Know thyself: Explore the complex and amazing universe that lives beneath your skin From the eccentric museum La Specola in Florence comes this amazing collection of waxworks depicting human anatomy in all its dazzling complexity. A selection of wax bodies and body part and organ studies from the museum's collection is presented here; from skeletons to vein structures, organs to nerves, and arteries to the delicate pores of the skin, the human body is mapped out in meticulous and exacting detail. Texts explaining the human anatomy in layperson's terms and exploring the historical and cultural significance of the wax figures complete this "total body experience".

A fantastic pastime for journeys and for the days leading up to Halloween.

In the mold of his acclaimed History of Beauty, renowned cultural critic Umberto Eco's On Ugliness is an exploration of the monstrous and the repellent in visual culture and the arts. What is the voyeuristic impulse behind our attraction to the gruesome and the horrible? Where does the magnetic appeal of the sordid and the scandalous come from? Is ugliness also in the eye of the beholder? Eco's encyclopedic knowledge and captivating storytelling skills combine in this ingenious study of the Ugly, revealing that what we often shield ourselves from and shun in everyday life is what we're most attracted to subliminally. Topics range from Milton's Satan to Goethe's Mephistopheles; from witchcraft and medieval torture tactics to martyrs, hermits, and penitents; from lunar births and disemboweled corpses to mythic monsters and sideshow freaks; and from Decadentism and picturesque ugliness to the tacky, kitsch, and camp, and the aesthetics of excess and vice. With abundant examples of painting and sculpture ranging from ancient Greek amphorae to Bosch, Brueghel, and Goya among others, and with quotations from the most celebrated writers and philosophers of each age, this provocative discussion explores in-depth the concepts of evil, depravity, and darkness in art and literature.

The passions have long been condemned as a creator of disturbance and purveyor of the temporary loss of reason, but as Remo Bodei argues in Geometry of the Passions, we must abandon the perception that order and disorder are in a constant state of collision. By means of a theoretical and historical analysis, Bodei interprets the relationship between passion and reason as a conflict between two complementary logics. Geometry of the Passions investigates the paradoxical conflict-collaboration between passions and reason, and between individual and political projects. Tracing the roles passion and reason have played throughout history, including in the political agendas of Descartes, Hobbes, and the French Jacobins, Geometry of the Passions reveals how passion and reason may be used as a vehicle for affirmation rather than self-enslavement.

The Story of O is an erotic novel about love, dominance and submission by French author Anne Desclos under the pen name Pauline Reage. Published in French by Jean-Jacques Pauvert, Story of O is a tale of female submission about a beautiful Parisian fashion photographer, O, who is blindfolded, chained, whipped, branded, pierced, made to wear a mask, and taught to be constantly available for oral, vaginal, and anal intercourse. Despite her harsh treatment, O grants permission beforehand for everything that occurs, and her permission is consistently sought. At the beginning of the story, O's lover, Rene, brings her to the chateau of Roissy, where she is trained to serve the men of an elite group. After this first period of training is finished, as a demonstration of their bond and his generosity, Rene hands O to Sir Stephen, a more dominant master. Rene wants O to learn to serve someone whom she does not love, and someone who does not love her."

In a philosophical erotic narrative, an essay on poetry, and in poems Georges Bataille pursues his guiding concept, the impossible. The narrator engages in a journey, one reminiscent of the Grail quest; failing, he experiences truth. He describes a movement toward a disappearing object, the same elusive object that moved Theresa of Avila and Catherine of Siena to ecstasy.

Secret deals, powerful men and murder - One Way or Another is a chillingly prophetic work. The Knight and Death features a nameless (and apparently terminally ill) detective investigating the murder of a lawyer believed to have been killed by a mysterious revolutionary group. The detective thinks otherwise and sets out to prove that powerful business interests were involved, with the revolutionary group invented to cover up the real reasons behind the murder.

Contempt is a brilliant and unsettling work by one of the revolutionary masters of modern European literature. All the qualities for which Alberto Moravia is justly famous—his cool clarity of expression, his exacting attention to psychological complexity and social pretension, his still-striking openness about sex—are evident in this story of a failing marriage. Contempt (which was to inspire Jean-Luc Godard's no-less-celebrated film) is an unflinching examination of desperation and self-deception in the emotional vacuum of modern consumer society.

