A little book with a big heart—from the New York Times bestselling author of *A Man Called Ove* and *Anxious People*. "I read this beautifully imagined and moving novella in one sitting, utterly wowed, wanting to share it with everyone I know." —Lisa Genova, bestselling author of *Still Alice* From the New York Times bestselling author of *A Man Called Ove*, *My Grandmother Asked Me to Tell You She's Sorry*, *Britt-Marie Was Here*, and *Anxious People* comes an exquisitely moving portrait of an elderly man's struggle to hold on to his most precious memories, and his family's efforts to care for him even as they must find a way to let go. With all the same charm of his bestselling full-length novels, here Fredrik Backman once again reveals his unrivaled understanding of human nature and deep compassion for people in difficult circumstances. This is a tiny gem with a message you'll treasure for a lifetime.

"A melodramatic tale of a woman's life blighted by slander." Cf. Hanna, A. *Mirror for the nation*

This book is for children of all ages. This book explains how things could be the same or different between siblings.

"People are dead, slaughtered like animals in the night. The reigning power, the Hulcandans, blame rebels. Rabreah, a rebel, knows it's a lie. Her younger sister, Ariliah, doesn't; like the majority of the townspeople, she believes those in authority, swallowing their words with complete trust. Besides, she's too busy fighting her own silent war at home. While Rabreah dedicates herself to truth and freedom, Ariliah is just trying to survive their

mother's abuse. But as unknown forces threaten to rip their world apart, the line between friend and enemy blurs. All is not as it seems. In fact, nothing may be."--Back cover.

In a small wooded lot a busy woman stumbles upon a strange doll the neighbors possibly left. She attempts to reveal who brought the toy to her home, but she uncovers no real leads. Then when a letter turns up asking her to give the doll away as soon as possible, she ends up on the edge of reason as the doll is in the midst of being reclaimed by someone. The doll although small and cuddly resembles a somewhat black entity similar to a doll she keeps in her home, but when a nearby psychic and fortune teller comes to her home asking her to give up the doll to keep her sanity, but she refuses. The stuffed animal then turns out to be more than she bargained for when the bear starts to grow a tail and red eyes. When she discovers those details, she desperately tries to send it away to a pawn shop owner, but the next day he ends up dead, and a new feeling that the stuffed bear may not be what she considered a stuffed cuddly toy anymore. The story focuses on the character of Mary, and the stuffed bear that she suddenly inherits when the doll is left on her doorstep. She finds that although the stuffed bear did have an owner, he ended up in a mental institution, and the bear was simply left behind, either by someone else or the bear itself. She doesn't want to come to the terms that it could have ended up on her doorstep, by itself, but when the tale that the previous owner claimed is finally revealed, she desperately searches for an answer to the horror of

Truggle.

After her mother's death and her father's abandonment, tiny infant Sarah Graham was left to be raised by her emotionally distant grandmother. As a child she turned to music for solace and even gained entrance to Juilliard. But her potentially brilliant music career ended with an unplanned pregnancy and the stillborn birth of her child. In an attempt to escape the past, Sarah, now twenty-seven, is living life hard and fast--and she is flat broke. When her estranged father dies, she travels to the tiny mountain hamlet of Jonah, New York, to claim her inheritance. Once there, she learns her father's will stipulates a six-month stay before she can receive the money. Fueled by hate and desperation, Sarah settles in for the bitter mountain winter, and as the weeks pass, she finds her life intertwining with the lives of the simple, gracious townsfolk. Can these strangers teach Sarah how to forgive and find peace? A story of grace, of God's never-ceasing love, and the sometimes flawed, faithful people He uses to bring His purposes to pass.

