the stories of modern-day miracles that have occurred as a result of bold, daring, courageous prayers, including when: · God spared a logger crushed by an enormous tree · Unborn twins given no chance for life were healed · A minister was healed from sudden, massive heart failure · A woman conceived after audacious prayers · A pastor outlived terminal leukemia by more than fifty years Let these stories serve as your encouragement and example. Let loose your caution. Throw off your doubts. Look up. Cry out to your loving Father above—and receive.

Discusses the history of robotic technology, from mechanical toys, to factory machinery, to recent advancements in artificial intelligence.

In HOPE BEYOND FIBROIDS: Stories of Miracle Babies & the Journey to Motherhood you can read Gessie's full story of her inspiring journey to motherhood; her refusal to give up on her dream; and the heroic walk of faith she and her beloved husband Marc traveled. Rounding out the book are incredible and inspiring miracle stories of 15 other mothers, both biological and adoptive, who too continued to have hope beyond fibroids—hope that they would one day become the mothers they'd always dreamed of becoming. The book also includes Thriving Tips with Coach Felicia—a coaching guide packed with invaluable lessons gleaned from Emotional Intelligence Strategist and ESSENCE.com Empowerment Columnist Coach Felicia (CoachFelicia.com), who witnessed the Thompson's journey up close as Gessie's personal life coach. In an effort to raise awareness of the fibroids epidemic, this book also includes a Fibroids FAQ with Dr. Cheruba—a board certified OB/GYN and minimally invasive trained surgeon specializing in laparoscopic and robotic surgery. This book is a new age self help book dedicated to guide and help those who want to bring balance in their life. This book is the easiest way to live a balanced life in a materialistic and chaotic world.

Pain. How does one deal with that deep down, tragically destructive pain that comes when he does what he sincerely believes God would have him do, only to watch his world crumble? In this book I share about our experience of adopting a child and dealing with the deadly syndrome labeled "Reactive Attachment Disorder." It is a simple label—but the consequences of this syndrome are far reaching. We claim the promise that "All things work together for good to those who love Him and are called according to His purpose." Yet, there remains that question. Can His love truly redeem even this situation?

Bill Paulson is a brilliant software engineer with a prestigious job, a rising career, all the material things he could desire

and plenty of friends. His biggest problem seems to be his constantly fighting children, whom he tries his best to avoid. But one Christmas Day, when his wife persuades him to go to church, he thinks he hears the voice of God telling him that the baby Jesus is coming to live with his family. Of course Bill dismisses it as a dream, until he arrives home to find a strange baby on his porch. Imagine what happens when a very skeptical husband starts believing that he and his wife must adopt and raise the baby Jesus, while trying to keep their own kids from killing each other. The results are sometimes funny, sometimes sad, but ultimately heart-warming and inspiring. Was it really the baby Jesus or just an ordinary baby? The “Christmas Miracle Baby” will give you and your family a good dose of the Christmas spirit anytime of the year. This is a story for every family needing a miracle! 16 chapters, wonderfully illustrated by Amy Koch Johnson. This real-life inspirational testimony of defeat and victory will touch your heart as it reveals the author’s pursuit of a miracle. It reveals her struggles, pain, suffering, disappointments, and times of joy. During her eleven-year journey with God, it was through faith and persistent prayer that Holloway learned to trust the guiding hands of God and His manifest power in answering her prayers. Her story of defeat and victory will touch and stir your heart to never give up because miracles have many ways of manifesting. Desperate for a Miracle offers encouragement and loving guidance along with practical examples and prayer principles to rebuild faith and hope when life shatters your dreams.

It’s a privilege to be a woman. Gifted with the ability to procreate, she stands apart. Being able to carry a child and become a mother is a dream for most women. When dreams don’t become realities, life seems meaningless. Using her own journey, Neena George in her memoir *Just a Miracle – My Tryst with Infertility* shares the roller-coaster ride she endured. She aims to bridge the literary gap about the associated stigma, societal pressures and emotional trauma which are hardly talked about. The book provides stress relief, support, hope and even encourages the reader to cling on to life, faith and love, especially when you’re at a cross-road and the end seems too far. Her experiences give an insight not only into the strategies to effectively handle infertility, but also any situation in life across the barriers of age, gender and background. The journey would resonate with many, make them understand how fortunate they are and would highlight the importance of being more empathetic and sensitive to others facing challenges. Rising like a phoenix each time she hit a roadblock, forms an integral part of her narrative. The book concludes with many learnings and takeaways. You’re sure to draw inspiration to pursue your dreams with rock-solid determination and faith despite all odds. It’s all about understanding your potential and empowering yourself to handle situations. After all, everything is just a mind game. Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world’s only reliable news source since 1979. The most precious surprise!