Leo is an Italian writer in his thirties. Thomas, his German lover, is dead. On a plane to Munich, Thomas's home town, Leo slips into a reverie of their meeting and life in Paris, nights in Thomas's flat in Montmartre and a desperate, drug-induced flight through the forests of northern France that spells the end for Leo and Thomas languid, erotic life together. Leo travels to find anonymity. Structured in three musical movements, *Separate Rooms* is a story of ideal love, broken by absence and separation. When Thomas was alive, he and Leo had separate rooms in order to preserve the urgency of their passion. Now, Leo faces solitude, the impossible striving of memory to recreate life and the hostility of a prejudiced world. *Separate Rooms*, Tondelli's last book, is a powerful novel of the strength of love and the trauma of death.

A struggling actor's last chance becomes an unforgettable Roman holiday World War II derailed John Andrus's acting career. Marred by a facial scar and burdened by a new family, Andrus works for NATO in Paris. A producer from his past shows up with an attractive acting job—involving two weeks in Rome and a hefty salary. How can he pass it up? In Rome, Andrus quickly realizes that the job is not at all what he expected. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author's estate.

Cinema has played a key role in articulating the impact and legacies of the so-called <gt;anni di piombo in Italy, the years of intra-national political terrorism that lasted from 1969 until well into the 1980s. <gt;Tragedia all'italiana offers an analytical exploration of Italian cinema's representation and refraction of those years, showing how a substantial and still growing corpus of films has shaped the ways in which Italians have assimilated and remembered the events of this period.
 This is the first monograph in English on terrorism and film in Italy, a topic that is attracting the interest of a wide range of scholars of film, cultural studies and critical terrorism studies. It provides novel analytical categories for an intriguing corpus of films and offers careful accounts of works and genres as diverse as <gt;La meglio gioventu, <gt;Buongiorno, notte, the <gt;poliziottesco (cop film) and the <gt;commedia all'italiana. The author argues that fiction film can provide an effective frame for the elaboration of historical experience but that the cinema is symptomatic both of its time and of the codes of the medium itself - in terms of its elisions, omissions and evasions as well as its emphases. The book is a study of a body of films that has elaborated the experience of terrorism as a fascinating and even essential part of the heritage of modern Italy."

"James Purdy is a marvel. His new collection of stories confirms the wacky elegance that has been Purdy's stock in the writing trade during a distinguished career that goes back to the middle '50s.... Splendid." – Chicago Tribune

Anais Nin's *Delta of Venus* is a stunning collection of sexual encounters from the queen of literary erotica. From Mathilde's lust-filled Peruvian opium den to the Hungarian baron driven insane by his insatiable desire, the passions and obsessions of this dazzling cast of characters are vivid and unforgettable. *Delta of Venus* is a deep and sensual world that evokes the very essence of sexuality.

At the turn of the twentieth century, exotic dancer Mata Hari lived and loved by her own rules. *** My Name is Mata Hari tells the story of the infamous dancer and courtesan who began as Margaretha Geertruida Zelle, a young Dutch woman who married the older Rudolph MacLeod, a military officer, and traveled with him to the Dutch East Indies. Claiming her mother's Javanese ancestry, she changed her name to Mata Hari, Malay for "eye of the day." Mata Hari danced on stages across Europe and the Middle East, and took many high-ranking military and government officials as her lovers. At the end of a tumultuous life, convicted for espionage during the First World War yet sustained by her pride, she said, "I am a genuine courtesan. And I am a dancer in the true sense." *** Remy Sylado is the pen name of noted Indonesian novelist, poet, playwright, and musician, Yapi Tambayong. He also wrote the screenplay for the award-winning film, *Ca Bau Kan* (2002). Novelist and journalist Dewi Anggraeni delivers a creative rendition of startling depth and sensitivity for the first of Sylado's novels to appear in English. *Prophecy* is prologue England, 1775. An ambitious American pushes his expedition onward despite dire warnings from the locals. But what Benjamin Franklin discovers on the Isle of Wight isn't just superstition. It's a secret with the power to save the world—or destroy it. In less than four hundred days, most of the world's population will be dead. Nobody knows why, only when: February 9, 2027. Retired FBI Special Agent Will Piper is one of the few who will live "Beyond the Horizon." Fifteen years ago, he revealed the prophecy to the world after the hunt for a madman led him to the mystical Library of Vectis, now housed at Area 51, in an unmarked location in the Nevada desert. Will is determined to live out his days in the Florida sun . . . even as the world sinks into hedonism and despair . . . even as the Doomsday Killer's ominous calling cards resurface . . . until the apocalypse threatens the one thing Will won't compromise on: his own flesh and blood.

Justine Marquis De Sade - Justine (or *The Misfortunes of Virtue*) is set just before the French Revolution in France and tells the story of a young woman who goes under the name of Therese. Her story is recounted to Madame de Lorsagne while defending herself for her crimes, en route to punishment and death. She explains the series of misfortunes which have led her to be in her present situation.

