Much has been written on the last words of Jesus, the traditional phrases taken from Scripture that depict the final moments of Jesus's life as he dies on the cross. In this new take on the last words, author Dan Horan brings a fresh perspective to this time-honored meditation as he challenges readers to look at their lives through the lens of Jesus's suffering and death. Yet interlaced with suffering, the focus throughout is on the immense love of God for human beings, shown in the gift of Jesus, God made flesh. In his preface, Horan writes: "In a world that remains irrevocably shaped by the suffering of the human condition, the misunderstanding between groups and cultures symbolized by the horrific events of September 11, we need to hear Christ's words anew." He gives us a different look into these words by drawing on works by other noted scholars and spiritual writers, then fashioning a view of these phrases that's contemporary and thought-provoking. An ideal Lenten companion, especially during Holy Week, *The Last Words of Jesus* will also serve as a useful meditation throughout the year on the deep love Jesus bore for us in taking on the human condition.

A wartime prayerbook written for dangerous days like ours made to fit in pocket or purse! Our parents before us understood that strife is rarely far from even the best of us, and they girded themselves for warfare, actual and spiritual. Among the wisest of men who shepherded them was Archbishop Fulton Sheen, who won their hearts with his warm, engaging broadcast personality . . . but in secret he put on the armor of God. World War II thrust temptation, fear, danger, and death on the men and women Archbishop Sheen had formed through his popular radio shows in the 1930's. Knowing that many of his listeners were now beyond the sound of his voice, fighting and dying on battlefields afar, he wrote this pocket-size prayerbook so that they, too, could put on the armor of God as they faced their new trials, physical and spiritual. Recently, a friend showed us his tattered World War II copy. We recognized immediately that with the new dangers we face since September 11, the time had come to draft this old prayer book back into service. Yes, it's for soldiers (and you should send it to every soldier you know so he will have it in his breast pocket when he needs it); but it's for you and me, too.

Archbishop Sheen knew that no matter what our circumstances may be, the deadliest enemy we face is armed not with a gun but with temptation. In dangerous, uncertain times like ours, the Devil lures us quickly into lust, anger, hatred, and despair. Fulton Sheen's Wartime Prayer Book will help keep you from these vices so that you, too, can put on the armor of God and triumph over evil in our day.

Biretta Books is proud to present this masterwork of the great Archbishop Fulton J. Sheen! In *The Divine Romance*, Archbishop Fulton J. Sheen delves into love and life with all its pain, sorrow, loneliness and human failures from the perspective of our human quest for God, the inner life of the Trinity, the outpouring of the Spirit and most of all the Lord of Calvary and Easter. *The Divine Romance* touches on perennial themes and is a classic that has a power to heal, help and inspire the reader. In his crisp pastoral style, Sheen describes the believer's spiritual journey back to the Father with all of its ecclesial dimensions. Christ guides our mystical journey and forms us into his very Body on Earth. *The Mystical Body of Christ* captures the theological precision and communicative genius of Fulton J. Sheen (1895–1979), whose radio and television broadcasts, including *Life Is Worth Living*, have reached millions of homes since the 1950s. With more than thirty of his works still in print, Sheen is one of the most beloved Catholic evangelists of all time. This full-length and fully developed work on the Church as an extension of the Incarnation reveals Sheen's accessible and theologically astute teaching style in the early years of

his ministry. First published in 1935, the book's themes of the Eucharist as a source of unity for the Mystical Body of Christ—the Church—and the link between the liturgy and works of social justice were echoed in the Second Vatican Council several decades later.

The beloved Archbishop Sheen, whose cause for canonization is open in Rome, presents a profound and deeply spiritual look at the meaning of the priesthood and relationship of the priest with Christ as an "alter Christus". Sheen delves deeply into what he considers the main character of the priesthood, and one not often discussed, that of being, like Christ, a "holy victim". To be like Christ, Sheen emphasizes that the priest must imitate Christ in His example of sacrifice, offering himself as a victim to make His Incarnation continually present in the world. "Unlike anyone else, Our Lord came on earth, not to live, but to die. Death for our redemption was the goal of His sojourn here, the gold that he was seeking. He was, therefore, not primarily a teacher, but a Savior. Was not Christ the Priest a Victim? He never offered anything except Himself. So we have a mutilated concept of our priesthood, if we envisage it apart from making ourselves victims in the prolongation of His Incarnation." —Bishop Fulton Sheen

This book, an eloquent companion to "Characters of the Passion," is Bishop Sheen's brilliant interpretation of the relationship between the Sermon on the Mount and Christ's dying words. He writes that while these two happenings might not be directly related, there are direct parallels that should be discussed.