Sam Hunter had only intended to help his brother fulfill his dream of having children, but now, through an IVF mix-up, a complete stranger is pregnant with his child! To make matters worse, she's utterly gorgeous.... For warmhearted widow Emilia Eastwood, this child was meant to be the final legacy of her husband. The hospital's discovery turns her world upside down. Sam begins to feel fiercely protective of his accidental family, and soon he and Emilia discover that fate can lead to a love you never expected....

An OG/GYN and fertility specialist details her personal struggles with getting pregnant, sharing a doctor's perspective on a journey faced by many. After years of dedicating her career to bringing new lives into the world, ob/gyn and fertility specialist Dr. Dorete Noorhasan wanted to have a child of her own. But her journey to motherhood was not an easy one. This is her story. The story of a girl who grew up amid hardship, natural disaster, and the harsh reality of life and death. The story of a young woman who dedicated herself to her education and pursued a career in medicine so she could help patients become parents. The story of a mother who was determined, despite all the struggles, setbacks, and heartbreak, to bring her child into this world. Today, one woman in eight is battling infertility. As a physician, Dr. Noorhasan understands the medical aspects of this condition. But as a patient, she has also experienced the emotional turmoil firsthand. Through this unique perspective, *Miracle Baby* sheds much-needed light on infertility while also offering hope and comfort to those struggling on the road to parenthood, showing how even the most difficult journeys can end in a miracle. Praise for *Miracle Baby* "Poignant, transparent, inspiring, Dr. Noorhasan's perspective will resonate with anyone facing a challenging journey to parenthood. Having found her own path to motherhood through surrogacy, she brings a physician's insight to a deeply personal struggle, and her books are much-needed tools to de-mystify infertility and help families find the hope and understanding to persevere." —Kavitha Blewitt, MD, Obstetrics and Gynecology, Women's Health Specialists of Dallas

A feminist critique of bioethics and attitudes toward reproductive technologies.

A night like no other...A miracle she's dreamed of! In this London Hospital Midwives story, knowing she may never have children isn't easy for midwife Carly Eliston. But devoting her life to helping other mothers realize that dream is fulfillment enough. Until she begins working alongside sexy neurosurgeon Adem Kepler! The cautious yet charismatic bachelor challenges Carly to let her hair down... One night of amazing passion later, Carly's in for a miraculous shock—she's carrying Adem's baby! A London Hospital Midwives novel *The London Hospital Midwives* quartet Book 1 – *Cinderella and the Surgeon* by Scarlet Wilson Book 2 – *Miracle Baby for the Midwife* Book 3 – *Reunited by Their Secret Daughter* by Emily Forbes Book 4 – *A Fling to Steal Her Heart* by Sue MacKay "Ms. Beckett is a wonderful author whose books I

normally find easy to get into...where the chemistry between this couple was strong right from the beginning and only gets stronger as this story progresses; the romance was delightful....” —Harlequin Junkie on *The Surgeon’s Surprise Baby* “Every medical romance I’ve read by Ms. Beckett has entertained me from start to finish, as she writes complex characters with interesting back stories, compelling dialogue that has me enjoying the growing relationship between the two main characters, and challenging obstacles for the characters to overcome and this story was no different.”

—Harlequin Junkie on *One Night to Change Their Lives*

When she cast the dream spell, all she could think of was what she wanted, never of the consequences! After years of trying to have a baby through IVF, Sophie Quinn's marriage breaks up. In her attempt to start a family, Sophie had put the rest of her life on hold, including a thriving business, so now at thirty-five she's single again, living alone in a tiny apartment, with a dead-end job, trying to pick up the pieces of her life. The last thing she needs is to start having erotic dreams about a handsome blonde stranger who turns out to be a real person called Vic Rose, the new manager, who walks into the office to discover the beautiful auburn haired woman he's been dreaming about is not a figment of his imagination either. Sophie and Victor are just as drawn to one-another in real life. But neither are prepared to admit to the dreams they were having about each other, not until Sophie finds out she's pregnant, knowing the only way it could have happened was in her dreams...