Jan Tschichold (1902-1974) was one of the most outstanding and influential graphic artists and typographers of the twentieth century. Throughout his life he stood in the service of print and writing, first as a talented young calligrapher and poster designer, and later as a self-critical typographer. In his posters, he expresses the avant-garde ideas of the Neue Typografie, or New

Typography, which were strongly influenced by the Bauhaus. Jan Tschichold is the first book length examination of Tschichold's posters. In addition to the seventy posters he designed himself, the book contains his own collection of posters, with works by Hans Arp, El Lissitzky, L szl Moholy-Nagy, Oskar Schlemmer, and others.

In 1930 Henry Miller moved from New York to Paris, leaving behind — at least temporarily — his tempestuous marriage to June Smith and a novel that had sprung from his anguish over her love affair with a mysterious woman named Jean Kronski. Begun in 1927, *Crazy Cock* is the story of Tony Bring, a struggling writer whose bourgeois inclinations collide with the disordered bohemianism of his much-beloved wife, Hildred, particularly when her lover, Vanya, comes to live with them in their already cramped Greenwich Village apartment. In a world swirling with violence, sex, and passion, the three struggle with their desires, inching ever nearer to insanity, each unable to break away from this dangerous and consuming love triangle.

In a major revision of feminist-psychoanalytic theories of film pleasure and sexual difference, Studlar's close textual analysis of the six Paramount films directed by Josef von Sternberg and starring Marlene Dietrich probes the source of their visual and psychological complexity. Borrowing from Gilles Deleuze's psychoanalytic-literary approach, Studlar shows how masochism extends beyond the clinical realm, into the arena of artistic form, language, and production of pleasure. The author's examination of the von Sternberg/Dietrich collaborations shows how these films, with the mother figure embodied in the alluring yet androgynous Dietrich, offer a key for understanding film's "masochistic aesthetic." Studlar argues that masochism's broader significance to film study lies in the similarities between the structures of perversion and those of the cinematic apparatus, as a dream screen reviving archaic visual pleasures for both male and female spectators.

This collection is Sándor Halmori's first bilingual (Hungarian-English) edition published in America. It is translated into English from the Hungarian by Elizabeth Csicsery-Ronay, co-published by the New Feral Press & Cross-Cultural Communications (both of Long Island, New York), edited by Bill Wolak & Joan Digby.

Arians, ever wondered what the Sun-signs tell you about love and life? This unique anthology of poems for love and life relates directly to your Sun-sign, Aries. If you were born between the 21st of March and the 20th of April, you will relate to many of the themes identified with your sign's characteristics and personality traits. The poems in this collection have been chosen because they reflect an Arian attitude to life. They appeal to the interests 'ruled' by your sign; the animals, flowers, trees, plants and places celebrated by the poets and associated with the sign of Aries over three thousand years of traditional astrology. Some have been chosen simply because we believe you will enjoy them, and that they will awaken or re-awaken your love of poetry.

The precursor to *Fifty Shades of Grey*, Pauline Réage's *Story of O* continues, as a woman returns to the place of her deepest, most intimate erotic initiation. She gave up everything to surrender to the forces of sensual love. Beautiful "O" is a Parisian photographer who makes a bold choice to follow her most forbidden desires. Her story takes her to the deepest, most dangerous places of domination, where the pleasures of the flesh meet the needs of the heart. O's journey sweeps her from the compelling embrace of René, where she gained understanding of true physical surrender, to the mysterious Sir Stephen and his chateau, where women learn to master the sensual arts. In this private club, O is challenged to release everything but her desire to be a willing vessel of pleasure—and forced to confront who she is and what she truly wants. As jealousy, sadistic games, and uncertainty make her question the lines she has crossed for love, she can only wonder: How far and how deep will she go? And where will it stop?

Dress the dolls for a Halloween fancy dress party in this enchanting activity book. There are bat and cat costumes, pumpkins, ghosts, witches, fairies, princesses and lots more. With reusable stickers of the costumes and accessories, there are also spooky spiders, webs, bats and grinning carved lanterns to decorate the pages. A younger version of the bestselling *Sticker Dolly Dressing* series, which contains over 40 titles, *Little Sticker Dolly Dressing* is an endearing new series for children aged four and up; with gentle, attractive illustrations and simple text children can easily understand. An interactive activity book that requires lots of concentration and children will enjoy completing. There is also a fold-out cover at the back of the book where children can "park" their stickers as they work. Features glossy pages and reusable stickers.

Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty and sarcastic, she could be the girl next door. Except that Sophie is a submissive; in the bedroom she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the wake of *Fifty Shades of Grey*, here is a memoir that offers the real story of what it means to be a submissive, following Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound, awakened sexuality. From the endorphin rush of her first spanking right through to punishments the likes of which she couldn't begin to imagine, she explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places the question becomes- where will it end? Can she reconcile her sexuality with the rest of her life and is it possible for the perfect man to also be perfectly cruel? Racy, controversial, but always warm, fun and astoundingly honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down.

Bringing together an interdisciplinary group of scholars, this volume explores nineteenth-century Italian sexualities from a variety of viewpoints, illuminating in particular personal and political relationships, same-sex desires, gender roles that defy societal norms, sexual behaviours of different classes and transnational encounters.

Andrea Zanzotto is one of the most important and acclaimed poets of postwar Italy. This collection of ninety-one pseudo-haiku in English and Italian—written over several months during 1984 and then revised slowly over the years—confirms his commitment to experimentation throughout his life. *Haiku for a Season* represents a multilevel experiment for Zanzotto: first, to compose poetry bilingually; and second, to write in a form foreign to Western poetry. The volume traces the life of a woman from youth to adulthood, using the seasons and the varying landscape as a mirror to reflect her growth and changing attitudes and perceptions. With a lifelong interest in the intersections of nature and culture, Zanzotto displays here his usual precise and surprising sense of the living world. These never-before-published original poems in English appear alongside their Italian versions—not strict translations but parallel texts that can be read separately or in conjunction with the originals. As a sequence of interlinked poems, *Haiku for a Season* reveals Zanzotto also as a master poet of minimalism. Zanzotto's recent death is a blow to world poetry, and the publication of this book, the last that he approved in manuscript, will be an event in both the United States and in Italy.

Welcome to the beginners guide to Shibari. In this book you will learn about what it takes to safely and confidently perform the Japanese art of Shibari otherwise known as bondage. The secret here is that not all bondage is sexual in nature. While it is obviously associated with that as well, it is also independently considered an art form and is practiced by very serious artists. The main difference is being in the word chosen to describe it. The word Shibari in Japanese is specific to the act of tying, or binding. Whereas Kinbaku is the more sexual side of it, the word associated the BDSM and sex games side of things. If you are referring to a beautiful artistic display that, while erotic, is limited to an artist's interpretation and not a sex act then you would be speaking of Shibari. Here is a preview of what you'll learn: - What is Shibari? - Materials for the Japanese art of Shibari - Knotting and Tying - The knot tying of hands "stirrup" - The tying of hands "stirrup" (another variation) - The wrist knot "chain" - The knotting under arm "rat-tail stopper" - Connecting neck with both arms "common whipping" - Leg bind "round lashing" - Hip tie "square lashing" - Ankle's tying - Chest knots - Chest bind "figure 8 knot" - Chest bind "figure 8 knot" with hands - Advanced Knotting & Tying - The rope tying of hands, shoulders and legs - Double loops to tie mid arm mark "bowline" - The tying "fisherman's knot" - Sturdy knot of body "overhand bow" - The tying neck & back "common cross whipping" - The tying "cow hitch" - "Constrictor knot" - Humble coin knot "double overhand" - The tying "ashley stopper knot" - Difficult tying of waist, legs and head - The knotting rope

A man, a woman, alone in a deserted shipyard sometime in the future. They start playing their sexual games - but suddenly things take a turn for the serious. "Talk Dirty is hardcore filth. True smut, total porn. It is very powerful stuff... Talk Dirty works best when it examines the different ways in which men and women express sexual aggression. Sexual fires - and fantasies - ignite when there's war between the sexes." -Futuresex Night. Somewhere, somewhen. the man and the woman circle one another, like jungle cats. A weighted word here, a furtive touch there - any moment now, one of them might go too far. They have no past. They have no future. They have no names - at least as far as this game is concerned. Because if their names were revealed, they would break the rules of the game. Then that rule gets broken. And the other rules follow... Internationally acclaimed German cartoonist Matthias Schultheiss (creator of the science fiction series Bell's Theorem and the futuristic super-hero comic Propellerman) brings his dark, brooding vision to the world of X-rated comics with Talk Dirty, a story of obsession and fulfillment. In the end, the questions multiply: Which one is the predator? Which one is the victim? And what role will the third player take? Talk Dirty is a hardcore psychodrama that will leave the hardest reader emotionally drained. BONUS: This edition of Talk Dirty presents, for the first time anywhere, a selection of full-color pages from Schultheiss's earliest draft of the book.
