GSX-R600 (1997-2000)

First in the Justice Series. Special Crimes Unit investigator Detective Sergeant Rebecca Frye is attempting to solve a series of sexual assaults and running into dead ends at every turn. Finally, she has a break in the case—a witness—one person who may help her bring a madman to justice. But, the witness is a victim herself and Rebecca must convince the injured woman's physician, Dr. Catherine Rawlings, to assist her—a task that will force both women to confront their own darkest fears. Amidst professional conflicts and a growing mutual attraction, the two women become reluctant allies in the battle to stop the perpetrator before he strikes again.

This book gives enthusiasts of the single overhead camshaft Honda Four a step-by-step guide to a full restoration. Whether it be the small but luxurious CB350/4 right through to the ground breaking CB750/4. This guide covers dismantling the motorcycle and its components, restoring and sourcing parts, paint spraying, decals and polishing. The chapters cover, Engine, frame, forks, fuel, exhaust, seat, brakes, tyres, electrics, up to the rebuild and on to safe setup and general maintenance and finally onto riding safely and storage.

Honda CBR125R service and repair manual Honda CBR F2 and F3 1991-1998 Haynes Manuals N. America, Incorporated

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

A motorcycle's electrical system can be daunting to even the most adept home mechanic. And yet, the more complex these systems become—and the more important to a motorcycle's function—the more useful, even critical, it will be to know something about them. That's where this book comes in with a user-friendly guide to understanding, diagnosing, and fixing the electrical systems and components that make a bike run . . . or falter. Veteran technician Tracy Martin explains the principles behind motorcycle electrical systems and how they work. He details the various tools, such as multimeters and test lights, that can be used to evaluate and troubleshoot any vehicle's electrical problem. And in several hands-on projects, he takes readers on a guided tour of their vehicle's electrical system, along the way giving clear, step-by-step instructions for diagnosing specific problems.

This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

This title provides a comprehensive service manual to all Honda CBR125s produced between 2004 and 2010.

Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But

Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham “This is an endearing romance that fans of Wanda Brunstetter will love.” —Publishers Weekly