Our Lord spoke seven times from the Cross; these are called "His Seven Last Words." In His goodness, Our Blessed Lord left His thoughts on dying. He was representative of all humanity. In this sublime hour He called all His children to the pulpit of the Cross, and every word He said to them was set down for the purpose of an eternal publication and an undying consolation. There was never a preacher like the dying Christ; there was never a congregation like that which gathered about the pulpit of the Cross; there was never a sermon like the Seven Last Words. In the work Bishop Sheen expounds upon the Seven Last Words of Christ, elaborating on their meaning for Christians since the time of Christ to the present day.

Based on his talks at New York's St. Patrick's Cathedral on Good Friday 2015, the New York Times bestselling author and editor at large of America magazine offers a portrait of Jesus, using his last words on the cross to reveal how deeply he understood our predicaments, what it means to be fully human, and why we can turn to Christ completely, in mind, heart, and soul. Each meditation is dedicated to one of the seven sayings: "Father, forgive them, for they do not know what they do." "Today you will be with me in Paradise." "Woman, this is your son" . . . "This is your mother." "My God, my God, why have you forsaken me?" "I thirst." "It is finished." "Father, into your hands I commend my spirit." With the warmth, wisdom, and grace that infuse his works, Father James Martin explains why Jesus's crucifixion and death on the cross is an important teaching moment in the Gospels. Jesus's final statements, words that are deeply cherished by his followers, exemplify the depth of his suffering but also provide a key to his empathy and why we can connect with him so deeply.

Why is it, asks Bishop Fulton Sheen, that one hears so often the expression "Go to hell!" and almost never the expression "Go to heaven!" Here, at his most penetrating, challenging, and illuminating best is Bishop Sheen with his answer, in a book that breathes new meaning into the truths about heaven and hell, and new life into the concepts of faith, tolerance, love, prayer, suffering, and death. Beginning with "The First Faint Summons to Heaven," Sheen shows how unpopular it is today to be a true Christian, and describes the struggle for living our faith amid the disorders of our times. Keenly aware of evil in the myriad forms it takes in today's world, Bishop Sheen writes about the constant battle man faces with the "seven pallbearers of character" - pride, avarice, envy, lust, anger, gluttony and sloth - linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians. In *Go to Heaven*, a great spiritual teacher and writer, deeply aware of the human and spiritual conflicts being waged in the world, shows us the way to heaven in a most eloquent book, encouraging the reader to choose heaven now, and to understand the "reality of hell."

Jesus's words in Scripture capture who he was and what he was about. His last words on the cross, over two thousand years ago, offer gospel hope for our spiritual journeys today. In this powerful, moving book, author Robert J. Nash explores a fresh perspective on a familiar event, guiding readers into the forgiveness, hope, comfort, and compassion of Christ's words in his final moments on earth. While pivoting history, Jesus graciously offers encouragement for Christians today and hope for seekers looking for significance in his death. In this glimpse into the heart of Jesus, Nash helps men and

Among Fulton J. Sheen's thousands of converts were celebrities such as Clare Booth Luce and Henry Ford II, and former communists Louis Budenz and Elizabeth Bentley. Reeves discusses these conversions and Sheen's close friendship with J. Edgar Hoover, and details for the first time the struggle between Sheen and his chief rival, Francis Cardinal Spellman, a battle of ecclesiastical titans that led all the way to the Pope and to Sheen's final humiliation and exile.

"A character is made by the kind of thoughts a man thinks when alone." Archbishop Fulton Sheen. Television made him famous. But his thoughts, while alone, in public, or before the Blessed Sacrament in Adoration, made him a man of God. Now in Think Right, Live Well, you'll be inspired by Archbishop Sheen's words, and a one-sentence prayer to make your own. In just a couple of minutes a day you'll begin to see how Sheen's central teaching -- that shaping our minds with the truth can mean a life lived well, pleasing to God - can make a difference in your own life. Starting today.

This rhetorical study seeks to understand how and why Archbishop Fulton J. Sheen's preaching was so persuasive to the people of his day. Though many associate Sheen with his five years on prime time television in the 1950s, it was the decades he spent preaching that wrought a religious tone to the Cold War and led the way in a national renewal of religion.