Judith's marriage to Adam is failing fast. Despite her best efforts, his attention is entirely taken up by his law practice while her existence--if he remembers it--is merely something to criticize. Thankfully, Judith has an antique shop and her best friend and business partner, Susan, to keep her focused on the good things in life. Tired of being overlooked and undervalued, Judith decides to leave her husband and reconnect with herself as a single woman rather than as Adam's wife. Soon, Judith's world expands

to include a support group of women also facing divorce. Slowly learning to extend to herself the same compassion she offers her friends, Judith begins to rediscover her own value as a person and as a woman. And her efforts don't go unnoticed. While Judith rebuilds her life, with the encouragement of her growing circle of friends, a secret admirer starts leaving thoughtful gifts on her doorstep-which she begins to hope will lead to a face-to-face meeting. A celebration of friendship and love, where every character counts, "The Things That Fall Away" is an insightful story that brings to light the beauty of everyday things and the wonder of being truly cherished.

While doing genealogy research, a college professor runs across a true example of that most wayward of American existences-the hobo-in a story of a pair of runaways who hopped the rails, departing for times and places unknown, with only their adventurous spirits to guide them. Near his life's end, Percy B. Gates was a distinguished family man. He'd settled down and leveled out, but his past was full of adventure. At age thirteen, Percy and his best friend, Bill, ran off, whisked away from their homes on railroad tracks. They met a wide cast of characters while traveling the fifty states, from Wyatt Earp in the Old West to Teddy Roosevelt down in San Antonio. Bill fought a war, and Percy barely missed joining Roosevelt's Rough Riders. Eventually, they became

boilermakers on that same railroad and found themselves in the middle of more than one outburst of union violence. Their rowdy journey through life ended up as more than those young runaways could have imagined. This expansive adventure portrays a classic American story, based on the author's grandfather's own tales and letters. Leaving a disastrous past behind, the hobo sets off on his own American dream.

A lovely Caribbean island and its people awaken in author Robert Benson a sense of place and home. The islanders' warmth and welcome prompt a new understanding of ideas of beauty, community and spiritual belonging. "We live in a world where such welcome and gentleness and civility are increasingly rare. Most of the conversation between strangers is terse and quick and far too often, it is cold and rude. It can even be that way, more often than we care to admit, among people who are not strangers. And such is the way of the world that we live in that we are almost stunned by welcome whenever it breaks out around us, and we are certainly drawn to the people and to the places where we find such welcome in abundance."

Travis Maurice Walker or otherwise known as Travis

Grizzly is an American ex-Green Beret sniper who fought in the Afghanistan war. The six-foot-five, three-hundred-pound soldier was trained exceptionally well in hand-to-hand combat. In all his years he has never experienced defeat, even in the most extreme circumstances. In short, Travis Walker was born to be the perfect soldier-the perfect killing machine. On his final tour to Afghanistan, a week before coming home, Travis was struck in the head by an enemy's sniper bullet; it left him clinging to life. By miracle he survived, but would never be the same. Afterwards he moved to Lake City, Colorado along with his beautiful wife to not only continue the healing process, but to start a new life. With less than four hundred living souls in this historically rich city, it made for a perfect secluded area to keep a man that was programmed to kill safely within his isolated cage. No one knew they had a walking time bomb living next door until the day the cage was left open. A record-breaking winter storm takes the city hostage, isolating the residents from the rest of the world in a blizzard-like prison. A perfect mixture of adultery, mistrust, and murder will unleash a terrible evil upon the city, hell-bent on wiping out an entire family, along with anyone who dares get in the way. But another force, a seemingly darker one, will simply be-hell-bent.

With her past and present colliding, what life will she choose and will Riley ever truly find happiness?

A wonderful and inspiring memoir of a devout woman seeking meaning for years of chronic pain, and searching for inner peace as she pursues the presence of God in her daily life. Her honest conversations with God and her inner vocal critic, lead her to a community of Camaldolese Benedictine monks living along the California coast. Their gentle and loving nature, their willingness to listen and share encouraging words with Lois, help her to move down the path and find her way home. I highly recommend this book to anyone seeking a closer and more personal relationship with God in the midst of physical and spiritual struggles. This book would also be of value to those who care for the terminally ill.
