How to Be a Motoring Journalist Roy Lanchester,2018-04-04 For over 35 years Roy Lanchester has been one of Britain's

motoring journalists. In that time he has driven, dined, drunk and laughed, all at other people's expense. In this memoir he looks back at his life and career, from his early days as a cub reporter, through his halcyon time as a Fleet Street motoring hack in the 1980s, up to his reign as one of the country's best-known and thirstiest regional journalists. Roy has always been notoriously outspoken and he holds back nothing in this book, which includes tales of his failed marriages, his rows with press officers, and his incident with Nigel Mansell, although the lawyers later asked for this to be removed. If you've ever wondered what it takes to forge a career writing about cars in the face of setbacks, cutbacks and uncooperative barmen, *How To Be A Motoring Journalist* will tell you everything you want to know, and some things you don't.

Beaten But Not Broken Vanessa Govender,2018 At the height of her journalism career, more than one million households across the country knew her name and her face. Her reportage on human suffering and triumph captivated viewers, and with it Vanessa Govender shot to fame as one of the first female Indian television news reporters in South Africa. Always chasing the human angle of any news story, Govender made a name for herself by highlighting stories that included the grief of a mother clutching a packet filled with the fragments of the broken bones of her children after they'd been hacked to death by their own father, and another story where she celebrated the feisty spirit of a little girl who was dying of old age, while holding onto dreams that would never be realised. Yet Govender, a champion for society's downtrodden, was hiding a shocking story of her own. In *Beaten But Not Broken*, she finally opens up about her deepest secret - one that so nearly ended her career in broadcast journalism before it had barely kicked off. She was a rookie reporter at the SABC in 1999. He was a popular radio disc jockey, the darling of the SABC's Lotus FM, a radio station catering to nearly half a million Indian people across South Africa. They were the perfect pair, or so it seemed. And if anyone suspected the nature of the abusive relationship, Govender says, she doesn't believe they knew the full extent of the horror that the popular DJ was inflicting on this intrepid journalist. The bruising punches, the cracking slaps, and the relentless episodes filled with beatings, kicking and strangling were as ferocious as the emotional and verbal abuse he hurled at her. No one would know the brutal and graphic details of Govender's story ... until now. In *Beaten But Not Broken*, this Indian woman does the unthinkable, maybe even the unforgivable, in breaking the ranks of a close-knit conservative community to speak out about her five-year-long hell in this abusive relationship. Her story also lays bare her heart-breaking experiences as a victim of childhood bullying and being ostracised by some in her community for being a dark-skinned Indian girl. Govender tells a graphic story of extreme abuse, living with the pain, and ultimately of how she was saved by her own relentless fighting spirit to find purpose and love. This is a story of possibilities and hope; it is a story of a true survivor.
