The romance novel has the strange distinction of being the most popular but least respected of literary genres. While it remains consistently dominant in bookstores and on best-seller lists, it is also widely dismissed by the critical community. Scholars have alleged that romance novels help create subservient readers, who are largely women, by confining heroines to stories that ignore issues other than love and marriage. Pamela Regis argues that such critical studies fail to take into consideration the personal choice of readers, offer any true definition of the romance novel, or discuss the nature and scope of the genre. Presenting the counterclaim that the romance novel does not enslave women but, on the contrary, is about celebrating freedom and joy, Regis offers a definition that provides critics with an expanded vocabulary for discussing a genre that is both classic and contemporary, sexy and entertaining. Taking the stance that the popular romance novel is a work of literature with a brilliant pedigree, Regis asserts that it is also a very old, stable form. She traces the literary history of the romance novel from canonical works such as Richardson's Pamela through Austen's Pride and Prejudice, Brontë's Jane Eyre, and E. M. Hull's The Sheik, and then turns to more contemporary works such as the novels of Georgette Heyer, Mary Stewart, Janet Dailey, Jayne Ann Krentz, and Nora Roberts.

The Battle of Waterloo was just the beginning of a long transition to peace. Christine Haynes offers the first comprehensive history of the post-Napoleonic occupation of France. Transforming former European enemies into allies, the mission established Paris as a cosmopolitan capital and foreshadowed postwar reconstruction in the twentieth century.

When her imposing—and attractive—new neighbor demands she clear out the rescued animals, Penny sets him a challenge. She will part with her precious charges, if he can find them loving homes. Done, Gabriel says. How hard can it be to find homes for a few kittens? And a two-legged dog. And a foul-mouthed parrot. And a goat, an otter, a hedgehog . . . Easier said than done, for a cold-blooded bastard who wouldn't know a loving home from a workhouse. Soon he's covered in cat hair, knee-deep in adorable, and bewitched by a shyly pretty spinster who defies his every attempt to resist. Now she's set her mind and heart on saving him. Not if he ruins her first.

From the superbly gifted Sherry Thomas comes this beautifully written romance about a marriage of convenience that turns inconveniently passionate... Felix Rivendale, the Marquess of Wrenworth, is The Ideal Gentleman, a man all men want to be and all women want to possess. Even Felix himself almost believes this golden image. But underneath is a damaged soul soothed only by public adulation. Louisa Cantwell needs to marry well to support her sisters. She does not, however, want Lord Wrenworth—though he seems inexplicably interested in her. She mistrusts his outward perfection, and the praise he garners everywhere he goes. Still, when he is the only man to propose at the end of the London season, she reluctantly accepts. Louisa does not understand her husband's mysterious purposes, but she cannot deny the pleasure her body takes in his touch. Nor can she deny the pull this magnetic man exerts upon her. But does she dare to fall in love with a man so full of dark secrets, any one of which could devastate her, if she were to get any closer?

A new historical romance From USA Today bestselling author Mimi Matthews, featuring a wounded Peninsular War hero, a tender-hearted heroine with heterochromia, and dogs-lots of dogs.

At first, it's just a few new ball gowns on the duke's accounts. Then, it's interviews with reporters eager for gossip. Before she knows it, Katherine has transformed herself into Kitty Danvers, charming and clever belle of the ton—with everyone eager to meet her thankfully absent fiancé.
