

## Homeward Bound Words And Music By Marta Keen Arr Mack

The small town of Bridgeford is in crisis. Downtown is deserted, businesses are closing, and the idea of civic pride seems old-fashioned to residents rushing through the streets to get somewhere else. Bridgeford seems to have lost its heart. But there is one thing that just might unite the community--music. The local choir, a group generally either ignored or mocked by most of Bridgeford's inhabitants, is preparing for an important contest, and to win it they need new members, and a whole new sound. Enlisting (some may say drafting) singers, who include a mother suffering from empty-nest syndrome, a middle-aged man who has just lost his job and his family, and a nineteen-year-old waitress who dreams of reality-TV stardom, the choir regulars must find--and make--harmony with neighbors they've been happy not to know for years. Can they all learn to work together, save the choir, and maybe even save their town in the process? *All Together Now* is a poignant and charming novel about community, family, falling in love--and the big rewards of making a small change.

A revised edition of the classic, myth-shattering exploration of American family life during the Cold War. When *Homeward Bound* first appeared in 1988, it forever changed how we understand Cold War America. Elaine Tyler May demonstrated that the Atomic Age and the Cold War shaped American life not just in national politics, but at every level of society, from the boardroom to the bedroom. Her notion of "domestic containment" is now the standard interpretation of the era, and *Homeward Bound* has become a classic. This new edition includes an updated introduction and a new epilogue examining the legacy of Cold War obsessions with personal and family security in the present day.

Acclaimed music writer Robert Hilburn's "epic" and "definitive" (Rolling Stone) biography of music icon Paul Simon, written with Simon's full participation—but without his editorial control—that "reminds us how titanic this musician is" (The Washington Post). For more than fifty years, Paul Simon has spoken to us in songs about alienation, doubt, resilience, and empathy in ways that have established him as one of the most beloved artists in American pop music history. Songs like "The Sound of Silence," "Bridge Over Troubled Water," "Still Crazy After All These Years," and "Graceland" have moved beyond the sales charts and into our cultural consciousness. But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers. Finally, however, he has opened up for Robert Hilburn—for more than one hundred hours of interviews—in this "brilliant and entertaining portrait of Simon that will likely be the definitive biography" (Publishers Weekly, starred review). Over the course of three years, Hilburn conducted in-depth interviews with scores of Paul Simon's friends, family, colleagues, and others—including ex-wives Carrie Fisher and Peggy Harper, who spoke for the first time—and even penetrated the inner circle of Simon's long-reclusive muse, Kathy Chitty. The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level. In the process, Hilburn documents Simon's search for artistry and his constant struggle to protect that artistry against distractions—fame, marriage, divorce, drugs, record company interference, rejection, and insecurity—that have derailed so many great pop figures. "As engaging as a lively American tune" (People), Paul Simon is a "straight-shooting tour de force...that does thorough justice to this American prophet and pop star" (USA TODAY, four out of four stars). "Read it if you like Simon; read it if you want to discover how talent unfolds itself" (Stephen King).

Tin Pan Alley, once New York City's songwriting and recording mecca, issued more than a thousand songs about the American South in the first half of the twentieth century. In *Reinventing Dixie*, John Bush Jones explores the broad impact of these songs in creating and disseminating the imaginary view of the South as a land of southern belles, gallant gentlemen, and racial harmony. In profiles of Tin Pan Alley's lyricists and composers, Jones explains how a group of undereducated and untraveled writers—the vast majority of whom were urban northerners or European immigrants—constructed the specific and detailed images of the South used in their song lyrics. In the process of evaluating the origins of Tin Pan Alley's songbook, Jones analyzes these songwriters' attitudes about North-South reconciliation, ideals of honor and hospitality, and the recurring theme of the yearning for home. Though a few of the songs employed parody or satire to undercut the vision of a peaceful, romantic South, the majority ignored the realities of racism and poverty in the region. By the end of Tin Pan Alley's era of cultural prominence in the mid-twentieth century, Jones contends that the work of its writers had cemented the "moonlight and magnolias" myth in the minds of millions of Americans. *Reinventing Dixie* sheds light on the role of songwriters in forming an idyllic vision of the South that continues to influence the American imagination.

In the barren landscape of the Far North, under the ever-present midnight sun, Frances, who lives in an isolated artist colony, and Yasha, who arrives from Brooklyn to fulfill his beloved father's last wish, form a bond that offers them solace amidst great

uncertainty.

