Mr. and Mrs. Rabbit are having baby bunnies, and their burrow-for-two is just too small to accomodate a growing family. Time to call the forest real estate agent! As anyone searching for a new home must, the Rabbits look at a lot of different places, each one appealing in its own way, but none of them quite is right! Will they find the perfect new home to call their own? A single, black brushstroke that runs through the entire book provides a line that can be traced by little fingers from page to page, and anchors the detailed pen-and-ink style that Steve uses to show the forest homes and the creatures who currently inhabit them--the visible above-ground part of each burrow appears above the line, and the underground portion shows below the line. In addition, circular die cuts in each page allow a peek into the next burrow. With gorgeous artwork and exquisite production, this lovely little volume makes a fine gift for any new homeowner, and particularly for those with small children. · according to the US Census Bureau, around 40 million Americans move house each year--and growing families account for a significant percentage of the numbers, as they outgrow their spaces · preschoolers and elementary-school age kids often feel significant anxiety about moving house; this book helps them anticipate the change with positive feelings

The original classic touch and feel book that has been entertaining babies for over 60 years.

Newbery Honor author Cynthia Lord likes fostering rabbits—or, as she fondly calls it, “borrowing bunnies.” This is the heartwarming true story of the author’s own journey with two very special rabbits. In the spring of 2016, Peggotty and Benjamin were saved by Maine’s Cottontail Cottage Rabbit Rescue after their previous owners had neglected them. But before the two Netherland Dwarf rabbits could be adopted, Cynthia had to help them learn to trust people and feel safe inside a home. The bunnies slowly settled in, enjoying their clean pens, nibbling new foods, and playing with fun toys, while Cindy’s husband, John Bald, photographed Benjamin and Peggotty’s every step toward adoption. At that time, hundreds of viewers were drawn to Cindy’s Facebook page to watch their progress. Now, she has adapted the rabbits’ true story into a picture book that explores love, responsibility, empathy, and letting go—along with fostering’s many surprises, both big and small. Young readers will delight in watching these bunnies thrive while also learning a few fun animal facts. With Cindy’s pitch-perfect blend of warmth and real-life experience, *Borrowing Bunnies* is a new classic in narrative nonfiction.