From doctor...to daddy? Neurosurgeon Wes Van Allen is used to being at the top of his game, so when an accident puts him in a wheelchair, he'll push himself to the limit to regain his strength—he just needs a physical therapist who can keep up! Enter Mary Harris, whose sweet kisses he's never forgotten! She'll help Wes achieve his dream, if he helps her achieve hers—a baby! Captivated by Mary's sunny optimism, dare Wes hope for the ultimate miracle—a family, with Mary by his side?

Messages from heaven and miracles come to us in a variety of surprising and comforting ways. They come to us in dreams or in signs, from people we know and love, and from perfect strangers. And sometimes we're even visited by an angel. However we receive these messages, or experience these miracles, we are reminded that love never dies. These true, personal stories will amaze, inspire and comfort you because you'll read about ordinary people who have had extraordinary experiences, and you'll see that miracles do happen to good people. These 101 miraculous accounts will deepen your faith, renew your hope and open your eyes to the miracles around you.

"'La frontera'...I heard it for the first time back in the late 1940s when Papa and Mama told me and Roberto, my older brother, that someday we would take a long trip north, cross la frontera, enter California, and leave our poverty behind." So begins this honest and powerful account of a family's journey to the fields of California -- to a life of constant moving,

from strawberry fields to cotton fields, from tent cities to one-room shacks, from picking grapes to topping carrots and thinning lettuce. Seen through the eyes of a boy who longs for an education and the right to call one place home, this is a story of survival, faith, and hope. It is a journey that will open readers' hearts and minds.

My First Hug is a story about living, loving, giving, and believing you can have something more. You can better yourself by understanding that every day is a new day. When a new day comes, there are many opportunities to dream your dreams and take the risk of starting something more - such as legacy. A life that falls in love with the idea of having a connection with someone. The love which is so strong that the idea of having a family is a good decision which just must be made. It is a miracle when creation comes knocking at your door and for the first time you have been given a gift of life that is yours. You are having a baby. Together the actionable steps moving forward is to have a dream come true. My First Hug is about the what if's of wanting and having your first baby. You have been given the right to dream and when the gift of creation comes knocking at your door, that dream is now an innocent precious miracle of life who fits in the palms of your hands. How beautiful and wonderful is the miracle of life? My First Hug is a book which speaks to inspiration and heartache and encourages you to become a better person for your baby and yourself in everyday life. An inspiring, funny, and heartwarming story for everyone who has been willing to go to the ends of the earth--and beyond!--to have a child. When rabbits Merle and Pearl meet on one beautiful day, they know that they have found true joy. Yet while they couldn't be happier with each other, there's one teeny, tiny thing missing...a child of their own. Merle and Pearl dream of expanding their nest by bringing a baby bunny into the world, but they face unforeseen challenges along the way. Determined to make their dreams come true, Merle and Pearl will do whatever it takes to find their Miracle--even if it means going deep under the sea, trekking across vast desert sands, or rocketing far out into the stars. Because sometimes finding your dreams takes a Miracle.

When rabbit couple Merle and Pearl meet and fall in love, they dream of bringing a baby bunny into their lives. But when they face unexpected challenges, they'll have to go to the ends of the earth and beyond to find their Miracle.

Get a glimpse of the Son shining through your storm clouds as you read this book. It's sure to give inspiration and hope to any reader who is struggling with problems. The Tim Fitzgerald family has experienced many miracles from God during their times of storms (infertility, pregnancy, adoption, finances, life-threatening diseases). Each chapter shares about their joys, struggles, miracles and reasons to praise God through the storms. Included are humorous accounts such as when one son decided to glue his feet to the floor and another son decided to be the Holy Ghost with some help from the kitchen. The conclusion of each chapter provides a personal time of meditation titled, Meaningful Moments with the Master.