"Reveals one of the most influential popular artists in American history as he has never been seen before: as a boy and a man, an artist and a businessman, a lover and husband, and the living animation of America's ever-changing definitions of personal and cultural identity"--Dust jacket flap.

The dean of Broadway musical directors examines the dynamics of how the book, music and lyrics work together to create such hits as My Fair Lady, Fiddler on the Roof, Guys and Dolls, Hair, Pal Joey, West Side Story, Company, South Pacific, Threepenny Opera and Porgy and Bess. Howard Kissel, chief theater critic for the New York Daily News, extends the reach of Engel's subjects by bringing them up to date with commentary on such shows as A Chorus Line, Nine, Sunday in the Park with George, Rent, Working and Falsettos. Kissel offers a thoughtful history on how musical theater has evolved in the three decades since Engel wrote Words with Music (1972) and how Engel's classic work remains vital and illuminating today.

An annotated index of over 18.000 American popular songs, cumulating and updating eight volumes of Popular Music and including introductory essays, lyricists and composers index, important performances index, awards index, and list of publishers.

This authoritative reference work investigates the roots of the Sacred Harp, the central collection of the deeply influential and long-lived southern tradition of shape-note singing. Where other studies of the Sacred Harp have focused on the sociology of present-day singers and their activities, David Warren Steel and Richard H. Hulan concentrate on the regional culture that produced the Sacred Harp in the nineteenth century and delve deeply into history of its authors and composers. They trace the sources of every tune and text in the Sacred Harp, from the work of B. F. White, E. J. King, and their west Georgia contemporaries who helped compile the original collection in 1844 to the contributions by various composers to the 1936 to 1991 editions. The Makers of the Sacred Harp also includes analyses of the textual influences on the music--including metrical psalmody, English evangelical poets, American frontier preachers, camp meeting

hymnody, and revival choruses--and essays placing the Sacred Harp as a product of the antebellum period with roots in religious revivalism. Drawing on census reports, local histories, family Bibles and other records, rich oral interviews with descendants, and Sacred Harp Publishing Company records, this volume reveals new details and insights about the history of this enduring American musical tradition.

The handiwork of God (Psalm 19) and the workmanship of God (Ephesians 2:10) are mutual evidence of our Creator's power and love. His written scripture and the scripture of nature both came into being through the WORD; "All things were made by him and without him was not anything made that was made." (John 1:3) When we read the Bible in the beauty of nature, new insights about God's wonderful plan for our lives become living, reliable facts. This eternal wisdom touches our souls, and without it, we become less than gnats, with neither origin or destiny.

Featuring lyrics from Paul Simon's ten solo albums, four collaborations with Art Garfunkel, and his Songs from the Capeman, Lyrics is a landmark collection of folk history.

A revelatory account of the life of beloved American music icon, Paul Simon, by the bestselling rock biographer Peter Ames Carlin To have been alive during the last sixty years is to have lived with the music of Paul Simon. The boy from Queens scored his first hit record in 1957, just months after Elvis Presley ignited the rock era. As the songwriting half of Simon & Garfunkel, his work helped define the youth movement of the '60s. On his own in the '70s, Simon made radio-dominating hits. He kicked off the '80s by reuniting with Garfunkel to perform for half a million New Yorkers in Central Park. Five years later, Simon's album "Graceland" sold millions and spurred an international political controversy. And it doesn't stop there. The grandchild of Jewish emigrants from Galicia in the Austro-Hungarian empire, the 75-year-old singer-songwriter has not only sold more than 100 million records, won 15 Grammy awards and been installed into the Rock 'n' Roll Hall of Fame twice, but has also animated the meaning—and flexibility—of personal and cultural identity in a rapidly shrinking world. Simon has also lived one of the most vibrant lives of modern times; a story replete with tales of Carrie Fisher, Leonard Bernstein, Bob Dylan, Woody Allen, Shelley Duvall, Nelson Mandela, drugs, depression, marriage, divorce, and more. A life story with the scope and power of an epic novel, Carlin's Homeward Bound is the first major biography of one of the most influential popular artists in American history. Official organ of the book trade of the United Kingdom.

(Guitar Play-Along). The Guitar Play-Along Series will assist you in learning to play your favorite songs quickly and easily. Just follow the tab, listen to the audio to hear how the guitar should sound, and then play along using the separate backing tracks. The melody and lyrics are also included in the book in case you want to sing, or to simply help you follow along. Includes 8 songs: The Boxer \* Cecilia \* A Hazy Shade of Winter \* Homeward Bound \* I Am a Rock \* Mrs. Robinson \* Scarborough Fair/Canticle \* The Sound of Silence.