Sheen, the preeminent teacher, preacher, and pastor of American Catholicism. Called “the Great Communicator” by Billy Graham and “a prophet of the times” by Pope Pius XII, Sheen was the voice of American Catholicism for nearly fifty years. In addition to his prolific writings, Sheen dominated the airwaves, first in radio, and later television, with his signature program “Life is Worth Living,” drawing an average of 30 million viewers a week in the 1950s. Sheen had the ears of everyone from presidents to the common men, women, and children in the pews, and his uplifting message of faith, hope, and love shaped generations of Catholics. But nothing came closer to the core of his message than bringing the life and saving words of Jesus to the problems of modern life and the modern world. In *A Brief Life of Christ*, Sheen draws out the meaning of the life of Jesus for our time and shows how Christ issues His challenge alike to nations, peoples, and individual souls. The final chapters on Christ’s public life, and Passion, Death, and Resurrection contain tremendous insights and provide material for a lifetime of reflection.

As death approaches, the human heart speaks its greatest words of love to those it holds most dear. So it was with Jesus who in His final hours gave us seven last "words" rich with spiritual meaning for every human soul. For the first time ever, Archbishop Fulton Sheen's complete writings and reflections on Christ's last words have been compiled into this one book. Sheen shows how the seven words are, in fact, a full catechism on the spiritual life. From them, you'll learn the secrets to living the Beatitudes, ways to avoid the deadly vices of anger, envy, lust, and pride, and how to cultivate the heavenly virtues of fortitude, prudence, justice, and charity. Few books are such an inspiring call to sanctity, and few books are such a spiritual powerhouse. With Archbishop Fulton J. Sheen as your guide, you'll also learn: Why, during His Passion, Jesus never proclaimed his innocence. Why Jesus appealed to His Father to forgive, but did not Himself

forgive directly. What Jesus' third word from the Cross says about lust. Why, like Jesus, the most innocent among us must suffer. Why darkness covered the earth after Jesus spoke his fourth word. The seven words spoken unto Jesus while He hung on the Cross and what they reveal about the impact of Christ's Passion on your soul. What the Passion says about judging others (and why it's an assault against hope). How the conversion of the good thief is the key to the conversion of our modern world. Why you and I can sin a thousand times and be forgiven, and the angels who have sinned but once are eternally unforgiven. How envy becomes the denial of all justice and love. The difference between the virtue of hope and the emotion of hope.

Bishop Sheen asks readers to stop blaming their subconscious for their ills and examine instead their conscience, to turn away from the psychoanalyst and turn to God. He shows readers that peace of soul cannot come from humankind, but must come through Divine help.

This book is a collection of sermons from Archbishop Fulton J. Sheen where he speaks about seven different groups of people found at the foot of the cross at Calvary over 2,000 years ago and how these groups are still present today. There are millions of souls in this great country of ours who have no religion whatsoever. Their attitudes vary from an earnest yearning for religion to an intense hatred of it. It is quite possible that all of them could be reduced to seven distinct categories. Our Lord spoke seven times from the Cross - and these are called His Seven Last Words. But those who were on Calvary's Hill that afternoon addressed seven words to Him on the Cross, thus revealing the seven different impacts the Cross makes on souls. The seven words, which Our Lord spoke from the Cross were not specific answers to specific challenges, but they do reveal lessons applicable to the challenge.

The one passion in man that has deeper roots in his rational nature than any other is the passion of anger. Anger and reason are capable of great compatibility, because anger is based upon reason, which weighs the injury done and the satisfaction to be demanded. We are never angry unless someone has injured us in some way — or we think he has. Widely proclaimed a classic work of Christian faith, *Life of Christ* has been hailed as the most eloquent of Fulton J. Sheen's many books. The fruit of many years of reflection, prayer, and research, it is a dramatic and moving recounting of the birth, life, Crucifixion, and Resurrection of Christ, and a passionate portrait of the God-Man, the teacher, the healer, and, most of all, the Savior, whose promise has sustained humanity for two millenia. With his customary insight and reverence, Sheen interprets the Scripture and describes Christ not only in historical perspective but also in exciting and contemporary terms -- seeing in Christ's life both modern parallels and timeless lessons. His thoughtful, probing analysis provides new insight into well-known Gospel events. An appealing blend of philosophy, history, and biblical exegesis, from the best-known and most-loved American Catholic leader of the twentieth century, *Life of Christ* has long been a source of inspiration and guidance. For those seeking to better understand the message of Jesus Christ, this vivid retelling of the greatest story ever lived is a must-read.

THERE are certain things in life which are too beautiful to be forgotten, such as the love of a mother. Hence we treasure her picture. The love of soldiers who sacrificed themselves for their country is likewise too beautiful to be forgotten, hence we revere their memory on Memorial Day. But the greatest blessing which ever came to this earth was the visitation of the Son of God in the form and habit of man. His life, above all lives, is too beautiful to be forgotten, hence we treasure the divinity of His Words in Sacred Scripture, and the charity of His Deeds in our daily actions.
