"Li Juan spent minus-20-degree nights with nomadic herders in the Chinese steppes. You'll want to join her." --Laura Miller, Slate "Deeply moving...full of humor, introspection and glimpses into a vanishing lifestyle." --The New York Times Book Review Winner of the People's Literature Award, WINTER PASTURE has been a bestselling book in China for several years. Li Juan has been widely lauded in the international literary community for her unique contribution to the narrative non-fiction genre. WINTER PASTURE is her crowning achievement, shattering the boundaries between nature writing and personal memoir. Li Juan and her mother own a small convenience store in the Altai Mountains in Northwestern China, where she writes about her life among grasslands and snowy peaks. To her neighbors' surprise, Li decides to join a family of Kazakh herders as they take their 30 boisterous camels, 500 sheep and over 100 cattle and horses to pasture for the winter. The so-called "winter pasture" occurs in a remote region that stretches from the Ulungur River to the Heavenly Mountains. As she journeys across the vast, seemingly endless sand dunes, she helps herd sheep, rides horses, chases after camels, builds an underground home using manure, gathers snow for water, and more. With a keen eye for the understated elegance of the natural world, and a healthy dose of self-deprecating humor, Li vividly captures both the extraordinary hardships and the ordinary preoccupations of the day-to-day of the men and women struggling to get by in this desolate landscape. Her companions include Cuma, the often drunk but mostly responsible father; his teenage daughter, Kama, who feels the burden of the world on her shoulders and dreams of going to college; his reticent wife, a paragon of decorum against all odds, who is simply known as "sister-in-law." In bringing this faraway world to English language readers here for the first time, Li creates an intimate bond with the rugged people, the remote places and the nomadic lifestyle. In the signature style that made her an international sensation, Li Juan transcends the travel memoir genre to deliver an indelible and immersive reading experience on every page.

New York Times and worldwide bestselling “dazzling storyteller” (Associated Press) Isabel Allende returns with a sweeping novel about three very different people who are brought together in a mesmerizing story that journeys from present-day Brooklyn to Guatemala in the recent past to 1970s Chile and Brazil. *In the Midst of Winter* begins with a minor traffic accident—which becomes the catalyst for an unexpected and moving love story between two people who thought they were deep into the winter of their lives. Richard Bowmaster—a 60-year-old human rights scholar—hits the car of Evelyn Ortega—a young, undocumented immigrant from Guatemala—in the middle of a snowstorm in Brooklyn. What at first seems just a small inconvenience takes an unforeseen and far more serious turn when Evelyn turns up at the professor's house seeking help. At a loss, the professor asks his tenant Lucia Maraz—a 62-year-old lecturer from Chile—for her advice. These three very different people are brought together in a mesmerizing story that moves from present-day Brooklyn to Guatemala in the recent past to 1970s Chile and Brazil, sparking the beginning of a long overdue love story between Richard and Lucia. Exploring the timely issues of human rights and the plight of immigrants and refugees, the book recalls Allende's landmark novel *The House of the Spirits* in the way it embraces the cause of “humanity, and it does so with passion, humor, and wisdom that transcend politics” (Jonathan Yardley, *The Washington Post*). *In the Midst of Winter* will stay with you long after you turn the final page.