The Dream Belongs to the Dreamer is a compelling hands-on, how-to guide professionally designed to help you unravel the mysteries of your dreams. You will be expertly guided through chapter after chapter of steps, techniques, definitions, and examples to help you more fully understand your dreams on their deepest levels. Five fascinating true-life stories of insightful dream dialogues are included to show you just how rewarding and meaningful this new method, called Subjective Symbol Immersion(c), truly is. Included are sections set aside for your personal notes and reflections so you can go at your own pace. In addition, to help make your dreamwork journey as meaningful as possible, there is a Dreamer's Toolkit of wonderful and fun exercises and a Glossary of Terms in the back of the book. Here is one reader's review: "From time to time I've been jolted by an extraordinary book that stops my world. It forces me to look at "reality" in a different way, a more expansive and meaningful way in which I can more easily connect to my true self. The Dream Belongs to the Dreamer is such a book. It will help anyone willing to apply its unique method to their dreams achieve a healthy and creative life in harmony and balance. I know it did for me." Stephen Danzig, President, The IDA Projects, London.

Building Your Dream Muscle is a lifelong process that collaborates desire with the synergy of gratitude and faith to manifest the reality of dreams come true. The author shares from her journal over a one-year span the diverse challenges that the reader may experience while implementing the process to achieve their dreams. At a pivotal time in the author's life, she prayerfully sought the answers to the questions, "What is my purpose?" "Why do some experience so much success, while others continuously struggle?" "Why is God not helping me?" "What am I doing so wrong?" With every prayer for answers came enlightenment through a spiritual mentor, a book, a song, a message, and then through writing letters to the father. Experiential faith is a personal process through enlightenment. With the ability to laugh at herself, the author shares her very own kind of humor along with the moments of complete loss of hope. The dream muscle work-out transformed through the testing of hypothesis to refine the ability to literally do the impossible. The author has a proven record of successes including selling her home beyond repair for cash in less than twenty-four hours, the purchase of a new van with modifications, purchasing a home that was fully wheelchair accessible, receiving full scholarship and funding to return to college, and complete a bachelor's degree. The single mother of three changed her life and is sharing the story to encourage others that are prayerfully seeking the answer to how they, too, can make dreams come true. The reader will be empowered with the steps and encouragement to change their life. They will realize their unlimited power to create. How long does it take to change your life? As long as it takes to think your next thought.

"Miracle Star Above the Sky is a touching poetic story of a Dreamer who desires a child so immensely that they imagine

having a miracle baby, one who fills them with wonder and joy. Their immense desire translates to daily prayers to God or to the universe to bring a blessed miracle into their life. This little miracle has been a dream of theirs for a very long time.... Not only do they imagine this blessing, they envision their baby as if it's already here and think of all the things they plan to do with their little bundle of joy. This book creates wonder with beautiful and sometimes humorous illustrations. This is not just a story for children; it's a book for adults and children alike to embrace and read together. It's about the feeling of a wish fulfilled, the beauty and joy of holding this miracle close to their heart. *Miracle Star Above The Sky* is the perfect gift for baby showers, Mother's Day and for anyone who dreams of a child of their own."

Wasting a dream is like wasting a life, and a life without a dream is a hopeless one. We don't dream to attract attention or recognition; to be applauded by families and well-wishers. We do dream because our lives are dependent on it. 'Real dreamers' never quit, even when it seems like giving up. They are aware of the fact that the dreams they possess are tried and tested. They comprehend that without the hurdles, these dreams fail to survive the test of time. No man prays for his dreams to be opposed; but the fact still remains: It's inevitable. 'Literal dreamers' only imagine and assume. They paint the magnified pictures of their lives but never strive to make them happen. 'Real dreamers' never deal with assumptions; they believe and act. One thing is to dream, and another, to act on it to make it a reality. It's biblically written that faith without work is dead. A dream without an effort hits the rock. So therefore, keep your aspirations alive with the right nutrients. As long as you can breath, your 'dreams' can breathe also. «*Living Beyond Your Dream World*» is a book which will energize your body, soul and spirit to be part of the 'Dream Census'; thus, making the dream alive. **DIG DEEPER! DREAM BIGGER!! IT'S YOUR TIME TO SHINE!!!**

Eight-year-old Jimmy is not like most boys his age. He has seen the inside of a hospital more than anyone he knows; even so, he is still curious, happy, and unaware that his doctor has painted a bleak picture of his future. Jimmy has no idea he has leukemia. Innocent of the reason for his parents' gloom, Jimmy seeks out companionship every evening from a small owl who perches in the oak tree outside his apartment. Even though Jimmy knows owls cannot talk, he can understand Pippy perfectly. It is not long before Jimmy's nightly chats with Pippy lead to dreams of remarkable adventures where he can fly and perch in a tree—just like Pippy! As the tiny owl and the vulnerable little boy fly over churches, rooftops, they laugh, scream, and become best friends in no time at all. Now all he has to do is convince his parents that his dreams are not dreams at all. In this adventurous and inspirational tale, a boy and an owl soon discover the power of friendship and the glory of miracles as dreams and reality unexpectedly meet and cause an unforgettable chain of events.

David Malone is an average 12-year-old boy who loves basketball and dreams of playing for the Raymond Hills Warriors, the elite club team

## Access Free His Dream Baby A Miracle Baby Romance

in his hometown. But when he doesn't make the team because of his below-average height, he considers giving up the game for good. Then, over summer vacation, David meets a group of local boys who share his love for the game and a fierce determination to overcome the Warriors' rejection. With a little help from a local basketball legend, Michael Erwin, the boys decide to form their own team - but not before facing a challenge that threatens to end it all before it even begins.

A children's book for all ages to enjoy.

The Dream ChildiUniverse

Presents a Debbie Macomber story in which guardian angel Harry Mills oversees college student Addie Folsom's relationship with contrary neighbor Erich Simmons, as well as a Christmas-themed novella by Christina Skye.

When we look back on our life, we open a treasure chest of lessons learned. The author has come to understand that the most trying times teach us the best lessons for personal growth. It is her hope that you find something beneficial in this book. To this end, she has included pages for your own reflections on what each word means to you and in your life. There is also room for you to write down any goals you may have regarding implementing the word into your life.

International Book Awards 2016 finalist for literary fiction *The End of Miracles* is a twisting, haunting story about the drastic consequences of a frustrated obsession. A woman with a complex past wants nothing more than to become a mother, but struggles with infertility and miscarriage. She is temporarily comforted by a wish-fulfilling false pregnancy, but when reality inevitably dashes that fantasy, she falls into a depression so deep she must be hospitalized. The sometimes-turbulent environment of the psychiatry unit rattles her and makes her fear for her sanity, and she flees. Outside, she impulsively commits a startling act with harrowing consequences for herself and others. This emotionally gripping novel is a suspenseful journey across the blurred boundaries between sanity and madness, depression and healing.

From one night...to millionaire's wife! Ex-ballerina Saffron Wells is swept off her feet for one magical night by tycoon Blake Goldsmith, but she doesn't expect it to end with a convenient proposal to help him secure a business deal! Since discovering she couldn't have children, dancing was Saffron's only dream. An injury forced her to quit, but as Blake's bride, he promises her the treatment she needs to recover. Except soon Saffron discovers that another secret dream has come true--she's pregnant! So what does this mean for their fake marriage...?

Friends to short-term lovers... Could a miracle unite them forever? Surgeon Noah only expected one night of abandon with physiotherapist Abby. But crossing the line of friendship ignited a hidden chemistry...leaving Abby pregnant and the once carefree Noah struck by memories of his painful past. But when his son's premature arrival makes him a father sooner than expected, Noah must fight against the odds to become the man his family deserves... A Medics, Sisters, Brides novel Medics, Sisters, Brides duet Book 1 — *Awakening the Shy Nurse* Book 2 — *Saved by Their Miracle Baby* “Overall, Ms. Roberts has delivered a delightful read in this book where the chemistry between this couple was strong from the moment they meet...the romance was heart-warming...” —Harlequin Junkie on *Melting the Trauma Doc's Heart* “I read this in one sitting. This was such a heart-felt story. I loved the characters. The author really did a fantastic job.... I highly recommend this story to anyone. It was a real treat to read.” —Goodreads on *Pregnant with Her Best Friend's Baby*
